

GRIP INSERTS - RANSOM GRIP INSERTS FOR SIG SAUER P238, P938

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SIG SAUER P238, P938
- Manufacturer: RANSOM
- Product no.: 430119452
- Mfr. No.: 30-300-25-20
- Delivery weight: 0.907kg
- UPC: 810132582387

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS

RANSOM GRIP INSERTS für SIG SAUER P238, P938

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS von RANSOM! Diese Einsätze sind speziell für den Master Series Ransom Rest entwickelt worden und sollen dir helfen, deine Schießtests zu verbessern. Um die Sicherheit und optimale Nutzung der Produkte zu gewährleisten, ist es wichtig, die folgenden Sicherheitshinweise und Anleitungen zu beachten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur für den vorgesehenen Zweck verwendest.
- Überprüfe vor jeder Benutzung die Einsätze auf Schäden oder Abnutzung.
- Verwende die GRIP INSERTS nicht mit harten oder 3Dgedruckten GripEinsätzen, da diese deinem Gewehr schaden können.
- Halte die GRIP INSERTS außerhalb der Reichweite von Kindern und schutzbedürftigen Personen.

Besondere Sicherheitsvorkehrungen bei der Nutzung

- Die GRIP INSERTS sind so konzipiert, dass sie der DurometerHärte der menschlichen Hand entsprechen. Dies verringert das Risiko von Verletzungen durch übermäßigen Rückstoß.
- Achte darauf, dass die Einsätze korrekt installiert sind, um eine optimale Funktionalität zu gewährleisten.
- Vermeide es, die GRIP INSERTS bei feuchtem Wetter oder in nassen Bedingungen zu verwenden, da dies die Leistung beeinträchtigen kann.
- Wenn du Anzeichen von Beschädigungen an den Einsätzen bemerkst, benutze sie nicht weiter und kontaktiere den Hersteller.

Anweisungen zur Installation und Nutzung

1. Installation der GRIP INSERTS:

- Entferne die alten GripEinsätze von deinem Ransom Rest.
- Reinige die Fläche, auf der die neuen Einsätze platziert werden.
- Setze die GRIP INSERTS vorsichtig an die vorgesehenen Stellen ein und stelle sicher, dass sie fest sitzen.

2. Nutzung der GRIP INSERTS:

- Stelle sicher, dass der Ransom Rest stabil auf einer ebenen Fläche steht.
- Platziere deine Waffe korrekt auf dem Ransom Rest, um eine optimale Stabilität während des Schießens zu gewährleisten.
- Führe deine Schießtests durch und achte darauf, die Rückstoßkraft zu beobachten.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den lokalen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Informiere dich über geeignete Recyclingmöglichkeiten in deiner Nähe.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Anliegen zu den GRIP INSERTS wende dich bitte an den Hersteller. Halte die Produktinformationen bereit, um eine schnellere Bearbeitung zu gewährleisten.

Schlussfolgerung

Die Sicherheit und Leistung deiner GRIP INSERTS hängen von der richtigen Nutzung und Pflege ab. Beachte diese Hinweise sorgfältig, um das Risiko von Verletzungen und Schäden zu minimieren. Viel Spaß beim Schießen!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR SIG SAUER P238, P938

Introduction

Thank you for choosing the Ransom International Grip Inserts for your SIG Sauer P238 and P938. These grip inserts are designed to enhance the performance of your Master Series Ransom Rest by mimicking the human hand's ability to absorb recoil and vibration. This guide provides important safety instructions to ensure the safe use of this product.

General Safety Guidelines

- **Product Safety:** Always ensure the safe use of this product in accordance with the guidelines provided. The inserts are designed to prevent damage to your firearm and provide accurate test results.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If you receive a recall notice, follow the instructions provided for safe return or remedy.
- **Online Shopping:** If purchased online, ensure that the platform meets safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to your local EU consumer protection authority.
- **Rapid Alerts:** Be aware of updates on unsafe products through the EU's Safety Gate system. Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Do Not Use Hard Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. Using the wrong inserts can lead to improper testing and potential firearm damage.
- **Monitor for Damage:** Regularly inspect your firearm for any signs of wear or damage that may result from improper use of grip inserts.
- **Avoid Improper Testing:** Ensure that any testing conducted with the Ransom Rest mimics humanlike recoil to ensure valid results.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe condition before installation.
- Gather all necessary tools and components for installation.

