

GRIP INSERTS - RANSOM GRIP INSERTS FOR ROUND BUTT S&W J-FRAME, TAURUS 85

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR ROUND BUTT S&W J-FRAME, TAURUS 85
- Manufacturer: RANSOM
- Product no.: 430119456
- Mfr. No.: 30-300-26-02
- Delivery weight: 0.907kg

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für RANSOM GRIP INSERTS

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die RundgriffModelle S&W JFrame und Taurus 85! Diese Inserts sind darauf ausgelegt, deine Schießleistung zu verbessern und die Sicherheit während der Nutzung zu gewährleisten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du das Produkt sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Verwende keine harten Griffinsert oder 3Dgedruckte Kunststoffgriffe, da diese gefährlich sein können.
- Achte darauf, dass das Produkt in einem sicheren und trockenen Bereich gelagert wird.
- Halte das Produkt von Kindern und anderen gefährdeten Gruppen fern.
- Informiere dich regelmäßig über Rückrufe oder Sicherheitswarnungen auf der EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Die RANSOM GRIP INSERTS sind speziell für den Einsatz mit dem Master Series Ransom Rest konzipiert. Verwende sie nicht mit anderen Geräten.
- Achte darauf, dass die Inserts richtig installiert sind, um Verletzungen zu vermeiden.
- Vermeide es, das Produkt zu verwenden, wenn es sichtbare Schäden aufweist.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigung.
- Bei der Verwendung des Ransom Rest, achte darauf, dass die Maschine stabil steht und nicht wackelt.

Anweisungen für Installation und Nutzung

1. Installation der RANSOM GRIP INSERTS:

- Entferne das alte Griffinsert, falls vorhanden.
- Setze das neue RANSOM GRIP INSERT in den vorgesehenen Bereich ein.
- Stelle sicher, dass das Insert fest sitzt und keine Lücken aufweist.
- Überprüfe die Installation, bevor du mit dem Schießen beginnst.

2. Nutzung:

- Positioniere das Gewehr sicher im Ransom Rest.
- Achte darauf, dass du beim Schießen eine stabile Haltung einnimmst.
- Lass die Maschine nach dem Schuss einige Millisekunden in der Position, um die Rückstoßenergie zu absorbieren.
- Verwende das Produkt nur, wenn du mit der Handhabung von Schusswaffen vertraut bist.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte RANSOM GRIP INSERTS gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass du keine Teile im normalen Müll entsorgst, die gefährlich sein könnten.
- Erkundige dich bei deiner Gemeinde nach speziellen Entsorgungsstellen für gefährliche Abfälle.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Anliegen zu den RANSOM GRIP INSERTS kannst du dich an den Hersteller wenden. Stelle sicher,

dass du alle Sicherheitsrichtlinien befolgst und bei Unsicherheiten professionelle Hilfe in Anspruch nimmst.

Bitte beachte, dass die Sicherheit bei der Verwendung von Schusswaffen höchste Priorität hat. Halte dich an diese Richtlinien, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR ROUND BUTT S&W JFRAME, TAURUS 85

Introduction

Thank you for choosing the Ransom Grip Inserts. These inserts are designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. However, it is crucial to follow safety guidelines to ensure proper usage and to avoid any potential hazards. This guide provides essential safety information and instructions for the safe use of these grip inserts.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or removing the grip inserts.
- Inspect the grip inserts for any signs of damage before each use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and produce unreliable test results.
- Keep the grip inserts out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates regularly on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard or 3Dprinted inserts. These can generate destructive recoil energy that may damage your firearm.
- **Proper Handling:** Always handle your firearm and accessories with care to prevent accidents.
- **Monitoring Performance:** Be aware that using improper inserts can lead to inaccurate test results and potential harm.
- **Vibration and Recoil Management:** Understand that vibration and recoil cannot be eliminated but can be controlled. The inserts are designed to absorb these forces effectively.
- **LongTerm Use:** Regularly check the condition of the grip inserts, as wear and tear can accumulate over time.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary tools for installation, if required.

2. Installation:

- Remove any existing grip inserts from the firearm.
- Align the Ransom Grip Inserts with the grip area of the firearm.
- Gently press the inserts into place, ensuring a snug fit.
- Doublecheck the installation to confirm that the inserts are secure.

3. Usage:

- Once installed, use the firearm as per standard operating procedures.
- Monitor the performance of the grip inserts during use to ensure they are functioning as intended.
- Do not attempt to modify or alter the grip inserts in any way.

4. PostUse Care:

- After use, inspect the grip inserts for any signs of wear or damage.
- Clean the inserts as needed following the manufacturer's recommendations.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly.
- Follow local regulations for the disposal of nonhazardous materials.
- Do not throw the inserts into regular trash if they are damaged; instead, consider recycling options if available.

Contact Information for Further Support

For any questions or concerns regarding the use of Ransom Grip Inserts, please refer to the manufacturer's contact information included with your product packaging or visit the official website.

By adhering to these safety instructions and guidelines, you can ensure a safe and effective experience with your Ransom Grip Inserts. Always prioritize safety and proper handling to maximize the performance of your firearm.

Guida alle Istruzioni di Sicurezza per i Grip Inserts Ransom

Introduzione

Grazie per aver scelto i Grip Inserts Ransom per il tuo revolver S&W JFrame o Taurus 85. Questa guida fornisce informazioni importanti per garantire un uso sicuro e corretto del prodotto, in conformità con le normative europee sulla sicurezza dei prodotti. Si prega di leggere attentamente tutte le sezioni prima dell'uso.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia adatto al tuo modello di arma prima dell'uso.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma.
- Segui sempre le istruzioni fornite per l'installazione e l'uso.
- Controlla regolarmente il prodotto per segni di usura o danni.
- In caso di dubbi sull'uso del prodotto, contatta un professionista qualificato.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare i Grip Inserts Ransom con armi che presentano modifiche strutturali.
- Evita di utilizzare il prodotto in condizioni meteorologiche estreme, come pioggia o neve.
- Assicurati che il tuo ambiente di tiro sia sicuro e privo di ostacoli.
- Non lasciare mai l'arma incustodita con i grip inserts installati.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi qualsiasi grip esistente dall'arma.
- Pulisci l'area di contatto per garantire una buona aderenza.
- Segui le istruzioni specifiche per l'installazione fornite con il prodotto.
- Verifica che gli inserti siano saldamente fissati prima di utilizzare l'arma.

2. Uso:

- Quando utilizzi l'arma, mantieni sempre una presa salda e controllata.
- Fai attenzione al rinculo e alle vibrazioni generate durante il tiro.
- Utilizza i Grip Inserts Ransom solo in contesti di tiro appropriati e sicuri.

Istruzioni per lo Smaltimento

- Non gettare i Grip Inserts Ransom nel normale rifiuto domestico.
- Segui le normative locali per lo smaltimento di prodotti in plastica e materiali compositi.
- Contatta il tuo comune per informazioni su come smaltire correttamente i prodotti non più utilizzabili.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso dei Grip Inserts Ransom, si prega di contattare un professionista qualificato o un rivenditore autorizzato. In caso di prodotti difettosi o di richieste di richiamo, consulta la piattaforma di Safety Gate dell'Unione Europea.

Questa guida è stata redatta per garantire un uso sicuro e responsabile dei Grip Inserts Ransom. Segui attentamente tutte le istruzioni e mantieni sempre la sicurezza come priorità.
