

GRIP INSERTS - RANSOM GRIP INSERTS FOR SMITH & WESSON 945,945-40 C

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SMITH & WESSON 945,945-40 C
- Manufacturer: RANSOM
- Product no.: 430119472
- Mfr. No.: 30-300-26-21
- Delivery weight: 0.907kg
- UPC: 810132582660

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die Verwendung der GRIP INSERTS RANSOM GRIP INSERTS für Smith & Wesson 945, 94540 C

Einführung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS! Diese Einsätze sind speziell für die Smith & Wesson 945 und 94540 C entwickelt worden, um dein Schießerlebnis zu optimieren. Bitte beachte die folgenden Sicherheitshinweise, um die sichere Verwendung des Produkts zu gewährleisten.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Überprüfe regelmäßig den Zustand der Einsätze auf Risse oder andere Beschädigungen.
- Verwende die GRIP INSERTS nicht mit harten oder 3Dgedruckten Einsätzen, da diese die Waffe beschädigen können.
- Halte die GRIP INSERTS und alle anderen Schießzubehörteile außerhalb der Reichweite von Kindern auf.
- Melde unsichere Produkte oder Unfälle umgehend den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Die GRIP INSERTS sind so konzipiert, dass sie die Rückstoßenergie absorbieren und nicht in die Waffe übertragen.
- Verwende die Einsätze nur mit dem Master Series Ransom Rest.
- Vermeide es, die Waffe während des Schießens zu bewegen, um die Genauigkeit zu gewährleisten.
- Achte darauf, dass der Ransom Rest stabil und sicher aufgestellt ist, um Unfälle zu vermeiden.
- Informiere dich über die richtige Handhabung und Pflege deiner Waffe.

Anweisungen zur Installation und Verwendung

1. Installation der GRIP INSERTS:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Einsätze, falls vorhanden.
- Setze die GRIP INSERTS sorgfältig in den vorgesehenen Platz ein.
- Überprüfe, ob die Einsätze fest sitzen und keine Lücken aufweisen.

2. Verwendung der GRIP INSERTS:

- Positioniere die Waffe sicher im Ransom Rest.
- Stelle sicher, dass die GRIP INSERTS korrekt ausgerichtet sind.
- Beginne mit dem Schießen und beobachte die Leistung der Einsätze.
- Nach jedem Schießen, überprüfe die Einsätze auf mögliche Abnutzung oder Beschädigungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Halte dich an die Empfehlungen für die Entsorgung von Schießzubehör und Materialien.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt gekauft hast. Es ist wichtig, dass du bei Fragen oder Unsicherheiten immer professionelle Hilfe in Anspruch nimmst.

Schlussfolgerung

Die GRIP INSERTS RANSOM GRIP INSERTS sind ein unverzichtbares Zubehör für dein Schießerlebnis. Indem du diese Sicherheitshinweise befolgst, kannst du sicherstellen, dass du die Vorteile der Einsätze voll ausschöpfen kannst, während du gleichzeitig die Sicherheit für dich und andere gewährleistest.

Safety Instructions for GRIP INSERTS RANSOM GRIP INSERTS FOR SMITH & WESSON 945, 94540 C

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. This guide provides essential safety instructions to ensure the safe and effective use of the grip inserts. Please read all instructions carefully before use.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not covered by other EU laws.
- Check for recall updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Always handle the product with care, following the provided safety precautions.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm due to destructive recoil energy.
- **Understand Recoil Dynamics:** Hard inserts cannot replicate humanlike recoil, leading to invalid test data and potentially dangerous situations.
- **Monitor for Damage:** Damage from hard inserts may not be immediately visible but can accrue with each shot, decreasing the life of the barrel and firearm.
- **Safety Risks:** Using hard inserts may lead to injury or death if the firearm malfunctions due to improper testing conditions.
- **Mimic Human Dynamics:** For accurate testing, it is crucial to mimic humanlike handling and recoil absorption.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before attaching the grip inserts.
- Align the grip inserts with the designated areas of the Ransom Rest.
- Firmly secure the inserts to ensure they do not shift during use.