2. Installation:

- Carefully follow the provided instructions for attaching the grip inserts to your Ransom Rest.
- Ensure that the inserts are securely fastened and properly aligned.

3. Usage:

- Place your firearm in the Ransom Rest with the installed grip inserts.
- Conduct your testing in a controlled environment, ensuring all safety measures are in place.

- Monitor the performance of the grip inserts during use and adjust as necessary.

4. PostUsage:

- After testing, remove the grip inserts and inspect them for any signs of wear or damage.
- Store the grip inserts in a safe and dry location when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the grip inserts in regular household waste. Check for any recycling programs that may accept plastic components.

Contact Information for Further Support

For further assistance or inquiries regarding the Ransom International Grip Inserts, please consult your local EU consumer protection authority or the retailer from whom you purchased the product.

By following these guidelines, you can ensure the safe and effective use of your Ransom Grip Inserts, maximizing their performance while minimizing risks associated with improper use. Thank you for your attention to these important safety instructions.

Istruzioni di Sicurezza per l'Uso degli Inserti RANSOM GRIP per SIG SAUER P238, P938

Introduzione

Benvenuto nella guida di sicurezza per gli inserti per impugnatura RANSOM. Questo documento fornisce informazioni importanti per garantire un uso sicuro e appropriato del prodotto, in conformità con le normative europee sulla sicurezza dei prodotti (EU General Product Safety Regulation GPSR). Si prega di leggere attentamente queste istruzioni prima dell'uso.

Linee Guida Generali di Sicurezza

- Assicurati che gli inserti siano utilizzati esclusivamente con il Master Series Ransom Rest.
- Non utilizzare inserti rigidi o in plastica stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Segnala immediatamente qualsiasi prodotto difettoso o incidenti alle autorità competenti.
- Controlla regolarmente gli aggiornamenti sui richiami sulla piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti RANSOM sono progettati per assorbire le forze di rinculo e vibrazione. Utilizza solo questi inserti per evitare danni all'arma.
- Non utilizzare inserti che non siano stati progettati specificamente per il modello dell'arma in uso.
- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserti.
- Non tentare di modificare gli inserti o l'arma in alcun modo.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Verifica che l'arma sia completamente scarica.
- Raccogli gli strumenti necessari per l'installazione.

2. Installazione degli Inserti:

- Segui le istruzioni specifiche fornite con il Master Series Ransom Rest per installare correttamente gli inserti.
- Assicurati che gli inserti siano saldamente fissati e in posizione prima di utilizzare l'arma.

3. Uso degli Inserti:

- Posiziona l'arma nel Ransom Rest seguendo le istruzioni del produttore.
- Esegui i test di tiro utilizzando gli inserti, osservando attentamente il comportamento dell'arma.

4. Controllo PostUso:

- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura o danni.
- Sostituisci gli inserti danneggiati o usurati immediatamente.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non abbandonare gli inserti in luoghi pubblici o in natura.

- Contatta il tuo comune per informazioni su come smaltire correttamente i materiali di scarto.

Informazioni di Contatto per Ulteriori Supporto

Per domande o preoccupazioni riguardanti la sicurezza degli inserti RANSOM, si prega di contattare il supporto clienti del produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti.

Conclusione

La sicurezza è la nostra priorità. Seguire queste istruzioni ti aiuterà a utilizzare gli inserti RANSOM in modo sicuro e efficace. Ricorda che un uso improprio può portare a danni all'arma e potenziali infortuni. Grazie per aver scelto i prodotti RANSOM.
