

GRIP INSERTS - RANSOM GRIP INSERTS P226 SELECT,NITRON,CLASSIC,MK25 W/GRIP PANELS

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS P226 SELECT,NITRON,CLASSIC,MK25 W/GRIP PANELS
- Manufacturer: RANSOM
- Product no.: 430119437
- Mfr. No.: 30-300-25-04-WG
- Delivery weight: 0.907kg
- UPC: 810132582189

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die Verwendung von GRIP INSERTS RANSOM GRIP INSERTS P226 SELECT, NITRON, CLASSIC, MK25 W/GRIP PANELS

Einführung

Die RANSOM INTERNATIONAL GRIP INSERTS sind speziell entwickelt, um die Leistung deiner Master Series Ransom Rest zu maximieren. Diese Anleitung bietet wichtige Sicherheitsinformationen, um eine sichere Verwendung der Grip Inserts zu gewährleisten und potenzielle Gefahren zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Grip Inserts nur gemäß den Anweisungen verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deiner Waffe schaden können.
- Berücksichtige, dass die Inserts so konzipiert sind, dass sie die Durometrie der menschlichen Hand nachahmen und somit eine sichere Anwendung gewährleisten.
- Achte darauf, dass die Inserts regelmäßig auf Verschleiß überprüft werden, um eine optimale Leistung sicherzustellen.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Harte Inserts können zerstörerische Rückstoßenergie erzeugen, die den Rahmen und den Lauf deiner Waffe schädigen kann.
- **Beobachte die Vibrationen:** Die Inserts absorbieren die ersten Millisekunden des Schusses, bevor die Maschine mechanisch zurückschlägt. Dies ist wichtig, um die Rückstoßkräfte zu kontrollieren.
- **Achte auf die richtige Installation:** Stelle sicher, dass die Inserts korrekt installiert sind, um eine ordnungsgemäße Funktion zu gewährleisten.
- **Verwende nur zugelassene Produkte:** Nutze nur die RANSOM Grip Inserts und vermeide andere Produkte, die nicht den Sicherheitsstandards entsprechen.

Anweisungen zur Installation und Verwendung

1. **Vorbereitung:** Stelle sicher, dass deine Waffe in einem sicheren Zustand ist, bevor du mit der Installation beginnst.
2. **Installation der Inserts:**
 - Entferne die bestehenden Inserts gemäß den Herstelleranweisungen.
 - Setze die neuen RANSOM Grip Inserts vorsichtig ein und stelle sicher, dass sie fest sitzen.
 - Überprüfe die korrekte Ausrichtung der Inserts, um eine optimale Leistung zu gewährleisten.
3. **Verwendung:**
 - Teste die Waffe in einem sicheren und kontrollierten Umfeld, um sicherzustellen, dass die Inserts korrekt funktionieren.
 - Achte auf ungewöhnliche Vibrationen oder Geräusche während des Gebrauchs und überprüfe die Inserts regelmäßig.

Entsorgungsanweisungen

- Entsorge alte oder beschädigte Inserts gemäß den örtlichen Vorschriften für Elektronik und Kunststoffabfälle.
- Stelle sicher, dass alle Teile sicher entsorgt werden, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den RANSOM Grip Inserts wende dich bitte an den Hersteller oder deinen Fachhändler.

Schlussfolgerung

Die Verwendung der RANSOM Grip Inserts kann die Leistung deiner Waffe erheblich verbessern, wenn sie ordnungsgemäß verwendet werden. Befolge diese Sicherheitsrichtlinien, um sicherzustellen, dass deine Erfahrungen positiv und sicher sind. Achte immer darauf, die Inserts regelmäßig zu überprüfen und bei Fragen oder Anliegen Unterstützung zu suchen.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS P226 SELECT, NITRON, CLASSIC, MK25 W/GRIP PANELS

