

GRIP INSERTS - RANSOM GRIP INSERTS - ROUND BUTT S&W K-FRAME, TAURUS 450,500,65,66

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS - ROUND BUTT S&W K-FRAME, TAURUS 450,500,65,66
- Manufacturer: RANSOM
- Product no.: 430119458
- Mfr. No.: 30-300-26-04
- Delivery weight: 0.907kg
- UPC: 810132582547

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS ROUND BUTT S&W KFRAME, TAURUS 450,500,65,66

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS. Diese Inserts sind speziell für die Verwendung mit deinem Master Series Ransom Rest konzipiert. Bitte lies die folgenden Anweisungen sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die Inserts für dein spezifisches Waffensystem geeignet sind.
- Verwende keine harten Grip Inserts oder 3Dgedruckten KunststoffGrip Inserts, da diese deiner Waffe schaden können.
- Achte darauf, dass alle Produkte den Sicherheitsstandards der EU entsprechen.
- Berichte unsichere Produkte und Unfälle den zuständigen Behörden.
- Halte dich über Rückrufaktionen auf der EU Safety Gate Plattform auf dem Laufenden.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Verwende die Inserts nur in Verbindung mit dem Ransom Rest, wie in der Anleitung beschrieben.
- Vermeide es, die Inserts über einen längeren Zeitraum hohen Temperaturen oder Feuchtigkeit auszusetzen.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder Beschädigungen.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Halte die Inserts von Kindern und anderen schutzbedürftigen Gruppen fern.

Anweisungen für Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass der Ransom Rest auf einer stabilen und ebenen Fläche steht.
- Überprüfe, ob alle Teile des Ransom Rests in gutem Zustand sind.

2. Installation der Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen RANSOM Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Achte darauf, dass die Inserts fest sitzen und keine Lücken aufweisen.

3. Nutzung:

- Stelle sicher, dass die Waffe korrekt im Ransom Rest positioniert ist.
- Führe den Schuss wie gewohnt aus und beobachte die Leistung der Inserts.
- Nach dem Schießen, überprüfe die Inserts auf Beschädigungen und reinige sie gegebenenfalls.

Entsorgungsanweisungen

- Entsorge beschädigte oder nicht mehr benötigte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Informiere dich über spezielle Entsorgungsstellen in deiner Nähe, um sicherzustellen, dass die Materialien

umweltgerecht entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung kannst du dich an den Hersteller wenden. Stelle sicher, dass du alle relevanten Informationen über das Produkt bereithältst, um eine schnelle und effektive Hilfe zu erhalten.

Bitte beachte, dass die Sicherheit während der Nutzung von RANSOM Grip Inserts oberste Priorität hat. Halte dich an die oben genannten Richtlinien, um die bestmögliche Leistung und Sicherheit zu gewährleisten.

Safety Instruction Guide for Ransom Grip Inserts

Introduction

Thank you for choosing Ransom Grip Inserts for your shooting needs. This guide provides essential safety instructions and usage guidelines to ensure your experience is both safe and effective. Please read this document carefully before using the product.

General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or removing the grip inserts.
- Use only Ransom Grip Inserts with your Master Series Ransom Rest to prevent damage to your firearm.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they can cause significant harm to your gun.
- Understand that vibration and recoil cannot be completely stopped; they must be controlled.
- Be aware that improper use of grip inserts may lead to decreased firearm lifespan and potential injury.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard or 3Dprinted inserts. These can generate destructive recoil energy that travels through your firearm, leading to damage.
- **Proper Handling:** Always handle your firearm and Ransom Rest with care. Follow all safety protocols related to firearms.
- **Regular Inspections:** Regularly inspect your grip inserts for signs of wear or damage. Replace them if any issues are found.
- **Mimic Human Recoil:** Ensure that your testing mimics humanlike recoil for accurate data. This is crucial for both destructive and accuracy testing.
- **Caution with Use:** Be aware that even if damage is not immediately visible, it can accrue with each shot fired.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather your Ransom Grip Inserts and Master Series Ransom Rest.

2. Installation:

- Carefully attach the grip inserts to the designated area of your Ransom Rest.
- Ensure that the inserts are securely fitted and aligned correctly.

3. Usage:

- Place your firearm in the Ransom Rest with the grip inserts properly installed.
- Conduct your shooting tests while ensuring that the machine can absorb the recoil as intended.
- Monitor the performance of the grip inserts during use to ensure they are functioning correctly.

4. PostUse:

- After completing your shooting session, inspect the grip inserts for any signs of wear or damage.
- Store the grip inserts and Ransom Rest in a cool, dry place to prolong their lifespan.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste if they contain hazardous materials. Check with your local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of Ransom Grip Inserts, please refer to the manufacturer's contact resources available with your product.

By following these guidelines, you can ensure a safe and effective experience with your Ransom Grip Inserts. Thank you for prioritizing safety and responsible firearm use.

Guida alle Istruzioni di Sicurezza per gli Inserti Grip Ransom

Introduzione

Grazie per aver scelto gli Inserti Grip Ransom per il tuo Master Series Ransom Rest. Questa guida fornisce informazioni importanti sulla sicurezza e sull'uso corretto del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR). Leggi attentamente tutte le istruzioni e segui le linee guida per garantire un utilizzo sicuro e efficace.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare gli Inserti Grip Ransom solo come indicato in questo manuale.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e causare infortuni.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Conserva gli inserti in un luogo asciutto e sicuro, lontano dalla portata dei bambini.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti Grip Ransom sono progettati per assorbire il rinculo e le vibrazioni generate durante l'uso del Ransom Rest.
- Evita di utilizzare inserti che non siano stati progettati specificamente per il tuo modello di arma.
- Non tentare di modificare o riparare gli inserti da solo.
- In caso di malfunzionamento o comportamento anomalo, interrompi immediatamente l'uso e contatta un professionista.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati che il tuo Ransom Rest sia pulito e in buone condizioni prima di installare gli inserti.
2. **Installazione:**
 - Rimuovi eventuali inserti precedenti.
 - Posiziona gli Inserti Grip Ransom nel supporto designato del Ransom Rest.
 - Assicurati che gli inserti siano saldamente fissati e non si muovano.
3. **Utilizzo:**
 - Posiziona l'arma nel Ransom Rest come indicato nelle istruzioni del produttore.
 - Controlla che l'arma sia correttamente allineata e stabile prima di iniziare a sparare.
 - Monitora il comportamento dell'arma durante l'uso e presta attenzione a eventuali vibrazioni eccessive o movimenti non desiderati.

Istruzioni per lo Smaltimento

- Gli Inserti Grip Ransom non devono essere smaltiti con i rifiuti domestici.
- Segui le normative locali per lo smaltimento dei materiali plastici e degli accessori per armi.
- Contatta le autorità locali per informazioni su come smaltire in modo sicuro gli inserti usati.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto, sulla manutenzione o su eventuali domande, ti invitiamo a contattare il tuo rivenditore o un professionista qualificato. Assicurati di avere a disposizione il numero di modello e altri dettagli del prodotto.

Seguendo queste linee guida, puoi garantire un utilizzo sicuro e responsabile degli Inserti Grip Ransom, contribuendo alla tua sicurezza e a quella degli altri durante l'uso del tuo Ransom Rest.
