

GRIP INSERTS - RANSOM GRIP INSERTS S&W 39,439,52,539,639,952,PPC9,TARGET CHAMPION

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS S&W 39,439,52,539,639,952,PPC9,TARGET CHAMPION
- Manufacturer: RANSOM
- Product no.: 430119463
- Mfr. No.: 30-300-26-09
- Delivery weight: 0.907kg
- UPC: 810132582615

Sicherheitshinweise für GRIP INSERTS von RANSOM

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS von RANSOM. Diese Anleitung bietet dir wichtige Informationen zur sicheren Verwendung, Installation und Entsorgung der Produkte. Bitte lies alle Hinweise sorgfältig durch, um Verletzungen oder Schäden zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die GRIP INSERTS nur für die angegebenen Modelle verwendet werden: S&W 39, 439, 52, 539, 639, 952, PPC9 und TARGET CHAMPION.
- Verwende die Inserts nicht in Kombination mit harten oder 3Dgedruckten KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Überprüfe regelmäßig den Zustand der Inserts, um sicherzustellen, dass sie keine Anzeichen von Beschädigung aufweisen.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen gefährdeten Gruppen.

Spezifische Sicherheitshinweise zur Verwendung

- Die Inserts sind so konzipiert, dass sie die Rückstoßenergie absorbieren. Verwende sie nur in der vorgesehenen Weise.
- Achte darauf, dass die Inserts korrekt im Ransom Rest installiert sind, um eine optimale Leistung zu gewährleisten.
- Bei der Verwendung der Inserts ist es wichtig, die menschliche Handbewegung zu imitieren, um realistische Testergebnisse zu erhalten.
- Vermeide es, die Inserts mit übermäßiger Kraft zu belasten, um Schäden zu verhindern.

Anweisungen zur Installation und Verwendung

1. **Vorbereitung:** Stelle sicher, dass der Ransom Rest sauber und frei von Schmutz ist.
2. **Installation der Inserts:**
 - Entferne die alte Grip Insert, falls vorhanden.
 - Setze die neue GRIP INSERT vorsichtig in die vorgesehene Halterung ein.
 - Achte darauf, dass die Insert fest sitzt und keine Spielräume bestehen.
3. **Verwendung:**
 - Positioniere dein Gewehr sicher und stabil im Ransom Rest.
 - Führe die Tests gemäß den Anweisungen des Herstellers durch, um genaue Ergebnisse zu erhalten.
 - Überwache während des Schießens die Leistung der Inserts und achte auf Anzeichen von Beschädigung.
4. **Nach dem Gebrauch:** Reinige die Inserts nach jedem Gebrauch, um ihre Lebensdauer zu verlängern.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen, um eine Verschmutzung zu vermeiden.
- Informiere dich über spezielle Recyclingprogramme in deiner Region, die Kunststoffprodukte akzeptieren.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Anliegen zu den GRIP INSERTS von RANSOM, wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast. Sie können dir die notwendigen Informationen und Unterstützung bieten.

Bitte beachte, dass die Sicherheit bei der Verwendung von Waffen und Zubehör oberste Priorität hat. Befolge diese Anweisungen sorgfältig, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS S&W

39,439,52,539,639,952,PPC9,TARGET CHAMPION

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. Your safety and the safety of those around you are our top priority. This guide provides essential safety instructions and precautions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all safety instructions are followed to minimize risks.
- Always inspect the grip inserts before use to ensure they are in good condition.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and produce inaccurate test results.
- Be aware of potential hazards, including recoil and vibration that can lead to firearm damage or personal injury.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted inserts as they can generate destructive recoil energy and damage your firearm.
- **Correct Installation:** Ensure that the grip inserts are properly installed according to the provided instructions to avoid accidents.
- **Regular Maintenance:** Regularly check the condition of the grip inserts. Replace them if they show signs of wear or damage.
- **Controlled Environment:** Use the Ransom Rest in a controlled environment where safety measures are in place.
- **Recoil Management:** Be aware that the grip inserts are designed to replicate the absorption characteristics of the human hand. Improper use can lead to increased recoil and vibration, potentially causing damage.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from the Ransom Rest.
- Select the appropriate Ransom Grip Insert for your firearm model.
- Align the grip insert with the mounting area and press it into place until it is securely fitted.
- Ensure that the insert is flush and stable before proceeding to use the Ransom Rest.

2. Usage:

- Set up the Ransom Rest on a stable surface.
- Place your firearm in the rest, ensuring it is securely held by the grip inserts.
- Before firing, doublecheck that the firearm is properly aligned and that the grip inserts are functioning correctly.
- Fire the firearm while monitoring the performance of the grip inserts. If you notice any unusual vibrations or sounds, cease use immediately and inspect the inserts.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of the inserts in regular household waste if they are made from materials that require special handling.
- Consider recycling options if available for the materials used in the grip inserts.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety guidelines and instructions, you can ensure safe and effective use of the Ransom International Grip Inserts. Your commitment to safety is essential for the wellbeing of yourself and others. Thank you for choosing our product.

Istruzioni di Sicurezza per l'Uso di Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Master Series Ransom Rest. Questo prodotto è progettato per garantire prestazioni ottimali e proteggere la tua arma. È fondamentale seguire queste istruzioni di sicurezza per garantire un uso sicuro e responsabile.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts RANSOM. Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D.
- Controlla regolarmente il tuo Ransom Rest e gli inserti per segni di usura o danni.
- Segui tutte le istruzioni del produttore per l'uso e la manutenzione.
- Non lasciare mai la tua arma incustodita mentre è montata sul Ransom Rest.
- Tieni lontano il prodotto da bambini e animali domestici.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Rischi di Rinculo:** I grip inserts rigidi possono generare energia di rinculo distruttiva, danneggiando l'arma. Assicurati che gli inserti siano compatibili con il durometro della mano umana per assorbire correttamente le forze.
- **Vibrazioni:** Gli inserti RANSOM sono progettati per assorbire vibrazioni e armoniche. Utilizzare inserti non appropriati può compromettere la sicurezza e le prestazioni.
- **Verifica della Stabilità:** Prima di utilizzare il Ransom Rest, assicurati che sia posizionato su una superficie stabile e sicura.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi qualsiasi inserto precedente dal Ransom Rest.
- Inserisci i Grip Inserts RANSOM seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurati che gli inserti siano ben fissati e privi di giochi.

2. Utilizzo del Ransom Rest:

- Posiziona la tua arma in modo sicuro sul Ransom Rest.
- Controlla che la slitta non sia bloccata e che la posizione di batteria sia corretta.
- Assicurati di essere in una posizione sicura e controllata prima di effettuare il tiro.

3. Manutenzione:

- Pulisci regolarmente gli inserti e il Ransom Rest per rimuovere polvere e detriti.
- Controlla periodicamente gli inserti per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Quando non utilizzi più i Grip Inserts RANSOM, segui le normative locali per lo smaltimento dei materiali plastici.
- Non gettare gli inserti nel fuoco o in acqua.

Informazioni di Contatto per Ulteriori Supporto

Per qualsiasi domanda o preoccupazione riguardo ai Grip Inserts RANSOM, contatta il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti.

Conclusione

Seguendo queste istruzioni di sicurezza, puoi garantire un uso sicuro e responsabile dei Grip Inserts RANSOM. Ricorda sempre di prestare attenzione e di utilizzare il buon senso durante l'uso della tua arma. La sicurezza è la tua responsabilità.