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. These inserts are designed to provide a safe and effective way to conduct shooting tests. This guide will help you understand how to use the product safely and effectively while ensuring compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the Grip Inserts are compatible with your specific firearm model before use.
- Always follow the manufacturer's instructions when using the Ransom Rest and Grip Inserts.
- Regularly inspect the inserts for wear or damage before each use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can cause damage to your firearm.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted inserts, as they can generate destructive recoil energy that may damage your firearm.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. The inserts are designed to absorb these forces, mimicking the human hand.
- **Inspect for Damage:** Before each use, ensure that the grip inserts are free from cracks or other damage.
- **Use Properly:** Always install and use the grip inserts according to the provided instructions to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the Ransom Rest is in a stable position before attaching the grip inserts.
- Align the grip inserts with the firearm's grip area, ensuring a snug fit.
- Secure the inserts according to the manufacturer's instructions, making sure they are firmly in place.

2. Usage:

- Place the firearm into the Ransom Rest with the installed grip inserts.
- Ensure that the rest is properly adjusted for your shooting needs.
- Conduct your shooting tests, monitoring for any unusual vibrations or movements.
- After use, carefully remove the firearm and inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not throw the inserts into regular trash if they are made of materials that require special disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom Grip Inserts, please refer to the manufacturer's customer support resources.

By following these guidelines and precautions, you will ensure the safe and effective use of the Ransom International Grip Inserts. Always prioritize safety and proper handling to enhance your shooting experience.

Guida alle Istruzioni di Sicurezza per gli Inserto Grip RANSOM

Introduzione

Grazie per aver scelto gli Inserto Grip RANSOM per il tuo Master Series Ransom Rest. Questa guida fornisce informazioni essenziali per garantire un uso sicuro e corretto del prodotto, in conformità con le normative di sicurezza dell'Unione Europea. È fondamentale seguire queste istruzioni per ridurre al minimo i rischi e garantire la tua sicurezza e quella degli altri.

Linee Guida Generali di Sicurezza

- Utilizzare solo gli Inserto Grip RANSOM progettati specificamente per il Master Series Ransom Rest.
- Non utilizzare inserti grip rigidi o inserti grip in plastica stampati in 3D, in quanto possono danneggiare l'arma e causare infortuni.
- Prestare attenzione ai segnali di usura o danni sugli inserti e sostituirli se necessario.
- Tenere gli inserti e l'arma lontano dalla portata di bambini e gruppi vulnerabili.
- Segnalare eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserti.
- Non utilizzare gli inserti in condizioni di umidità o in presenza di sostanze chimiche aggressive.
- Seguire le istruzioni per l'installazione e l'uso fornite in questa guida.
- Non tentare di modificare o riparare gli inserti in modo non autorizzato.
- Utilizzare sempre gli inserti in un ambiente controllato e sicuro.

Istruzioni per l'Installazione e l'Uso

1. Preparazione dell'arma:

- Assicurati che l'arma sia completamente scarica.
- Controlla che non ci siano munizioni nella camera o nel caricatore.

2. Installazione degli Inserto Grip:

- Rimuovi eventuali inserti precedenti, se presenti.
- Posiziona l'inserto grip RANSOM sull'arma, assicurandoti che sia allineato correttamente.
- Fissa l'inserto secondo le istruzioni specifiche fornite con il prodotto, assicurandoti che sia ben saldo.

3. Utilizzo degli Inserto Grip:

- Utilizza l'arma come indicato nelle istruzioni del produttore.
- Monitora le prestazioni dell'inserto grip durante l'uso. Se noti vibrazioni eccessive o altri problemi, interrompi immediatamente l'uso.

4. Rimozione degli Inserto Grip:

- Assicurati che l'arma sia scarica prima di rimuovere l'inserto.
- Segui le istruzioni per la rimozione fornite con il prodotto.

Istruzioni per lo Smaltimento

- Gli Inserto Grip RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel fuoco o in acqua.
- Contatta il tuo comune per informazioni sulle procedure di smaltimento corrette.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni sulla sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti quando richiedi supporto.

Seguendo queste istruzioni e linee guida, puoi garantire un utilizzo sicuro e efficace degli Inserto Grip RANSOM, contribuendo a mantenere la tua sicurezza e quella degli altri.
