

GRIP INSERTS - RANSOM GRIP INSERTS FOR HAMMERLI XESSE/ SIG SAUER TRAILSIDE

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR HAMMERLI XESSE/ SIG SAUER TRAILSIDE
- Manufacturer: RANSOM
- Product no.: 430119443
- Mfr. No.: 30-300-25-10
- Delivery weight: 0.907kg
- UPC: 810132582295

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR HAMMERLI XESSE / SIG SAUER TRAILSIDE

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS. Diese Inserts sind speziell für den Master Series Ransom Rest konzipiert und bieten eine sichere und effektive Möglichkeit, deine Waffe zu stabilisieren. Diese Anleitung enthält wichtige Informationen zur sicheren Verwendung, Installation und Entsorgung der Inserts.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur in kompatiblen Waffen verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoff Inserts, da diese deiner Waffe schaden können.
- Achte darauf, dass die Inserts ordnungsgemäß installiert sind, um Verletzungen zu vermeiden.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern.

Besondere Sicherheitsvorkehrungen bei der Verwendung

- Sei dir bewusst, dass harte Inserts destruktive Rückstoßenergie erzeugen können, die deiner Waffe schadet.
- Achte darauf, dass die Inserts der DurometerHärte der menschlichen Hand entsprechen, um optimale Ergebnisse zu erzielen.
- Vermeide es, die Waffe zu benutzen, wenn du Anzeichen von Schäden an den Inserts bemerkst.
- Halte dich an die Bedienungsanleitung der Waffe und die spezifischen Anweisungen für die Verwendung der Inserts.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass die Waffe entladen ist und sich in einem sicheren Zustand befindet.
- Überprüfe, ob die Inserts unbeschädigt sind.

2. Installation der Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen GRIP INSERTS vorsichtig an die vorgesehenen Stellen ein.
- Achte darauf, dass die Inserts fest sitzen und keine Lücken bestehen.

3. Nutzung der Waffe:

- Halte die Waffe mit beiden Händen und achte darauf, dass deine Finger nicht im Bereich des Abzugs sind, bis du bereit bist zu schießen.
- Achte beim Schießen auf eine korrekte Körperhaltung, um den Rückstoß besser kontrollieren zu können.

4. Nach dem Gebrauch:

- Reinige die Inserts und die Waffe gemäß den Herstelleranweisungen.
- Überprüfe die Inserts auf Abnutzung und ersetze sie bei Bedarf.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und anderen Materialien.
- Informiere dich über Recyclingmöglichkeiten in deiner Nähe, um die Umwelt zu schonen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Achte darauf, dass du alle Sicherheitsrichtlinien befolgst, um die Sicherheit bei der Verwendung deiner Waffe zu gewährleisten.

Bitte beachte, dass diese Sicherheitshinweise nicht alle möglichen Risiken abdecken können. Es liegt in deiner Verantwortung, sicherzustellen, dass du die Waffe und die Inserts verantwortungsbewusst und sicher verwendest.

GRIP INSERTS RANSOM GRIP INSERTS FOR HAMMERLI XESSE/ SIG SAUER TRAILSIDE Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Hammerli Xesse or Sig Sauer Trailside. This guide provides essential safety instructions to ensure the safe and effective use of the grip inserts. Please read this guide carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of the grip inserts by following all guidelines outlined in this document. These grips are designed to enhance your shooting experience while minimizing risks.
- **Enhanced Recalls:** Stay informed about any recall notices. If you receive a recall notice, please follow the instructions provided.
- **Online Shopping:** If you purchased this product online, know that you have the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored safely out of their reach.
- **EU Contact Point:** For any safety inquiries, please refer to your local EU consumer protection authority.
- **Rapid Alerts:** Use the Safety Gate system to stay updated on any unsafe products.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest. These can damage your firearm and invalidate test data.
- **Understand Recoil Dynamics:** Recognize that using hard inserts may lead to increased recoil energy that can harm your gun over time.
- **Monitor for Damage:** Be aware that damage from using inappropriate inserts may not be immediately visible but can accumulate with each shot.
- **Use Inserts Correctly:** Ensure that the grip inserts are properly installed and maintained to absorb recoil effectively.
- **Follow Testing Protocols:** Always mimic humanlike handling during testing to ensure accurate results.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from your firearm.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the Ransom grip inserts with the grip area of your firearm.
- Securely attach the inserts to the grip, ensuring a snug fit.

2. Usage:

- Use the grip inserts during all shooting sessions to absorb recoil effectively.
- Regularly check the condition of the grip inserts for wear and tear.
- Replace grip inserts if they show signs of damage or degradation.

Disposal Instructions

- Dispose of any old or damaged grip inserts in accordance with local waste disposal regulations. Do not throw them in regular household waste if they are made of materials that require special handling.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom International Grip Inserts, please consult your local EU consumer protection authority or the retailer from whom you purchased the product.

By adhering to these guidelines, you can ensure a safe and effective experience with your Ransom grip inserts. Thank you for your attention to safety.

Guida alla Sicurezza per i Grip Inserts Ransom per Hammerli Xesse/Sig Sauer Trailside

Introduzione

Grazie per aver scelto i grip inserts Ransom per il tuo sistema di supporto di tiro. Questi inserti sono progettati per migliorare la precisione e la performance del tuo Master Series Ransom Rest. È importante seguire le linee guida di sicurezza per garantire un utilizzo corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo grip inserts Ransom. L'uso di inserti rigidi o stampati in 3D può danneggiare l'arma.
- Leggi attentamente tutte le istruzioni prima dell'uso.
- Conserva il prodotto in un luogo asciutto e sicuro, lontano dalla portata di bambini e animali.
- Segnala eventuali prodotti difettosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono generare energia di rinculo distruttiva.
- Gli inserti devono essere utilizzati solo con armi compatibili.
- Assicurati che l'inserto sia correttamente installato e fissato prima di ogni utilizzo.
- Evita di sovraccaricare il sistema di supporto di tiro.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi eventuali inserti esistenti dal supporto.
- Pulisci l'area di contatto per garantire una buona adesione.
- Posiziona il grip insert Ransom nell'area designata.
- Assicurati che l'inserto sia ben fissato e stabile.

2. Uso:

- Posiziona l'arma sul supporto di tiro con l'inserto installato.
- Verifica che l'arma sia in posizione di batteria abbassata e che il carrello sia bloccato.
- Effettua il tiro seguendo le procedure di sicurezza standard per l'uso delle armi.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei prodotti non più utilizzabili.
- Non gettare i grip inserts nella spazzatura normale. Contatta un centro di raccolta locale per indicazioni sullo smaltimento corretto.

Informazioni di Contatto per Ulteriore Supporto

Per domande o preoccupazioni relative alla sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti sul prodotto.

Nota Importante: Questa guida è fornita per garantire un utilizzo sicuro e responsabile dei grip inserts Ransom. Seguire queste istruzioni contribuirà a garantire la tua sicurezza e quella degli altri durante l'uso del

prodotto.
