

GRIP INSERTS - RANSOM GRIP INSERTS FOR SMITH & WESSON 41

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SMITH & WESSON 41
- Manufacturer: RANSOM
- Product no.: 430119462
- Mfr. No.: 30-300-26-08
- Delivery weight: 0.907kg
- UPC: 810132582608

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR SMITH & WESSON 41

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die Smith & Wesson 41! Diese Inserts sind darauf ausgelegt, die Leistung deiner Master Series Ransom Rest zu maximieren und ein sicheres Schießerlebnis zu gewährleisten. Bitte befolge die folgenden Sicherheitshinweise, um sicherzustellen, dass du das Beste aus deinem Produkt herausholst und gleichzeitig mögliche Risiken vermeidest.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die Inserts nur gemäß den Anweisungen verwendest.
- Verwende keine harten oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts immer in gutem Zustand sind. Überprüfe sie regelmäßig auf Risse oder Abnutzung.
- Bewahre die Inserts außerhalb der Reichweite von Kindern auf.
- Melde unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Harte Inserts können zerstörerische Rückstoßenergie erzeugen, die dein Gewehr beschädigen kann.
- Die Inserts sind so konzipiert, dass sie die Härte des menschlichen Handgriffs nachahmen und Rückstoß sowie Vibration absorbieren.
- Achte darauf, dass die Inserts korrekt installiert sind, um ihre Funktionalität zu gewährleisten.
- Verwende die Inserts nur mit der vorgesehenen Waffe (Smith & Wesson 41).

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Entferne alle vorherigen Inserts oder Zubehörteile von deiner Waffe.
- Setze die RANSOM GRIP INSERTS gemäß den beiliegenden Anweisungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen, bevor du die Waffe verwendest.

2. Nutzung der Inserts:

- Bei der Verwendung der Waffe achte darauf, dass du die richtige Haltung einnimmst.
- Halte die Waffe stabil und sicher, um den Rückstoß zu kontrollieren.
- Überwache die Leistung der Inserts während des Schießens und überprüfe sie regelmäßig auf Schäden.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu deinem Produkt wende dich bitte an den Hersteller oder deinen Händler. Sie können dir bei allen Fragen zur Sicherheit und Nutzung der Inserts weiterhelfen.

Bitte beachte, dass diese Sicherheitshinweise gemäß der EU-Verordnung über die allgemeine Produktsicherheit

(GPSR) erstellt wurden. Sie dienen dazu, potenzielle Gefahren zu identifizieren und klare Anweisungen zu geben, wie du diese vermeiden kannst. Deine Sicherheit hat oberste Priorität!

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR SMITH & WESSON 41

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Smith & Wesson 41. These grip inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring safety during use. This guide provides essential safety instructions and guidelines to ensure the proper and safe use of the product.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided in this manual.
- Be aware of potential hazards associated with improper use of the grip inserts.
- Always check for updates regarding product recalls or safety alerts on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- These grip inserts are not suitable for children; ensure they are kept out of reach.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage the firearm and compromise safety.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated; they must be controlled. The grip inserts are designed to absorb these forces effectively.
- **Monitor for Damage:** Inspect the grip inserts regularly for signs of wear or damage. Replace them if they show any signs of deterioration.
- **Use Properly:** Ensure that the grip inserts are installed correctly to avoid any potential hazards during use.
- **Follow Testing Protocols:** When conducting tests, ensure that the setup mimics humanlike recoil to obtain valid results.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from the Ransom Rest.
- Carefully place the Ransom Grip Inserts into the designated slots of the Ransom Rest.
- Ensure that the inserts are securely fitted and do not move during use.

2. Usage:

- Before use, ensure that the firearm is unloaded and pointed in a safe direction.
- Place the firearm in the Ransom Rest, ensuring that it is stable and secure.
- Conduct tests while monitoring the performance of the grip inserts.
- After each use, check the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations for plastic waste.
- Do not attempt to reuse or recycle damaged grip inserts, as they may pose safety risks.

Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the Ransom Grip Inserts, please refer to the product packaging or visit the manufacturer's website for further assistance.

By following these guidelines, you can ensure the safe and effective use of the Ransom Grip Inserts for your Smith & Wesson 41. Thank you for prioritizing safety in your shooting activities.

Istruzioni di Sicurezza per l'Uso dei Grip Inserts RANSOM per Smith & Wesson 41

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Master Series Ransom Rest. Questo prodotto è progettato per migliorare la tua esperienza di tiro, garantendo una precisione senza pari. È importante seguire attentamente queste istruzioni di sicurezza per garantire un utilizzo corretto e sicuro del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e compromettere la tua sicurezza.
- Le vibrazioni e il rinculo sono forze naturali che devono essere gestite correttamente. Gli inserti RANSOM sono progettati per assorbire queste forze senza trasferirle nell'arma.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.
- Controlla regolarmente gli aggiornamenti sui richiami tramite la piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza i Grip Inserts RANSOM solo secondo le istruzioni fornite.
- Non modificare o alterare gli inserti in alcun modo.
- Non utilizzare grip inserts rigidi, poiché possono causare danni all'arma e infortuni.
- Se noti segni di usura o danni agli inserti, interrompi immediatamente l'uso e sostituiscili.
- Tieni i Grip Inserts RANSOM lontano dalla portata dei bambini e di gruppi vulnerabili.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti

- Assicurati che l'arma sia scarica e non pronta all'uso.
- Rimuovi eventuali inserti esistenti dal Master Series Ransom Rest.
- Inserisci i Grip Inserts RANSOM seguendo le istruzioni specifiche per il tuo modello.
- Controlla che gli inserti siano ben fissati e non presentino giochi.

2. Uso degli Inserti

- Posiziona l'arma sul Ransom Rest con gli inserti installati.
- Assicurati che l'arma sia stabilizzata e che gli inserti siano in contatto con l'arma.
- Effettua il tiro seguendo le pratiche di sicurezza standard per il tiro.

Istruzioni per il Disposizione

- Non smaltire i Grip Inserts RANSOM in modo inappropriato. Segui le normative locali per il riciclaggio e lo smaltimento dei materiali.
- Se gli inserti sono danneggiati o non più utilizzabili, contatta il tuo rivenditore per informazioni sullo smaltimento corretto.

Informazioni di Contatto per Ulteriori Supporto

Per assistenza o ulteriori informazioni sui Grip Inserts RANSOM, ti invitiamo a contattare il tuo rivenditore o il

produttore. Assicurati di avere a disposizione il numero di modello e la prova di acquisto.

Ricorda che la sicurezza è la tua responsabilità. Utilizza i Grip Inserts RANSOM in modo responsabile e seguendo tutte le precauzioni indicate per garantire un'esperienza di tiro sicura e piacevole.
