

GRIP INSERTS - RANSOM GRIP INSERTS FOR SIG SAUER P210 TARGET

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SIG SAUER P210 TARGET
- Manufacturer: RANSOM
- Product no.: 430119448
- Mfr. No.: 30-300-25-16
- Delivery weight: 0.907kg
- UPC: 810132582332

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR SIG SAUER P210 TARGET

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS, die speziell für die SIG SAUER P210 TARGET entwickelt wurden. Diese Anleitung soll dir helfen, die Inserts sicher und effektiv zu nutzen und potenzielle Risiken zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in Verbindung mit dem Master Series Ransom Rest verwendest.
- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Halte die Inserts und die Waffe von Kindern und anderen unbefugten Personen fern.
- Überprüfe regelmäßig den Zustand der Inserts und der Waffe, um sicherzustellen, dass sie in gutem Zustand sind.
- Informiere dich über Rückrufe und Sicherheitswarnungen auf der EU Safety Gate Plattform.

Besondere Sicherheitsvorkehrungen bei der Verwendung

- Achte darauf, dass die Inserts richtig installiert sind, um eine optimale Leistung zu gewährleisten.
- Verwende die Inserts nur in der vorgesehenen Anwendung und unter den empfohlenen Bedingungen.
- Sei dir bewusst, dass harte Inserts die Lebensdauer deiner Waffe verringern und Verletzungen verursachen können.
- Handle sofort, wenn du Anzeichen von Beschädigung oder Funktionsstörungen bei den Inserts oder der Waffe bemerkst.

Anweisungen zur Installation und Nutzung

1. Installation der GRIP INSERTS:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden, und reinige den Bereich gründlich.
- Setze die neuen GRIP INSERTS vorsichtig ein und stelle sicher, dass sie fest sitzen.
- Überprüfe die Installation, indem du sicherstellst, dass die Inserts korrekt ausgerichtet sind.

2. Nutzung der GRIP INSERTS:

- Halte die Waffe mit beiden Händen fest, um den Rückstoß zu kontrollieren.
- Achte darauf, dass die Inserts die Vibrationen und den Rückstoß absorbieren, bevor die Waffe reagiert.
- Führe regelmäßige Tests durch, um die Leistung der Inserts zu überprüfen. Achte darauf, dass du die menschliche Hand nachahmst, um genaue Ergebnisse zu erzielen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Elektronik und Materialabfälle.
- Verwende keine harten oder 3Dgedruckten Inserts, da diese nicht recycelbar sind und gefährliche Materialien enthalten können.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu den GRIP INSERTS wende dich bitte an den Hersteller oder an die Verkaufsstelle, bei der du das Produkt erworben hast.

Denke daran, dass die Sicherheit immer an erster Stelle stehen sollte. Verwende die GRIP INSERTS verantwortungsbewusst und halte dich an die Anweisungen, um ein sicheres und effektives Schießen zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR SIG SAUER P210 TARGET

Introduction

Thank you for choosing the Ransom International Grip Inserts for your SIG Sauer P210 Target. These grip inserts are designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. For your safety and the longevity of your firearm, please read this safety instruction guide thoroughly before installation and use.

General Safety Guidelines

- Ensure safe use of the grip inserts by following these guidelines:
 - Always follow the manufacturer's instructions for installation and usage.
 - Regularly inspect the grip inserts for any signs of wear or damage.
 - Do not use hard grip inserts or 3Dprinted plastic grip inserts as they can damage your firearm.
 - Be aware that improper use of grip inserts can lead to unsafe conditions and potential injury.

