

GRIP INSERTS - RANSOM GRIP INSERTS FOR CZ.99/KSN.GOLAN/SIG SAUER.P228,P229

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR CZ.99/KSN.GOLAN/SIG SAUER.P228,P229
- Manufacturer: RANSOM
- Product no.: 430119438

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM INTERNATIONAL GRIP INSERTS für CZ.99/KSN.GOLAN/SIG SAUER P228/P229. Diese Inserts sind speziell entwickelt, um deine Waffe optimal zu schützen und die Testergebnisse zu verbessern. Bitte lies diese Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du das Produkt sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- **Produktsicherheit:** Die RANSOM Grip Inserts sind sicher in der Verwendung, wenn sie gemäß den Anweisungen eingesetzt werden. Sie sind darauf ausgelegt, die Rückstoßenergie zu absorbieren und Schäden an deiner Waffe zu vermeiden.
- **OnlineShopping:** Bei OnlineKäufen gelten die gleichen Sicherheitsstandards wie bei physischen Geschäften. Stelle sicher, dass du beim Kauf von Grip Inserts auf vertrauenswürdige Anbieter achtest.
- **Besondere Verbraucherklassifizierung:** Diese Inserts sind nicht für Kinder geeignet. Halte sie außerhalb der Reichweite von Kindern.
- **EUKontaktstelle:** Bei Fragen zur Produktsicherheit wende dich bitte an die entsprechende EUKontaktstelle.
- **Schnelle Warnungen:** Informiere dich regelmäßig über Rückrufaktionen und Sicherheitswarnungen über die EUSicherheitsplattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende **keine** harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese die Waffe schädigen können.
- Achte darauf, dass die Inserts ordnungsgemäß in die Waffe eingesetzt sind, um eine optimale Leistung zu gewährleisten.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigung, um sicherzustellen, dass sie weiterhin effektiv sind.
- Bei Anzeichen von Schäden an der Waffe oder den Inserts, stoppe sofort die Nutzung und kontaktiere einen Fachmann.

Anweisungen für Installation und Nutzung

- **Installation:**
 1. Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation der Grip Inserts beginnst.
 2. Entferne die bestehenden Inserts vorsichtig, falls vorhanden.
 3. Setze die RANSOM Grip Inserts gemäß den Anweisungen des Herstellers ein.
 4. Überprüfe, ob die Inserts sicher und fest sitzen.
- **Nutzung:**
 - Nutze die Waffe nur in Kombination mit den RANSOM Grip Inserts, um die besten Ergebnisse zu erzielen.
 - Achte darauf, dass du beim Schießen eine korrekte Haltung einnimmst, um die Rückstoßkontrolle zu optimieren.
 - Lass die Maschine nicht ohne die Inserts arbeiten, da dies zu ungenauen Testergebnissen führen kann.

Entsorgungsanweisungen

- Entsorge die Grip Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass du alte oder beschädigte Inserts sicher entsorgst, um Umweltverschmutzung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zur Sicherheit deiner RANSOM Grip Inserts, wende dich bitte an die zuständige EUKontaktstelle oder an den Anbieter, bei dem du das Produkt erworben hast.

Bitte beachte diese Sicherheitshinweise, um die optimale Leistung deiner RANSOM Grip Inserts sicherzustellen und mögliche Schäden an deiner Waffe zu vermeiden.

GRIP INSERTS RANSOM GRIP INSERTS FOR CZ.99/KSN.GOLAN/SIG SAUER.P228,P229 Safety Instruction Guide

Introduction

Thank you for choosing Ransom International Grip Inserts for your firearm. These inserts are designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. However, it is crucial to use these products safely and correctly to avoid potential hazards. This guide provides essential safety instructions and guidelines for the proper use of your grip inserts.

