

GRIP INSERTS - RANSOM GRIP INSERTS SPRINGFIELD ARMORY 1911

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS SPRINGFIELD ARMORY 1911
- Manufacturer: RANSOM
- Product no.: 430119485
- Mfr. No.: 30-300-27-02
- Delivery weight: 0.907kg
- UPC: 810132582844

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für RANSOM GRIP INSERTS

Einführung

Herzlich willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS. Diese Inserts sind speziell für den Master Series Ransom Rest konzipiert und bieten optimalen Schutz für deine Waffe. Um die Sicherheit und die Lebensdauer deiner Waffe zu gewährleisten, ist es wichtig, die folgenden Richtlinien und Vorsichtsmaßnahmen zu beachten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die RANSOM GRIP INSERTS gemäß den Anweisungen verwendest.
- Verwende keine harten oder 3Dgedruckten Inserts, da diese der Waffe schaden können.
- Achte darauf, dass die Inserts in gutem Zustand sind und keine sichtbaren Schäden aufweisen.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und gefährdeten Personen.
- Informiere dich regelmäßig über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Die Inserts sind so konzipiert, dass sie die DurometerHärte der menschlichen Hand nachahmen. Verwende sie nur mit kompatiblen Waffen.
- Achte darauf, dass die Inserts ordnungsgemäß in die Waffe eingesetzt sind, bevor du mit dem Schießen beginnst.
- Vermeide es, die Waffe während des Schießens zu bewegen oder zu verstellen, um unerwartete Rückstoßkräfte zu minimieren.
- Wenn du ungewöhnliche Geräusche oder Vibrationen bemerkst, stoppe sofort die Verwendung und überprüfe die Inserts sowie die Waffe.

Anweisungen für Installation und Verwendung

1. Vorbereitung:

- Überprüfe die RANSOM GRIP INSERTS auf sichtbare Schäden.
- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.

2. Installation:

- Setze die Inserts vorsichtig in die vorgesehenen Halterungen des Master Series Ransom Rest ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Bewegungen zulassen.

3. Verwendung:

- Nimm die Waffe in die Hand und positioniere sie stabil auf dem Ransom Rest.
- Schieße nur, wenn du sicher bist, dass alles korrekt installiert ist und die Waffe stabil ist.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für elektronische Abfälle.
- Halte dich an die Empfehlungen deines lokalen Entsorgungsdienstes, um sicherzustellen, dass die Materialien umweltgerecht entsorgt werden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Anliegen zu den RANSOM GRIP INSERTS, wende dich bitte an den Hersteller oder deinen Fachhändler. Sie stehen dir gerne zur Verfügung, um Unterstützung zu bieten und sicherzustellen, dass du die Inserts sicher und effektiv verwenden kannst.

Diese Sicherheitshinweise sind darauf ausgelegt, dir zu helfen, die RANSOM GRIP INSERTS sicher zu verwenden und mögliche Risiken zu vermeiden. Achte darauf, die Anweisungen sorgfältig zu befolgen, um die optimale Leistung und Sicherheit deiner Waffe zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS SPRINGFIELD ARMORY

1911

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Springfield Armory 1911. This guide provides essential safety information to ensure safe and effective use of the product. Please read and follow these instructions carefully to avoid potential hazards.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the grip inserts for any signs of wear or damage before each use.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with the Master Series Ransom Rest.
- Be aware of the physics of recoil and vibration; improper use can lead to damage or injury.
- Always follow safe handling practices for firearms.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted inserts, as they can damage your firearm and provide inaccurate test results.
- **Absorption of Recoil:** The grip inserts are designed to absorb recoil and vibration similar to the human hand. Ensure they are properly installed to maximize this function.
- **Monitor for Damage:** Be vigilant for any signs of damage to the inserts, as this can affect performance and safety.
- **Usage Environment:** Use the grip inserts in a controlled environment, away from children and unauthorized users.

Instructions for Installation and Usage

1. Installation:

- Carefully remove any existing grip inserts from the firearm.
- Align the Ransom grip inserts with the grip frame of the firearm.
- Ensure a snug fit without forcing the inserts into place.
- Doublecheck that the inserts are securely in place before proceeding.

2. Usage:

- When using the Ransom Rest, ensure the firearm is properly secured and that the grip inserts are functioning as intended.
- Allow the inserts to absorb the initial recoil and vibration during shooting. This will help maintain the integrity of both the firearm and the inserts.
- After each session, inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations for nonhazardous waste.
- Do not dispose of grip inserts in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure safe and effective use of the Ransom International Grip Inserts. Always prioritize safety and proper handling when working with firearms. Thank you for your attention to these important safety instructions.

Guida alla Sicurezza per l'Uso degli Inserti Grip Ransom

Introduzione

Grazie per aver scelto gli inserti grip Ransom per il tuo Master Series Ransom Rest. Questa guida fornisce informazioni importanti sulla sicurezza e sull'uso corretto del prodotto, garantendo un'esperienza di test di tiro ottimale e sicura.

Linee Guida Generali sulla Sicurezza

- Assicurati di utilizzare solo inserti grip Ransom progettati specificamente per il tuo Master Series Ransom Rest.
- Evita l'uso di inserti grip rigidi o di inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Segui sempre le istruzioni di installazione e utilizzo fornite per garantire un funzionamento corretto e sicuro.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare inserti grip rigidi, poiché possono trasferire vibrazioni e rinculo all'arma, causando danni.
- Assicurati che gli inserti grip siano correttamente installati prima di ogni utilizzo.
- Non tentare di modificare o riparare gli inserti grip; contatta il produttore per assistenza.
- In caso di qualsiasi problema durante l'uso, interrompi immediatamente il test e verifica il prodotto.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti Grip Ransom:

- Rimuovi eventuali inserti esistenti dal tuo Master Series Ransom Rest.
- Pulisci l'area di installazione per rimuovere polvere e detriti.
- Posiziona gli inserti grip Ransom in modo che siano allineati correttamente.
- Fissa gli inserti secondo le istruzioni specifiche fornite con il prodotto.

2. Uso del Master Series Ransom Rest:

- Posiziona l'arma in modo sicuro nel Ransom Rest, assicurandoti che sia ben bloccata.
- Esegui un controllo visivo per assicurarti che non ci siano ostacoli o rischi nelle vicinanze.
- Inizia il test di tiro seguendo le procedure standard di sicurezza per le armi da fuoco.

Istruzioni per lo Smaltimento

- Gli inserti grip Ransom devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti grip nel normale spazzatura; verifica se ci sono punti di raccolta per rifiuti speciali nella tua area.
- Contatta il produttore per ulteriori informazioni sulle procedure di smaltimento corrette.

Informazioni di Contatto per Ulteriori Supporto

Per qualsiasi domanda o preoccupazione riguardante la sicurezza o l'uso degli inserti grip Ransom, ti invitiamo a contattare il produttore. Assicurati di avere a disposizione il numero di modello del prodotto e altre informazioni

pertinenti.

Nota Importante

Questa guida è stata redatta in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR). È fondamentale seguire queste istruzioni per garantire un uso sicuro e responsabile del prodotto. In caso di prodotti non sicuri o incidenti, segnalali alle autorità competenti e controlla gli aggiornamenti sui richiami tramite la piattaforma Safety Gate dell'UE.
