

GRIP INSERTS - RANSOM GRIP INSERTS FOR S&W M&P M2.0 COMPETITION

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR S&W M&P M2.0 COMPETITION
- Manufacturer: RANSOM
- Product no.: 430119484
- Mfr. No.: 30-300-26-36
- Delivery weight: 0.907kg
- UPC: 810132582813

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR S&W M&P M2.0 COMPETITION

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS für S&W M&P M2.0 Competition. Diese Anleitung soll dir helfen, die Produkte sicher zu nutzen und potenzielle Gefahren zu vermeiden. Bitte lies die folgenden Informationen sorgfältig durch.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Grip Inserts nur für den vorgesehenen Zweck verwendest.
- Achte darauf, dass die Inserts in gutem Zustand sind und keine sichtbaren Schäden aufweisen.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen gefährdeten Personen.
- Informiere dich über Rückrufe und Sicherheitswarnungen über die EU Safety Gate Plattform.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Verwende **keine** harten Grip Inserts oder 3Dgedruckte KunststoffInserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts die DurometerHärte der menschlichen Hand nachahmen, um realistische Testergebnisse zu gewährleisten.
- Vermeide es, die Inserts zu verwenden, wenn du Anzeichen von Beschädigungen oder Abnutzung feststellst.
- Beachte, dass harte Inserts die Lebensdauer des Laufs und der Waffe verringern können und potenziell zu Verletzungen führen können.

Anweisungen zur Installation und Verwendung

1. Überprüfung der Inserts:

- Stelle sicher, dass die Inserts unbeschädigt sind.
- Überprüfe, ob die Inserts korrekt für das S&W M&P M2.0 Competition Modell geeignet sind.

2. Installation:

- Befolge die Anweisungen des Herstellers zur Installation der Inserts.
- Achte darauf, dass die Inserts fest und sicher sitzen.

3. Verwendung:

- Teste die Waffe in einem kontrollierten Umfeld, um sicherzustellen, dass die Inserts ordnungsgemäß funktionieren.
- Achte darauf, dass du die Rückstoß und Vibrationseigenschaften der Inserts berücksichtigst, um die Sicherheit zu gewährleisten.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den Grip Inserts wende dich bitte an den Hersteller oder den zuständigen Händler.

Bitte beachte, dass die Sicherheit deiner Waffe und die ordnungsgemäße Verwendung der Inserts von größter Bedeutung sind. Halte dich an diese Richtlinien, um ein sicheres und effektives Schießen zu gewährleisten.

GRIP INSERTS RANSOM GRIP INSERTS FOR S&W M&P M2.0 COMPETITION Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your S&W M&P M2.0 Competition. This product is designed to enhance the performance of your Master Series Ransom Rest while ensuring safety during usage. It is essential to follow the safety instructions outlined in this guide to prevent any potential hazards and to ensure a safe and effective experience.

General Safety Guidelines

- Ensure that your firearm is unloaded and safe to handle before installing or using the grip inserts.
- Only use the Ransom Grip Inserts as intended. Do not use hard grip inserts or 3Dprinted plastic grip inserts.
- Understand that improper use of grip inserts may lead to damage to your firearm and pose safety risks.
- Regularly inspect your grip inserts for wear and tear, and replace them if necessary.
- Keep the product out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic inserts, as they can generate destructive recoil energy that may damage your firearm.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they can only be controlled. The inserts are designed to mimic the human hand to absorb these forces effectively.
- **Monitor for Damage:** Be aware that using inappropriate inserts may not show immediate damage, but can lead to longterm wear on your firearm, including potential barrel damage.
- **Testing Protocols:** When conducting tests, ensure that the grip inserts replicate humanlike recoil to obtain valid test data. Avoid using hard or 3Dprinted inserts for testing purposes.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing grip inserts from the Ransom Rest.
- Carefully place the Ransom Grip Inserts into the designated slots, ensuring a snug fit.
- Doublecheck that the inserts are securely in place before proceeding to use the Ransom Rest.

2. Usage:

- Position your firearm in the Ransom Rest with the installed grip inserts.
- Ensure that the machine is stable and that the firearm is aligned correctly.
- Conduct your shooting tests, being mindful of the recoil and vibration dynamics.
- After use, inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste if they are made from materials that require special handling.

- Consult local waste management guidelines for proper disposal methods.

Contact Information for Further Support

For any questions regarding the safety and usage of the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for more details.

By following these safety instructions, you ensure not only your safety but also the longevity and performance of your firearm. Thank you for your attention to these guidelines. Enjoy your shooting experience responsibly!

Guida alla Sicurezza per gli Grip Inserts RANSOM per S&W M&P M2.0 Competition

Introduzione

Benvenuto nella guida alla sicurezza per i Grip Inserts RANSOM progettati per il S&W M&P M2.0 Competition. Questa guida fornisce informazioni importanti per garantire un uso sicuro e responsabile del prodotto. Ti invitiamo a leggere attentamente queste istruzioni prima dell'uso.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i Grip Inserts RANSOM solo come indicato nel manuale.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la tua sicurezza.
- Tieni i grip inserts e il tuo S&W M&P M2.0 Competition lontano dalla portata di bambini e gruppi vulnerabili.
- In caso di malfunzionamenti o incidenti, contatta immediatamente le autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Evita l'uso di grip inserts rigidi:** Questi possono generare energia di rinculo distruttiva e causare danni all'arma.
- **Controlla la compatibilità:** Assicurati che i grip inserts siano compatibili con il tuo modello di arma.
- **Assorbimento delle forze:** I grip inserts sono progettati per assorbire vibrazioni e rinculo, quindi non utilizzare materiali che non soddisfano questa funzione.
- **Rivolgiti a un professionista:** Se non sei sicuro di come installare o utilizzare i grip inserts, chiedi aiuto a un esperto.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in sicurezza prima di procedere.

2. Installazione dei Grip Inserts:

- Rimuovi eventuali grip inserts precedenti o accessori dall'arma.
- Segui le istruzioni specifiche fornite con i Grip Inserts RANSOM per una corretta installazione.
- Verifica che l'installazione sia sicura e che non ci siano spazi vuoti o movimenti.

3. Uso:

- Utilizza i grip inserts solo durante il tiro con il Master Series Ransom Rest.
- Monitora continuamente le prestazioni e il funzionamento dell'arma durante l'uso.
- Evita di forzare l'arma in situazioni ad alto stress che potrebbero compromettere la sicurezza.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento di materiali e prodotti non più utilizzabili.
- Non gettare i grip inserts o i materiali associati nell'ambiente senza seguire le linee guida di smaltimento corrette.
- Contatta le autorità locali per ottenere informazioni su come smaltire in modo sicuro i prodotti.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori domande o chiarimenti sulla sicurezza e sull'uso dei Grip Inserts RANSOM, ti invitiamo a contattare un professionista del settore o il rivenditore presso cui hai acquistato il prodotto. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti per ricevere assistenza adeguata.

Questa guida è stata redatta in conformità con le normative di sicurezza generali dell'Unione Europea. Segui sempre queste istruzioni per garantire un uso sicuro e responsabile del tuo prodotto.
