

GRIP INSERTS - RANSOM GRIP INSERTS FOR SQUARE BUTT TAURUS 431,441,61,65,66,669,80

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SQUARE BUTT TAURUS 431,441,61,65,66,669,80
- Manufacturer: RANSOM
- Product no.: 430119497
- Mfr. No.: 30-300-28-01
- Delivery weight: 0.907kg
- UPC: 810132583032

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS für die Modelle Taurus 431, 441, 61, 65, 66, 669 und 80. Diese Anleitung soll dir helfen, die Inserts sicher und effektiv zu verwenden, um die Leistung deiner Waffe zu optimieren und mögliche Risiken zu minimieren.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur für die vorgesehenen Waffentypen verwendest.
- Verwende niemals harte Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deine Waffe beschädigen können.
- Achte darauf, dass die Inserts in gutem Zustand sind und keine sichtbaren Beschädigungen aufweisen, bevor du sie verwendest.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und anderen unbefugten Personen.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Harte Inserts erzeugen destruktive Rückstoßenergie, die die Waffe beschädigen kann. Verwende daher ausschließlich die RANSOM Grip Inserts.
- Die Inserts sind so konzipiert, dass sie die DurometerHärte der menschlichen Hand nachahmen und helfen, Rückstoß und Vibrationen zu absorbieren.
- Achte darauf, dass die Inserts korrekt in der Waffe installiert sind, um eine optimale Leistung zu gewährleisten.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen und ersetze sie bei Bedarf.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden, und reinige die Halterung gründlich.
- Setze die neuen RANSOM Grip Inserts gemäß den Anweisungen des Herstellers ein.
- Überprüfe, ob die Inserts fest sitzen und korrekt ausgerichtet sind.

2. Nutzung der Inserts:

- Verwende die Waffe mit den installierten Inserts gemäß den Anweisungen des Herstellers.
- Achte darauf, dass die Maschine während des Schussvorgangs stabil bleibt und die Inserts die Rückstoßenergie absorbieren.
- Beobachte die Leistung der Waffe und der Inserts während des Gebrauchs und achte auf Veränderungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffen und anderen Materialien.
- Bitte achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Unterstützung zu den GRIP INSERTS RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder einen autorisierten Fachhändler.

Schlussfolgerung

Die Sicherheit bei der Verwendung von GRIP INSERTS ist von größter Bedeutung. Halte dich an die oben genannten Richtlinien und Anweisungen, um ein sicheres und effektives Schießen zu gewährleisten. Achte darauf, dass du die Inserts regelmäßig überprüfst und bei Bedarf ersetzt, um die beste Leistung deiner Waffe zu garantieren.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR SQUARE BUTT TAURUS 431, 441, 61, 65, 66, 669, 80

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are specifically designed to enhance the performance of your Master Series Ransom Rest by mimicking the natural recoil absorption of the human hand. This guide provides essential safety information to ensure the safe use of the product, protecting both the user and the firearm.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- Check for standardized recall notices and free remedies for dangerous products.
- Recognize that online shopping platforms must meet the same safety requirements as physical stores.
- Extra safeguards are in place for vulnerable groups, such as children.
- Always report unsafe products and accidents to authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Physics dictates that every action has an equal and opposite reaction. Hard inserts do not absorb recoil effectively, leading to potential harm.
- **Monitor for Damage:** Damage from hard inserts may not be immediately visible but can accumulate over time, decreasing the lifespan of your firearm and posing safety risks.
- **Follow Testing Protocols:** When conducting destructive or accuracy testing, ensure that you mimic humanlike recoil to obtain valid results.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that the Ransom Rest is placed on a stable surface.
2. Carefully insert the grip inserts into the designated slots of the Ransom Rest.
3. Ensure that the inserts are securely in place before proceeding to use the rest.

- **Usage:**

1. Position your firearm in the Ransom Rest, ensuring it is locked in place.
2. Follow all manufacturer guidelines for operating the firearm.
3. Observe the recoil dynamics during test firing and ensure that the inserts are absorbing the recoil as intended.
4. Regularly inspect the grip inserts for wear and tear. Replace if any damage is noted.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste management regulations.
- Do not dispose of grip inserts in regular household waste if they contain materials that may be harmful to

the environment.

Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to the appropriate EUbased contact point for product safety.

By following these guidelines, you ensure not only your safety but also the longevity and performance of your firearm. Thank you for your attention to these important safety measures.

Guida alle Istruzioni di Sicurezza per GRIP INSERTS RANSOM

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per gli inserti per impugnatura RANSOM progettati per il Taurus 431, 441, 61, 65, 66, 669, 80. Questa guida fornisce informazioni essenziali per garantire un uso sicuro e corretto del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR).

Linee Guida Generali di Sicurezza

- Utilizzare solo gli inserti per impugnatura RANSOM progettati specificamente per il modello di arma indicato.
- Non usare inserti rigidi o stampati in 3D, in quanto possono danneggiare l'arma e compromettere la sicurezza.
- Assicurarci che gli inserti siano installati correttamente prima di utilizzare l'arma.
- Tenere il prodotto lontano dalla portata di bambini e gruppi vulnerabili.
- Segnalare immediatamente qualsiasi prodotto ritenuto non sicuro alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare il prodotto in condizioni di umidità o ambienti estremi che potrebbero comprometterne l'integrità.
- Controllare regolarmente gli inserti per eventuali segni di usura o danni.
- Non forzare l'arma durante l'uso; seguire sempre le istruzioni del produttore per il funzionamento.
- Non tentare di riparare o modificare gli inserti senza consultare un professionista qualificato.
- Se si notano vibrazioni o comportamenti anomali durante l'uso, interrompere immediatamente l'uso e controllare il prodotto.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurarci che l'arma sia scarica e in sicurezza prima di procedere all'installazione.
- Pulire l'area di installazione per rimuovere polvere o detriti.

2. Installazione:

- Posizionare gli inserti RANSOM nell'alloggiamento dell'impugnatura dell'arma.
- Assicurarci che gli inserti siano ben fissati e non si muovano.
- Verificare che non ci siano spazi vuoti tra l'inserto e l'arma.

3. Uso:

- Utilizzare l'arma solo in un ambiente sicuro e controllato.
- Seguire tutte le procedure di sicurezza standard per la manipolazione delle armi.
- Monitorare il comportamento dell'arma durante l'uso e prestare attenzione a vibrazioni anomale.

Istruzioni per lo Smaltimento

- Non gettare gli inserti RANSOM nel normale spazzatura domestica.
- Seguire le normative locali per lo smaltimento di prodotti in plastica o materiali simili.
- Contattare un centro di raccolta rifiuti specializzato per informazioni sullo smaltimento corretto.

Informazioni per Ulteriori Supporto

Per domande o ulteriori informazioni riguardanti la sicurezza del prodotto o l'uso degli inserti RANSOM, si consiglia di contattare il produttore o un rivenditore autorizzato.

Si prega di notare che il rispetto di queste linee guida e istruzioni è fondamentale per garantire un uso sicuro e efficace degli inserti per impugnatura RANSOM. La sicurezza dell'utente e la protezione dell'arma devono sempre essere la priorità principale.
