

GRIP INSERTS - RANSOM GRIP INSERTS FOR SIG SAUER P245

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SIG SAUER P245
- Manufacturer: RANSOM
- Product no.: 430119442
- Mfr. No.: 30-300-25-09
- Delivery weight: 0.907kg
- UPC: 810132582240

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS

RANSOM GRIP INSERTS für SIG SAUER P245

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für den SIG SAUER P245. Diese Inserts sind dafür konzipiert, dein Schießerlebnis zu verbessern und präzise Ergebnisse zu liefern. Um sicherzustellen, dass du die Inserts sicher und effektiv nutzt, haben wir diese Sicherheitshinweise erstellt. Bitte lies sie sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzung.
- Verwende die Inserts nur in Verbindung mit dem Master Series Ransom Rest.
- Halte die Inserts von Kindern fern, um Verletzungen zu vermeiden.
- Achte darauf, dass die Inserts korrekt installiert sind, um die Funktionalität zu gewährleisten.
- Informiere dich über Rückrufe und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoffgriffe, da diese die Waffe beschädigen können.
- Achte darauf, dass die Inserts die Rückstoßkräfte korrekt absorbieren, um präzise Ergebnisse zu gewährleisten.
- Vermeide den Kontakt mit scharfen Gegenständen, die die Inserts beschädigen könnten.
- Verwende die Inserts nur in einem sicheren und kontrollierten Umfeld.

Anweisungen für Installation und Verwendung

1. Installation der Inserts:

- Stelle sicher, dass der Ransom Rest auf einer stabilen und ebenen Fläche steht.
- Setze die Inserts vorsichtig in die vorgesehenen Halterungen ein, bis sie sicher sitzen.
- Überprüfe, ob die Inserts fest und ohne Spiel sitzen.

2. Verwendung der Inserts:

- Positioniere die Waffe sicher im Ransom Rest.
- Achte darauf, dass die Inserts korrekt ausgerichtet sind, um optimale Dämpfung zu gewährleisten.
- Führe deine Schießübungen wie gewohnt durch und achte auf die Rückmeldung der Waffe.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen, um Schäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder den Händler, bei dem du die GRIP INSERTS erworben hast.

Bitte beachte, dass die Sicherheit deiner Waffe und deiner Schießerfahrung von der korrekten Verwendung und Pflege dieser Inserts abhängt. Halte dich an diese Sicherheitsrichtlinien, um ein sicheres und effektives

Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR SIG SAUER P245

Introduction

Thank you for choosing the Ransom International Grip Inserts for your SIG Sauer P245. These grip inserts are designed to enhance your shooting experience by closely mimicking the feel and function of the human hand. To ensure safe and effective use, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or removing grip inserts.
- Never use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest. These inserts can damage your firearm and produce inaccurate test results.
- Be aware that using inappropriate grip inserts may lead to increased wear on your firearm, potentially resulting in injury or malfunction.
- Regularly check for updates on product safety and recalls through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Using hard or poorly engineered grip inserts can lead to destructive recoil energy, damaging the gun and affecting test accuracy.
- **Correct Handling:** Always handle your firearm and the Ransom Rest with care to prevent accidents.
- **Observe Vibration and Recoil:** Understand that vibration and recoil cannot be eliminated; they can only be controlled. The grip inserts are designed to absorb these forces.
- **Monitor Wear and Tear:** Inspect your grip inserts regularly for signs of damage or wear. Replace them as necessary to maintain safety and performance.
- **Vulnerable Groups:** Keep the product out of reach of children and individuals who may not understand its proper use.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded.
- Remove any existing grip inserts from the Ransom Rest.
- Align the Ransom Grip Inserts with the designated slots in the Ransom Rest.
- Firmly press the inserts into place until they are secure.

2. Usage:

- Place your firearm in the Ransom Rest, ensuring it is stable and secure.
- Fire the weapon in a controlled environment, observing how the grip inserts absorb recoil.
- Keep an eye on the performance of the inserts during use, noting any irregularities.

3. PostUse Care:

- After use, inspect the grip inserts for any signs of damage or excessive wear.
- Clean the inserts according to the manufacturer's recommendations to maintain their integrity.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste if they contain materials that may be hazardous.
- Check with local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the Ransom Grip Inserts, please reach out to the appropriate EU-based contact point or refer to the manufacturer's website for additional resources.

By following these guidelines, you can ensure the safe and effective use of your Ransom Grip Inserts, enhancing your shooting experience while protecting your firearm. Always prioritize safety and stay informed about product updates.

Guida alla Sicurezza per il Prodotto: GRIP INSERTS RANSOM per SIG SAUER P245

Introduzione

Benvenuto nella guida alla sicurezza per gli inserti grip RANSOM progettati per il SIG SAUER P245. Questo documento ti fornirà informazioni importanti per garantire un uso sicuro e corretto del prodotto, in conformità con le normative di sicurezza dell'Unione Europea.

Linee Guida Generali sulla Sicurezza

- Utilizza sempre gli inserti grip RANSOM come indicato nelle istruzioni.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D.
- Segnala eventuali prodotti difettosi o incidenti alle autorità competenti.
- Controlla regolarmente il portale Safety Gate dell'UE per aggiornamenti su richiami di prodotti.

Precauzioni di Sicurezza Specifiche per l'Uso

• Identificazione dei Rischi:

- L'uso di grip inserts rigidi può danneggiare l'arma e compromettere la sicurezza.
- Le vibrazioni e il rinculo possono causare infortuni se non controllati adeguatamente.

• Istruzioni per Evitare i Rischi:

- Assicurati di utilizzare solo gli inserti grip RANSOM progettati specificamente per il tuo Master Series Ransom Rest.
- Non tentare di utilizzare inserti non approvati, poiché possono compromettere i risultati dei test e la sicurezza dell'arma.

• Avvertenze per Pubblico Specifico:

- Questo prodotto non è destinato all'uso da parte di bambini o persone vulnerabili senza supervisione adeguata.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in una posizione sicura prima di iniziare l'installazione.

2. Installazione:

- Segui le istruzioni fornite con il prodotto per installare correttamente gli inserti grip RANSOM.
- Verifica che gli inserti siano saldamente fissati e che non ci siano parti allentate.

3. Uso:

- Utilizza il Master Series Ransom Rest con gli inserti grip RANSOM per eseguire test di tiro.
- Monitora le prestazioni durante l'uso e verifica eventuali segni di usura o danno agli inserti.

Istruzioni per lo Smaltimento

- Gli inserti grip RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nella spazzatura comune; verifica se ci sono programmi di riciclaggio disponibili nella tua area.

Informazioni di Contatto per Ulteriore Supporto

- Per qualsiasi domanda o preoccupazione riguardante la sicurezza del prodotto, contatta il servizio clienti di RANSOM INTERNATIONAL tramite i canali ufficiali.

Assicurati di seguire queste linee guida per garantire la tua sicurezza e quella degli altri durante l'uso degli inserti grip RANSOM per SIG SAUER P245. La tua sicurezza è la nostra priorità.
