

GRIP INSERTS - RANSOM GRIP INSERTS FOR S&W 22 VICTORY P.C.

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR S&W 22 VICTORY P.C.
- Manufacturer: RANSOM
- Product no.: 430119479
- Mfr. No.: 30-300-26-31
- Delivery weight: 0.907kg
- UPC: 810132582776

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS für S&W 22 VICTORY P.C.

Einführung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS von RANSOM, die speziell für die S&W 22 VICTORY P.C. entwickelt wurden. Diese Anleitung hilft dir, die Sicherheit und Funktionsweise der Grip Inserts zu verstehen und sicherzustellen, dass du sie korrekt verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur mit der vorgesehenen Waffe verwendest.
- Halte die Inserts von Kindern und anderen gefährdeten Personen fern.
- Überprüfe die Inserts regelmäßig auf Beschädigungen oder Abnutzung.
- Verwende die Inserts nicht, wenn sie beschädigt sind oder Anzeichen von Verschleiß aufweisen.
- Achte darauf, dass du die Inserts in einer sicheren Umgebung verwendest, die für das Schießen geeignet ist.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckten Kunststoffgriffe, da diese die Waffe beschädigen können.
- Achte darauf, dass die Inserts richtig in der Waffe installiert sind, um eine sichere Anwendung zu gewährleisten.
- Vermeide es, die Waffe zu verwenden, wenn die Inserts nicht korrekt installiert sind.
- Beachte, dass die Inserts entwickelt wurden, um die Rückstoßenergie zu absorbieren und die Vibrationen zu kontrollieren. Verwende sie daher nur wie vorgesehen.
- Halte dich an die Anweisungen des Herstellers, um die Sicherheit und die Leistung der Inserts zu gewährleisten.

Anweisungen zur Installation und Verwendung

1. Installation der Inserts:

- Entferne die vorhandenen Inserts oder Griffe von der Waffe.
- Setze die GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass sie fest sitzen und keine Bewegungsspielräume vorhanden sind.
- Überprüfe die Installation, bevor du die Waffe verwendest.

2. Verwendung der Inserts:

- Halte die Waffe immer in einer sicheren Position.
- Achte darauf, dass du beim Schießen die richtige Haltung einnimmst.
- Überwache während des Schießens die Leistung der Inserts und achte auf Anzeichen von Beschädigungen.
- Nach dem Schießen solltest du die Inserts auf Verschleiß überprüfen und bei Bedarf ersetzen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.
- Informiere dich über umweltfreundliche Entsorgungsmöglichkeiten in deiner Region.

Kontaktinformationen für weitere Unterstützung

- Bei Fragen oder Unsicherheiten zur Verwendung der GRIP INSERTS wende dich bitte an den Hersteller oder einen qualifizierten Fachmann.

Schlussfolgerung

Die GRIP INSERTS von RANSOM sind eine hervorragende Möglichkeit, dein Schießerlebnis zu verbessern und die Sicherheit zu erhöhen. Indem du die oben genannten Sicherheitsrichtlinien und Anweisungen befolgst, kannst du sicherstellen, dass du die Inserts effektiv und sicher verwendest. Denke daran, dass Sicherheit immer an erster Stelle steht.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR S&W 22 VICTORY P.C.

Introduction

Thank you for choosing the Ransom International Grip Inserts designed for the S&W 22 Victory P.C. This guide provides essential safety instructions to ensure the safe and effective use of your grip inserts. Please read this guide thoroughly before installation and use.

General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always use the grip inserts as intended and follow the manufacturer's instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts. These types of inserts can generate destructive recoil energy and may damage your firearm.
- Ensure that the grip inserts match the durometer of the human hand to absorb recoil effectively.
- Regularly inspect the grip inserts for wear and damage before each use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

When using the Ransom Grip Inserts, please observe the following precautions:

- **Avoid Hard Inserts:** Do not use hard or 3Dprinted inserts as they can lead to inaccurate test results and potential damage to the firearm.
- **Understand Recoil Dynamics:** Be aware that vibration and recoil cannot be eliminated; they must be controlled. The inserts are designed to absorb these forces.
- **Monitor for Damage:** Although damage may not be immediately visible, it can accumulate over time. Inspect your firearm and inserts regularly.
- **Use Properly:** Ensure that the grip inserts are installed correctly to avoid any potential hazards during use.

