

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER LCRX

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER LCRX
- Manufacturer: RANSOM
- Product no.: 430119427
- Mfr. No.: 30-300-23-29
- Delivery weight: 0.907kg
- UPC: 810132582059

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR RUGER LCRX

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS für deinen Ruger LCRX! Diese Inserts sind speziell entwickelt, um die Leistung deines Master Series Ransom Rest zu optimieren. Um die Sicherheit und die bestmögliche Nutzung deines Produkts zu gewährleisten, lies bitte die folgenden Sicherheitshinweise sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS in Übereinstimmung mit den Anweisungen verwendest, um Verletzungen oder Schäden zu vermeiden.
- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten KunststoffGrip Inserts, da diese Schäden an deinem Gewehr verursachen können.
- Halte das Produkt außerhalb der Reichweite von Kindern und schütze es vor unsachgemäßer Verwendung.
- Informiere dich über die Sicherheitswarnungen und Rückrufinformationen auf der EU Safety Gate Plattform.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Verwende die GRIP INSERTS nur mit dem Ruger LCRX und in der vorgesehenen Weise.
- Achte darauf, dass die Inserts ordnungsgemäß installiert sind, bevor du das Gewehr benutzt.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen und ersetze sie bei Bedarf.
- Bei der Verwendung des Gewehrs solltest du immer geeignete Schutzausrüstung tragen, einschließlich Ohrenschutz und Augenschutz.

Anweisungen zur Installation und Nutzung

1. Installation der GRIP INSERTS:

- Entferne das Gewehr sicher aus dem Schussbetrieb.
- Stelle sicher, dass das Gewehr entladen ist, bevor du mit der Installation beginnst.
- Folge den spezifischen Anweisungen in der Produktverpackung zur korrekten Installation der Inserts.
- Überprüfe, ob die Inserts fest und sicher sitzen.

2. Nutzung der GRIP INSERTS:

- Achte darauf, dass du bei jedem Schuss die richtige Haltung und Technik verwendest.
- Die Inserts sind so konzipiert, dass sie den Rückstoß absorbieren und die Leistung verbessern.
- Vermeide es, die Inserts über ihre Kapazität hinaus zu belasten.

Entsorgungsanweisungen

- Entsorge die GRIP INSERTS gemäß den lokalen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen und ordnungsgemäß recycelt oder entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den entsprechenden Kontakt in deinem Land. Achte darauf, dass alle Anfragen in Bezug auf Sicherheit und Produktinformationen an einen EUbasierten Kontakt gerichtet werden.

Schlussfolgerung

Die GRIP INSERTS sind ein wertvolles Zubehör für deinen Ruger LCRX, das dir helfen kann, die Leistung deines Gewehrs zu optimieren. Indem du diese Sicherheitsrichtlinien befolgst, kannst du eine sichere und effektive Nutzung gewährleisten. Achte darauf, regelmäßig auf Rückrufinformationen zu prüfen und unsichere Produkte umgehend zu melden.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR RUGER LCRX

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ruger LCRX. These grip inserts are designed to enhance the performance of your shooting experience while ensuring safety and reliability. This guide provides essential safety instructions, usage precautions, and disposal information to help you use the product effectively and safely.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always inspect the grip inserts for any signs of damage before use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest, as they can damage your firearm.
- Keep the grip inserts out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted inserts. These can cause destructive recoil energy that may damage your firearm.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they must be controlled. Using the proper grip inserts helps absorb these forces.
- **Inspect Regularly:** Regularly check the condition of the grip inserts. Replace them if they show signs of wear or damage.
- **Follow Testing Guidelines:** When conducting tests, ensure that you mimic humanlike recoil to obtain valid results. Using hard inserts will provide inaccurate data.
- **Beware of Potential Injuries:** Misuse of hard inserts may lead to decreased firearm longevity and could potentially cause injury or death.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and in a safe condition before installing the grip inserts.
- Remove any existing grip inserts from the Ransom Rest.
- Align the new grip inserts with the mounting points on the Ransom Rest.
- Securely fasten the grip inserts according to the manufacturer's specifications.

2. Usage:

- When using the Ransom Rest with the grip inserts, ensure that the firearm is properly seated and secured.
- Monitor the performance of the grip inserts during use. If you notice any abnormal vibrations or recoil, stop using the product immediately.
- After each use, inspect the grip inserts for wear and tear. Replace them if necessary.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly.
- Follow local regulations for the disposal of nonfood products.
- Do not throw grip inserts in regular household waste if they are made from materials that require special disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging. It is essential to have access to support for safety inquiries or product issues.

By following these guidelines, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Thank you for prioritizing safety and responsible usage.

Istruzioni di Sicurezza per l'Utilizzo degli Inserto per Impugnatura RANSOM per RUGER LCRX

Introduzione

Grazie per aver scelto gli Inserto per Impugnatura RANSOM per il tuo RUGER LCRX. Questo prodotto è progettato per migliorare le prestazioni del tuo Master Series Ransom Rest, garantendo un utilizzo sicuro e efficace. È fondamentale seguire le istruzioni di sicurezza per evitare incidenti e garantire la massima funzionalità del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per lo scopo previsto.
- Controlla regolarmente gli inserti per eventuali segni di usura o danni.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Mantieni gli inserti lontano dalla portata di bambini o persone non qualificate.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Utilizzo

- Non utilizzare mai l'inserto se presenta segni di danneggiamento.
- Segui le istruzioni di installazione e utilizzo per garantire una corretta applicazione.
- Utilizza solo gli inserti RANSOM progettati specificamente per il RUGER LCRX.
- Non tentare di modificare o riparare gli inserti in alcun modo.
- In caso di malfunzionamento, interrompi immediatamente l'uso e contatta un esperto.

Istruzioni per l'Installazione e l'Utilizzo

- 1. Preparazione:**
 - Assicurati che l'arma sia scarica e in sicurezza prima di iniziare l'installazione.
- 2. Installazione:**
 - Posiziona l'inserto RANSOM sull'impugnatura del RUGER LCRX.
 - Verifica che l'inserto sia saldamente fissato e non si muova.
- 3. Utilizzo:**
 - Utilizza l'arma secondo le istruzioni del produttore.
 - Monitora costantemente l'inserto per eventuali segni di usura durante l'uso.
- 4. Manutenzione:**
 - Pulisci regolarmente l'inserto per rimuovere polvere e detriti.
 - Sostituisci l'inserto se noti segni di danneggiamento.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti negli scarichi o nei rifiuti domestici.
- Contatta le autorità locali per informazioni sul corretto smaltimento dei materiali.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto, è consigliabile contattare il produttore o consultare le risorse online disponibili.

Segui queste istruzioni con attenzione per garantire un utilizzo sicuro e responsabile degli Inserto per

Impugnatura RANSOM per RUGER LCRX. La tua sicurezza e quella degli altri è la nostra priorità.