Specific Safety Precautions for Use

- To avoid hazards when using the grip inserts, please adhere to the following precautions:
 - **Avoid Hard Inserts:** Never use hard grip inserts or 3Dprinted inserts. These can generate destructive recoil energy and damage the firearm.
 - **Control Vibration and Recoil:** Understand that vibration and recoil cannot be eliminated but can be controlled. Use the inserts as intended to manage these forces effectively.
 - **Monitor Condition of Inserts:** Inspect the grip inserts before each use to ensure they are in good condition, free from cracks or excessive wear.
 - **Training and Familiarization:** Only use the grip inserts if you are familiar with their operation and the proper handling of firearms.
 - **Use in Safe Environment:** Always operate firearms in a controlled and safe environment, away from unauthorized individuals, especially children.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the grip inserts:
 1. **Preparation:**
 - Ensure the firearm is unloaded and the area is clear of any obstructions.
 2. **Installation:**
 - Remove the existing grip from the firearm according to the manufacturer's instructions.
 - Align the Ransom Grip Inserts with the grip mounting points on the firearm.
 - Secure the grip inserts in place, ensuring a snug fit without excessive force.
 3. **Usage:**
 - Once installed, use the firearm as intended, ensuring to maintain a proper grip.
 - Avoid any modifications to the grip inserts as this may compromise their function and safety.
 - After each session, inspect the grip inserts for any signs of damage or wear.

Disposal Instructions

- When the grip inserts reach the end of their usable life, dispose of them responsibly:
 - Do not throw them in regular household waste.

- Check local regulations for proper disposal methods for plastic products.
- Consider recycling options where available.

Contact Information for Further Support

- For any questions or concerns regarding the grip inserts, please refer to the manufacturer's contact information provided with your product.

Remember: Your safety and the safety of others is paramount. Always handle firearms responsibly and ensure that you are using the correct accessories designed for your specific firearm model.

Istruzioni di Sicurezza per l'Utilizzo degli Inserto Grip RANSOM per SIG SAUER P210 TARGET

Introduzione

Grazie per aver scelto gli Inserto Grip RANSOM per il tuo SIG SAUER P210 TARGET. Questo prodotto è progettato per migliorare le prestazioni durante i test di tiro e garantire la sicurezza dell'arma. È fondamentale seguire le istruzioni di sicurezza e utilizzo per evitare danni e garantire un'esperienza di tiro sicura.

Linee Guida Generali di Sicurezza

- Assicurati che il tuo inserto sia compatibile con il tuo Ransom Rest e il tuo modello di arma.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il tuo inserto per segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare il prodotto se noti crepe o danni visibili.
- Non posizionare l'arma in una posizione instabile durante l'uso.
- Assicurati che tutte le parti siano ben fissate prima di iniziare il tiro.
- Utilizza sempre occhiali protettivi e protezioni per le orecchie durante il tiro.
- Non utilizzare il prodotto in condizioni meteorologiche avverse o in ambienti non adeguati.

Istruzioni per l'Installazione e l'Uso

1. Preparazione dell'Arma

- Assicurati che l'arma sia scarica e in sicurezza prima di installare l'inserto.
- Rimuovi eventuali accessori o componenti che potrebbero interferire con l'installazione.

2. Installazione dell'Inserto

- Posiziona l'inserto RANSOM nel Ransom Rest seguendo le istruzioni specifiche del produttore.
- Verifica che l'inserto sia ben fissato e che non ci siano spazi vuoti.

3. Utilizzo dell'Inserto

- Posiziona l'arma sull'inserto in modo che sia stabile e allineata correttamente.
- Inizia il tiro seguendo le tecniche di tiro sicure e controllate.
- Monitora le prestazioni dell'inserto e dell'arma durante l'uso.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento degli inserti usurati o danneggiati.
- Non gettare gli inserti nel normale rifiuto domestico se contengono materiali pericolosi.
- Contatta un centro di raccolta rifiuti specializzato per smaltire in sicurezza i materiali.

Informazioni di Contatto per Ulteriori Supporto

Per qualsiasi domanda o preoccupazione riguardante la sicurezza del prodotto, consulta il sito web del produttore o contatta il rivenditore autorizzato.

Nota di Cautela

Non utilizzare inserti rigidi o stampati in 3D. L'uso di tali inserti può causare danni all'arma e mettere a rischio la tua sicurezza e quella degli altri. Assicurati di seguire tutte le istruzioni e le linee guida per garantire un'esperienza di tiro sicura e soddisfacente.
