

GRIP INSERTS - RANSOM GRIP INSERTS FOR RUGER NEW VAQUERO BIRDS HEAD

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR RUGER NEW VAQUERO BIRDS HEAD
- Manufacturer: RANSOM
- Product no.: 430119429
- Mfr. No.: 30-300-23-33
- Delivery weight: 0.907kg
- UPC: 810132581991

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR RUGER NEW VAQUERO BIRDS HEAD

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für deinen Ruger New Vaquero Birds Head! Diese Inserts sind darauf ausgelegt, die Leistung deines Schießgeräts zu verbessern und gleichzeitig die Sicherheit zu gewährleisten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere und effektive Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit den empfohlenen Schießgeräten verwendest.
- Bewahre die Inserts außerhalb der Reichweite von Kindern auf.
- Überprüfe regelmäßig die Inserts auf Beschädigungen und tausche sie bei Bedarf aus.
- Verwende die Inserts nicht, wenn sie sichtbare Risse oder andere Schäden aufweisen.
- Halte dich an die Anweisungen zur Installation und Nutzung, um Verletzungen zu vermeiden.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoff Inserts, da diese deinem Gewehr schaden können.
- Harte Inserts können destruktive Rückstoßenergie erzeugen, die das Gewehr beschädigen kann.
- Achte darauf, dass die Inserts die Duometrie der menschlichen Hand nachahmen, um korrekte Testergebnisse zu gewährleisten.
- Nutze die Inserts nur in Kombination mit dem Ransom Rest, um optimale Ergebnisse zu erzielen.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Entferne die alten Inserts vorsichtig aus dem Ransom Rest.
- Setze die neuen GRIP INSERTS RANSOM in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen.

2. Nutzung der Inserts:

- Stelle das Gewehr in den Ransom Rest ein.
- Achte darauf, dass die Inserts korrekt positioniert sind, um den Rückstoß abzufangen.
- Führe Schüsse nur ab, wenn du sicher bist, dass die Inserts richtig installiert sind.

3. Wartung:

- Überprüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen.
- Reinige die Inserts nach jedem Gebrauch, um Schmutz und Rückstände zu entfernen.
- Lagere die Inserts an einem trockenen und sicheren Ort.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den lokalen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts nicht im normalen Haushaltsmüll landen, wenn sie als gefährlich eingestuft

werden.

Kontaktinformationen für weitere Unterstützung

Für Fragen zu Sicherheit und Nutzung der GRIP INSERTS RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler, um Unterstützung zu erhalten.

Wichtiger Hinweis

Ob destruktive Tests oder Genauigkeitstests, du musst den Menschen nachahmen, sonst ist dein Test fehlerhaft. Sei vorsichtig: Viele haben es versucht und viele haben auf die harte Tour gelernt. Verwende keine harten oder 3Dgedruckten Inserts!

Bitte beachte diese Sicherheitshinweise, um eine optimale Nutzung deiner GRIP INSERTS zu gewährleisten und mögliche Gefahren zu vermeiden.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR RUGER NEW VAQUERO BIRDS HEAD

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Ransom Rest. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the grip inserts.

General Safety Guidelines

- Always use the grip inserts as intended and follow the manufacturer's instructions.
- Ensure that the grip inserts are compatible with your specific firearm model.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as these can damage your firearm and produce inaccurate test results.
- Regularly inspect the grip inserts for wear and tear, and replace them if they show signs of damage.
- Keep the grip inserts out of reach of children and vulnerable individuals to prevent accidents.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may damage your firearm. They do not replicate humanlike recoil, leading to flawed test data.
- **Recoil Management:** Understand that vibration and recoil are natural forces that cannot be stopped. Use the grip inserts to absorb these forces rather than allowing them to transfer into the gun.
- **Regular Maintenance:** Regularly check the condition of the grip inserts to ensure they are functioning correctly. Replace any inserts that are worn or damaged.
- **Testing Protocols:** When conducting tests, ensure that you are mimicking humanlike handling to obtain accurate results. Hard or 3Dprinted inserts will not provide reliable data.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Ransom Rest is stable and securely positioned.
- Remove any existing grip inserts from the Ransom Rest.
- Align the Ransom grip inserts with the designated slots in the Ransom Rest.
- Firmly press the inserts into place until they are securely fitted.