Instructions for Installation and Usage

Follow these steps to correctly install and use the Ransom Grip Inserts:

1. Preparation:

- Ensure your firearm is unloaded and in a safe position before beginning installation.
- Gather all necessary tools and materials.

2. Installation:

- Remove any existing grip inserts from the firearm.
- Align the Ransom Grip Inserts with the grip area of your firearm.
- Securely attach the inserts, ensuring they fit snugly and do not move.

3. Usage:

- Once installed, test the grip inserts by performing a dry fire to ensure they fit comfortably and absorb recoil as intended.

- When conducting live fire tests, monitor the performance of the inserts closely.
- If you notice any abnormal vibrations or sounds, stop using the firearm immediately and inspect the inserts.

4. PostUse Inspection:

- After each use, inspect the grip inserts for any signs of wear or damage.
- Replace any damaged inserts promptly to maintain safety and effectiveness.

Disposal Instructions

When disposing of the grip inserts, please follow these guidelines:

- Do not dispose of the grip inserts in regular household waste.
- Check with local regulations for proper disposal methods for plastic and composite materials.
- If the inserts are damaged or worn, ensure they are disposed of in a way that prevents accidental use.

Contact Information for Further Support

For further assistance or inquiries regarding the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with the product.

By following these safety instructions, you can ensure a safer experience while using the Ransom Grip Inserts. Thank you for prioritizing safety and responsible firearm handling.

Istruzioni di Sicurezza per l'Uso dei Grip Inserts RANSOM per S&W 22 Victory P.C.

Introduzione

Benvenuto! Questo documento fornisce istruzioni di sicurezza essenziali per l'uso dei Grip Inserts RANSOM progettati per migliorare le prestazioni di tiro con la tua S&W 22 Victory P.C. È fondamentale seguire queste linee guida per garantire un utilizzo sicuro e efficace del prodotto.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts RANSOM, poiché altri tipi di inserti (rigidi o stampati in 3D) possono danneggiare la tua arma.
- Verifica regolarmente il tuo equipaggiamento per eventuali segni di usura o danni.
- Non utilizzare mai il prodotto in modo che possa causare lesioni a te stesso o ad altri.
- Segui sempre le istruzioni di installazione e utilizzo per evitare incidenti.
- In caso di problemi o malfunzionamenti, interrompi immediatamente l'uso e contatta un esperto.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi o in plastica stampata in 3D. Questi possono generare energia di rinculo distruttiva che danneggia la tua arma.
- Fai attenzione a eventuali vibrazioni e rimbalzi durante l'uso. Gli inserti RANSOM sono progettati per assorbire queste forze.
- Non tentare di modificare o riparare i Grip Inserts RANSOM. Qualsiasi modifica può compromettere la sicurezza e l'efficacia del prodotto.
- Utilizza sempre l'arma in un'area sicura e controllata, lontano da persone e animali.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi eventuali grip inserts esistenti dalla tua arma.
- Pulisci l'area di installazione per garantire una buona aderenza.
- Posiziona il Grip Insert RANSOM nella posizione corretta, assicurandoti che sia ben fissato.
- Controlla che non ci siano spazi vuoti o movimenti eccessivi dell'inserto.

2. Uso:

- Prima di ogni utilizzo, verifica che il Grip Insert sia correttamente installato.
- Durante il tiro, mantieni una presa salda e controllata sull'arma.
- Monitora le prestazioni del Grip Insert e fai attenzione a eventuali segni di usura.

Istruzioni per lo Smaltimento

- Non gettare i Grip Inserts RANSOM nel normale rifiuto domestico. Segui le normative locali per lo smaltimento dei materiali plastici e dei componenti di armi.
- Se il prodotto è danneggiato o non più utilizzabile, contatta un centro di smaltimento autorizzato per una corretta gestione.

Informazioni di Contatto per Ulteriori Supporto

Per domande o ulteriori informazioni riguardanti la sicurezza e l'uso dei Grip Inserts RANSOM, ti invitiamo a contattare un esperto o un rivenditore autorizzato. Assicurati di avere a disposizione il numero di modello e la descrizione del problema.

Conclusione

Seguire queste istruzioni di sicurezza ti aiuterà a garantire un utilizzo sicuro e efficace dei Grip Inserts RANSOM per la tua S&W 22 Victory P.C. La sicurezza è una priorità, quindi non esitare a contattare esperti se hai domande o preoccupazioni. Grazie per aver scelto il nostro prodotto!
