

GRIP INSERTS - RANSOM GRIP INSERTS FOR TAURUS 24-7

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR TAURUS 24-7
- Manufacturer: RANSOM
- Product no.: 430119498
- Mfr. No.: 30-300-28-02
- Delivery weight: 0.907kg
- UPC: 810132583063

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR TAURUS 247

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS von RANSOM. Diese Inserts sind speziell dafür konzipiert, die Leistung deines Master Series Ransom Rest zu verbessern. Bitte lies die folgenden Hinweise sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv nutzt.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass du die Inserts nur für den vorgesehenen Zweck verwendest.
- Halte die Inserts und das Gewehr von Kindern fern.
- Verwende die Inserts nicht, wenn sie beschädigt oder abgenutzt sind.
- Informiere dich regelmäßig über Rückrufaktionen und Sicherheitswarnungen über die Safety GatePlattform der EU.
- Melde unsichere Produkte oder Unfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Harte Inserts können schädliche Rückstoßenergie erzeugen, die dein Gewehr beschädigen kann.
- **Keine 3Dgedruckten Inserts:** Diese sind oft schlecht konstruiert und können unrealistische Testergebnisse liefern.
- **Achte auf Vibration:** Die Inserts sind so konzipiert, dass sie Vibrationen absorbieren und nicht auf das Gewehr übertragen.
- **Beobachte die ersten Millisekunden:** Die Inserts absorbieren die ersten Millisekunden des Schusses, wodurch die Maschine kontrolliert reagieren kann.

Anweisungen für Installation und Nutzung

1. Installation:

- Stelle sicher, dass das Gewehr sicher und stabil auf einer geeigneten Unterlage liegt.
- Entferne alle alten Inserts, bevor du die neuen GRIP INSERTS installierst.
- Setze die GRIP INSERTS gemäß den Anweisungen des Herstellers in den Ransom Rest ein.

2. Nutzung:

- Teste das Gewehr mit den neuen Inserts in einer sicheren Umgebung.
- Achte darauf, dass du bei jedem Schuss die Auswirkungen auf das Gewehr beobachtest.
- Wenn du Anomalien oder unerwartete Vibrationen bemerkst, stoppe die Nutzung sofort.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, bevor du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung wende dich bitte an den Hersteller oder deinen Händler. Achte darauf, dass du

alle Sicherheitsrichtlinien befolgst, um die Sicherheit bei der Verwendung der GRIP INSERTS zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR TAURUS 247

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Taurus 247. This guide provides essential safety instructions to ensure the safe and effective use of your grip inserts. Please read this guide carefully before installation and use to prevent accidents and ensure optimal performance.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always check for any visible damage before use. Do not use if damaged.
- Store the grip inserts in a cool, dry place away from direct sunlight.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can cause damage to your firearm.
- **Understand Recoil Dynamics:** Be aware that hard inserts do not replicate humanlike recoil and can lead to inaccurate test results.
- **Monitor for Damage:** Regularly inspect your firearm for any signs of wear or damage that may result from improper grip insert use.
- **Use Only Recommended Inserts:** Always use Ransom grip inserts designed for your specific firearm model to ensure compatibility and safety.
- **Follow Manufacturer's Recommendations:** Adhere to all safety warnings and guidelines provided by the manufacturer.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and safe to handle.
- Gather all necessary tools and components required for installation.

2. Installation:

- Remove any existing grip inserts from the Ransom Rest.
- Align the Ransom grip insert with the designated area on the Ransom Rest.
- Firmly press the insert into place until it is securely fitted. Ensure there are no gaps or loose areas.

3. Usage:

- Place your firearm in the Ransom Rest according to the manufacturer's guidelines.
- Ensure the grip insert is properly engaged with the firearm before proceeding with any testing.
- Conduct tests in a controlled environment, monitoring for any signs of instability or damage.
- After use, remove the firearm and inspect both the firearm and the grip insert for any signs of wear.

4. Maintenance:

- Clean the grip inserts regularly to maintain optimal performance.
- Store the inserts in a protective case when not in use to prevent damage.

Disposal Instructions

- Dispose of the grip inserts in accordance with local regulations.
- Do not dispose of inserts in regular household waste if they are damaged or broken. Follow your local waste management guidelines for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom Grip Inserts, please refer to the manufacturer's website or contact their customer support.

Note: This guide is intended to enhance user safety and product performance. Always prioritize safety and adhere to all instructions provided.

Istruzioni di Sicurezza per l'Uso degli INSERTI GRIP RANSOM per Taurus 247

Introduzione

Benvenuto! Gli INSERTI GRIP RANSOM sono progettati per migliorare la tua esperienza di tiro con la pistola Taurus 247. È fondamentale seguire queste istruzioni di sicurezza per garantire un utilizzo corretto e sicuro del prodotto. Questa guida è conforme alle normative europee sulla sicurezza dei prodotti e offre informazioni vitali per l'uso e la manutenzione.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare gli INSERTI GRIP RANSOM solo con la tua Taurus 247.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la tua sicurezza.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Non utilizzare il prodotto se noti qualsiasi anomalia o difetto.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli INSERTI GRIP RANSOM sono progettati per assorbire il rinculo e le vibrazioni. Non tentare di modificare o adattare gli inserti.
- Evita di utilizzare la tua arma in condizioni estreme, come temperature molto elevate o molto basse, che potrebbero influenzare le prestazioni degli inserti.
- Non lasciare mai l'arma incustodita mentre è equipaggiata con gli inserti.
- Utilizza sempre occhiali protettivi e protezioni per le orecchie quando utilizzi la tua arma.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli INSERTI GRIP RANSOM:

- Rimuovi eventuali inserti esistenti dalla tua Taurus 247.
- Pulisci l'area in cui gli inserti saranno installati per rimuovere polvere e detriti.
- Posiziona gli INSERTI GRIP RANSOM nei punti designati seguendo le istruzioni del produttore.
- Assicurati che gli inserti siano fissati saldamente e non si muovano.

2. Uso degli INSERTI GRIP RANSOM:

- Dopo aver installato gli inserti, esegui un test di funzionamento in un'area sicura e controllata.
- Durante il tiro, presta attenzione alla reazione dell'arma e al comportamento degli inserti.
- Se noti vibrazioni eccessive o qualsiasi problema, interrompi immediatamente l'uso e controlla gli inserti.

Istruzioni per lo Smaltimento

- Gli INSERTI GRIP RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Contatta il tuo comune per informazioni sulle procedure di smaltimento corrette.
- Assicurati di smaltire gli inserti in modo sicuro e responsabile per proteggere l'ambiente.

Informazioni di Contatto per Ulteriori Supporto

Per domande o dubbi riguardanti l'uso e la sicurezza degli INSERTI GRIP RANSOM, ti invitiamo a contattare il servizio clienti del produttore.

Conclusione

Seguire queste istruzioni e linee guida di sicurezza è fondamentale per garantire un uso sicuro e soddisfacente degli INSERTI GRIP RANSOM. La tua sicurezza e quella degli altri è la nostra massima priorità. Grazie per aver scelto i nostri prodotti!