General Safety Guidelines

- **Product Safety:** Ensure that you understand the safe use of the grip inserts. These inserts are intended for use with your Master Series Ransom Rest only.
- **Enhanced Recalls:** Stay informed about any recall notices and safety updates related to this product.
- **Online Shopping:** Ensure that you purchase from authorized retailers to guarantee product safety and compliance with EU regulations.
- **Special Consumer Focus:** These inserts are not suitable for children. Ensure that they are kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to your local EU contact point.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and may lead to serious injury.
- **Recoil Management:** Understand that vibration and recoil cannot be eliminated but can be controlled. Use inserts that absorb these forces effectively.
- **Regular Inspections:** Frequently inspect your grip inserts for wear and tear. Replace them if they show signs of damage.
- **Proper Handling:** Always handle your firearm with care, ensuring that it is unloaded when installing or adjusting the grip inserts.
- **Follow Manufacturer Guidelines:** Adhere strictly to the instructions provided by Ransom International regarding the use of the grip inserts.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Installation:

- Remove any existing grip inserts from your firearm.
- Align the Ransom grip inserts with the grip frame of your firearm.
- Securely attach the inserts according to the manufacturer's instructions, ensuring they fit snugly without gaps.

3. Usage:

- Once installed, test the grip inserts by firing a few rounds in a controlled environment.
- Monitor for any unusual vibrations or movements during firing. If you notice any issues, cease use immediately and inspect the inserts.

4. Maintenance:

- Clean the grip inserts regularly to maintain their effectiveness.
- Store the inserts in a dry and safe place when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw them in regular trash if they are considered hazardous waste in your area.
- Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of Ransom grip inserts, please refer to your local retailer or the Ransom International website for further assistance. Always ensure that you are following the latest safety guidelines and product updates.

By following these safety instructions, you can ensure a safer and more effective use of your Ransom grip inserts. Remember, safety is paramount when handling firearms and related accessories. Thank you for prioritizing safety in your shooting practices.

Guida alla Sicurezza per gli Inserti GRIP RANSOM per CZ.99/KSN.GOLAN/SIG SAUER P228/P229

Introduzione

Benvenuto nella guida alla sicurezza per gli Inserti GRIP RANSOM progettati per le armi CZ.99, KSN.GOLAN e SIG SAUER P228/P229. Questa guida fornisce informazioni importanti per garantire un uso sicuro e corretto del prodotto, in conformità con le normative di sicurezza dell'Unione Europea.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare gli inserti GRIP RANSOM solo con il tuo Master Series Ransom Rest.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma.
- Segui sempre le istruzioni per l'installazione e l'uso fornite in questa guida.
- Verifica regolarmente la presenza di eventuali segni di usura o danni sugli inserti.
- Conserva gli inserti in un luogo sicuro e lontano dalla portata di bambini o persone non autorizzate.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire il rinculo e le vibrazioni in modo simile alla mano umana.
- Non utilizzare gli inserti se noti segni di usura o danni.
- Non tentare di modificare o riparare gli inserti. Se danneggiati, sostituiscili immediatamente.
- Non utilizzare il Ransom Rest con inserti che non siano progettati specificamente per il tuo modello di arma.
- In caso di malfunzionamento dell'arma, interrompi immediatamente l'uso e consulta un esperto.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi gli inserti esistenti dal tuo Master Series Ransom Rest.
- Pulisci l'area di montaggio per rimuovere polvere e detriti.
- Inserisci gli inserti GRIP RANSOM nel supporto, assicurandoti che siano saldamente fissati.
- Controlla che non ci siano spazi vuoti o movimenti eccessivi.

2. Uso degli Inserti:

- Posiziona l'arma correttamente nel Ransom Rest.
- Assicurati che gli inserti siano in contatto diretto con l'arma.
- Esegui i tuoi test di tiro seguendo le procedure standard di sicurezza.
- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura.

Istruzioni per lo Smaltimento

- Gli inserti GRIP RANSOM non devono essere smaltiti con i rifiuti domestici.
- Segui le normative locali per il corretto smaltimento dei materiali plastici.
- Contatta un centro di raccolta rifiuti per informazioni su come smaltire correttamente il prodotto.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso degli Inserti GRIP RANSOM, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e le informazioni sull'acquisto.

Conclusione

Seguendo queste linee guida di sicurezza, puoi garantire un utilizzo sicuro e efficace degli Inserti GRIP RANSOM. Ricorda sempre di prestare attenzione alla manutenzione e alla sostituzione degli inserti per preservare la funzionalità e la sicurezza della tua arma.