2. Usage:

- Always ensure that the Ransom Rest is set up on a stable surface.
- When conducting tests, monitor the firearm for any unusual vibrations or movements.
- Use the grip inserts as intended, ensuring they match the durometer of the human hand for optimal performance.

3. PostUse Care:

- Inspect the grip inserts for wear or damage after each use.
- Store the grip inserts in a dry, cool place away from direct sunlight.
- Replace any damaged or worn inserts immediately to maintain safety and performance.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local regulations.
- Do not dispose of inserts in regular household waste if they are made from materials that require special handling.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For assistance or inquiries regarding the Ransom International Grip Inserts, please refer to the manufacturer's contact details provided with your product packaging or visit the official website.

By following these safety instructions, you can ensure a safer and more effective experience with your Ransom International Grip Inserts. Please remember that safety is a shared responsibility, and taking the necessary precautions will help protect you and others around you.

Guida alla Sicurezza per l'Utilizzo dei Grip Inserts RANSOM per Smith & Wesson 945

Introduzione

Benvenuto nella guida alla sicurezza per l'uso dei Grip Inserts RANSOM progettati per la tua Smith & Wesson 945. Questa guida fornisce informazioni essenziali per garantire un uso sicuro e corretto del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR). Ti invitiamo a leggere attentamente questa guida prima di utilizzare il prodotto.

Linee Guida Generali sulla Sicurezza

- Assicurati che il prodotto sia utilizzato esclusivamente per l'uso previsto e in conformità con le istruzioni fornite.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il prodotto per segni di usura o danni. Se noti anomalie, interrompi immediatamente l'uso e contatta un professionista.
- Tieni il prodotto lontano dalla portata di bambini e gruppi vulnerabili.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza solo Grip Inserts RANSOM progettati specificamente per il Master Series Ransom Rest.
- Non tentare di modificare o riparare il prodotto in modo non autorizzato.
- Segui attentamente le istruzioni di installazione e utilizzo fornite.
- Assicurati che il Ransom Rest sia posizionato su una superficie stabile e sicura durante l'uso.
- Non utilizzare il prodotto in condizioni meteorologiche avverse o in ambienti non idonei.

Istruzioni per l'Installazione e l'Uso

1. Installazione dei Grip Inserts:

- Rimuovere eventuali grip inserts esistenti dal Ransom Rest.
- Posizionare i Grip Inserts RANSOM nel Ransom Rest seguendo le indicazioni del produttore.
- Assicurati che gli inserts siano fissati saldamente e in modo sicuro.

2. Utilizzo dei Grip Inserts:

- Posiziona la tua Smith & Wesson 945 nel Ransom Rest con i Grip Inserts installati.
- Assicurati che l'arma sia in una posizione di batteria corretta e stabile.
- Effettua il test di tiro seguendo le procedure raccomandate, assicurandoti di monitorare eventuali vibrazioni o rinculo.

3. Controllo e Manutenzione:

- Dopo ogni sessione di tiro, controlla i Grip Inserts per segni di usura o danni.
- Sostituisci gli inserts se noti crepe o deformazioni.

Istruzioni per lo Smaltimento

- I Grip Inserts RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti in plastica o materiali compositi.

- Se necessario, contatta un centro di raccolta rifiuti per informazioni sullo smaltimento sicuro.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto o per segnalare problemi, ti invitiamo a contattare il tuo rivenditore autorizzato o il servizio clienti del produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti.

Conclusione

La tua sicurezza è la nostra priorità. Seguendo queste linee guida, potrai utilizzare i Grip Inserts RANSOM in modo sicuro e efficace, garantendo prestazioni ottimali per la tua Smith & Wesson 945. Ricorda di rimanere sempre vigile e di segnalare eventuali problemi per contribuire alla sicurezza di tutti.
