

GRIP INSERTS - RANSOM GRIP INSERTS FOR SIG SAUER P-210

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SIG SAUER P-210
- Manufacturer: RANSOM
- Product no.: 430119428
- Mfr. No.: 30-300-25-01
- Delivery weight: 0.907kg
- UPC: 810132582134

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR SIG SAUER P210

Einführung

Vielen Dank, dass du dich für die RANSOM GRIP INSERTS für deine SIG SAUER P210 entschieden hast. Diese GriffEinsätze sind speziell entwickelt worden, um die Leistung deines Master Series Ransom Rest zu optimieren. Es ist wichtig, die Sicherheitshinweise zu beachten, um eine sichere und effektive Nutzung zu gewährleisten.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die GriffEinsätze nur gemäß den Anweisungen verwendest.
- Überprüfe die Einsätze regelmäßig auf Beschädigungen oder Abnutzung.
- Verwende keine harten oder 3Dgedruckten Einsätze, da diese deinem Gewehr schaden können.
- Halte die Einsätze und das Gewehr außerhalb der Reichweite von Kindern und schutzbedürftigen Personen.
- Melde unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitshinweise zur Nutzung

- Harte Einsätze können destruktive Rückstoßenergie erzeugen, die die Lebensdauer des Gewehrs verringern kann.
- Achte darauf, dass die Einsätze der Härte der menschlichen Hand entsprechen, um präzise Testergebnisse zu erzielen.
- Vermeide es, die Einsätze zu überlasten, indem du die maximal empfohlenen Schusszahlen nicht überschreitest.
- Achte darauf, dass keine Fremdkörper oder Schmutz in die Einsätze gelangen, um eine ordnungsgemäße Funktion zu gewährleisten.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass das Gewehr entladen ist, bevor du die Einsätze installierst.
- Reinige die Kontaktflächen des Gewehrs, um eine optimale Haftung zu gewährleisten.

2. Installation:

- Setze die RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Achte darauf, dass die Einsätze fest und sicher sitzen.

3. Nutzung:

- Beginne mit dem Schießen, indem du die Maschine in der richtigen Position einstellst.
- Achte darauf, die ersten Millisekunden des Schusses zu beobachten, um die Wirkung der Einsätze zu überprüfen.
- Überwache die Rückstoßdynamik und passe die Einsätze bei Bedarf an.

4. Nach dem Gebrauch:

- Reinige die Einsätze nach jedem Gebrauch, um Schmutz und Ablagerungen zu entfernen.
- Überprüfe die Einsätze auf Risse oder andere Beschädigungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Einsätze gemäß den örtlichen Vorschriften für Elektroschrott.
- Stelle sicher, dass die Entsorgung umweltfreundlich erfolgt und keine schädlichen Materialien in die Umwelt gelangen.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder einen autorisierten Händler. Achte darauf, dass alle Sicherheitsfragen und Anliegen zeitnah geklärt werden.

Bitte beachte, dass die Sicherheit deiner Ausrüstung und deiner selbst von größter Bedeutung ist. Halte dich an diese Hinweise, um eine sichere und effektive Nutzung zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR SIG SAUER P210

Introduction

Thank you for choosing the Ransom International Grip Inserts for your SIG Sauer P210. These grip inserts are designed to enhance your shooting experience while ensuring the safety and longevity of your firearm. It is crucial to follow the safety guidelines and instructions provided in this manual to prevent accidents and ensure optimal performance.

General Safety Guidelines

- **Product Safety:** Always ensure the safe use of grip inserts with your firearm. These inserts are designed to minimize recoil and vibration during shooting.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a notice regarding recalls, please follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the platform complies with EU safety requirements.
- **Special Consumer Focus:** Extra care should be taken when using these inserts around vulnerable groups, especially children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Keep updated on product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and lead to unsafe conditions.
- **Understand Recoil Dynamics:** Recognize that recoil and vibration are natural forces. The grip inserts are designed to absorb these forces, protecting both the firearm and the user.
- **Monitor Wear and Tear:** Regularly inspect the grip inserts for signs of wear. Replace them if they become damaged or worn out.
- **Follow Manufacturer Guidelines:** Always adhere to the manufacturer's recommendations for use and maintenance of the grip inserts.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded before installing the grip inserts.
- Carefully remove any existing grip inserts from your firearm.
- Align the new grip inserts with the grip frame of your firearm.
- Securely attach the grip inserts, ensuring they fit snugly without gaps.

2. Usage:

- When using the firearm, maintain a proper grip to ensure maximum absorption of recoil.
- Avoid using the firearm with hard or inappropriate inserts, as this can lead to inaccurate test results and potential damage.
- Regularly practice safe shooting habits and ensure that all users are familiar with the proper handling of the firearm.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local regulations.
- Do not dispose of the inserts in regular household waste. Instead, check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the relevant contact points provided by the manufacturer or retailer.

We hope you enjoy using your Ransom International Grip Inserts for your SIG Sauer P210. Always prioritize safety and follow the guidelines outlined in this manual for the best experience.

Guida alla Sicurezza per GRIP INSERTS RANSOM

GRIP INSERTS PER SIG SAUER P210

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM per il tuo SIG SAUER P210. Questa guida fornisce informazioni importanti sulla sicurezza e sull'uso corretto del prodotto. È fondamentale seguire queste istruzioni per garantire un'esperienza sicura e soddisfacente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i GRIP INSERTS RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare grip insert rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la tua sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro e asciutto, lontano dalla portata di bambini e animali domestici.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip insert che non siano certificati o progettati per il tuo specifico modello di arma.
- Evita di utilizzare grip insert rigidi, poiché possono generare forze di rinculo distruttive che danneggiano l'arma.
- Durante l'uso, assicurati di mantenere una posizione di tiro stabile e sicura.
- Non tentare di modificare o riparare gli insert Ransom da solo.
- Segui sempre le istruzioni del produttore per l'uso corretto e sicuro del prodotto.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che l'arma sia scarica e che non ci siano munizioni nella camera.
2. **Installazione:**
 - Rimuovi eventuali grip insert esistenti dall'arma.
 - Posiziona i GRIP INSERTS RANSOM nell'arma seguendo le istruzioni specifiche per il tuo modello.
 - Assicurati che gli insert siano ben fissati e in posizione corretta.
3. **Uso:**
 - Una volta installati, verifica che gli insert funzionino correttamente durante la sessione di tiro.
 - Monitora le prestazioni e ascolta eventuali vibrazioni anomale.
 - Non utilizzare il prodotto in condizioni estreme o con munizioni non raccomandate.

Istruzioni per lo Smaltimento

- Non gettare i GRIP INSERTS RANSOM con i rifiuti domestici.
- Segui le normative locali per lo smaltimento dei materiali di plastica e dei componenti dell'arma.
- Contatta un centro di smaltimento autorizzato per garantire che il prodotto venga smaltito in modo sicuro e responsabile.

Informazioni di Contatto per Ulteriori Supporto

Per domande o preoccupazioni riguardanti i GRIP INSERTS RANSOM, ti invitiamo a contattare il supporto clienti dell'azienda. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti per ricevere assistenza.

Seguendo queste linee guida, puoi garantire un uso sicuro e efficace dei GRIP INSERTS RANSOM per il tuo SIG

SAUER P210. La tua sicurezza è la nostra priorità.