2. Usage:

- Place your firearm in the Ransom Rest, ensuring that it is properly secured.
- Conduct your tests following standard safety protocols for handling firearms.
- Monitor the condition of the grip inserts during and after use to ensure they are functioning as intended.

3. PostUse Care:

- After use, carefully remove the grip inserts from the Ransom Rest.
- Clean the inserts according to the manufacturer's recommendations.
- Store the grip inserts in a safe, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste if they are made of materials that are not biodegradable.
- Check with local authorities for proper disposal methods for plastic and synthetic materials.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging or on their official website.

Please ensure that you adhere strictly to these safety guidelines and instructions to maximize the performance of your Ransom grip inserts and ensure safe usage of your firearm. Thank you for your attention to safety.

Guida alla Sicurezza per gli Inserti GRIP RANSOM per Ruger New Vaquero Birds Head

Introduzione

Grazie per aver scelto gli inserti GRIP RANSOM per il tuo Ruger New Vaquero Birds Head. Questa guida fornisce importanti informazioni sulla sicurezza, l'installazione e l'uso corretto del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'Unione Europea (GPSR).

Linee Guida Generali sulla Sicurezza

- Utilizza sempre gli inserti GRIP RANSOM come indicato in questa guida per garantire un utilizzo sicuro.
- Non utilizzare inserti rigidi o stampati in 3D. Questi possono danneggiare l'arma e compromettere la tua sicurezza.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Se noti qualsiasi anomalia, interrompi immediatamente l'uso e contatta un professionista.
- Assicurati di utilizzare il prodotto in un ambiente sicuro e controllato.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni. Non tentare di modificare o alterare il prodotto.
- Assicurati che gli inserti siano installati correttamente prima di ogni utilizzo.
- Non utilizzare gli inserti se non si è certi della loro integrazione con il tuo sistema di tiro.
- Mantieni gli inserti lontano dalla portata di bambini e animali domestici.
- Non utilizzare gli inserti per scopi diversi da quelli previsti.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi gli inserti vecchi (se presenti) e pulisci l'area di installazione.
- Segui le istruzioni del produttore per installare gli inserti GRIP RANSOM, assicurandoti che siano fissati saldamente.
- Verifica che gli inserti siano allineati correttamente e che non ci siano spazi vuoti.

2. Uso:

- Posiziona l'arma con gli inserti installati su una superficie stabile e sicura.
- Assicurati di avere una presa salda sull'arma durante il tiro.
- Monitora costantemente il comportamento dell'arma durante l'uso; se noti vibrazioni eccessive o movimenti anomali, interrompi l'uso immediatamente.
- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Gli inserti GRIP RANSOM non devono essere smaltiti con i rifiuti domestici.
- Segui le normative locali per lo smaltimento dei rifiuti di prodotti di armamento e accessori.
- Contatta un centro di raccolta locale per informazioni sullo smaltimento sicuro.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori domande o per assistenza, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e qualsiasi altra informazione pertinente riguardo al tuo prodotto.

Avvertenze Finali

- Ricorda che la sicurezza è la tua responsabilità. Segui sempre queste linee guida per garantire un uso sicuro e responsabile degli inserti GRIP RANSOM.
- In caso di incidenti o situazioni pericolose, contatta immediatamente le autorità competenti.
- Controlla regolarmente gli aggiornamenti sui prodotti e le eventuali segnalazioni di richiamo attraverso il sistema Safety Gate dell'UE.

Grazie per aver scelto i nostri prodotti e per aver contribuito a un utilizzo sicuro e responsabile.
