

GRIP INSERTS - RANSOM GRIP INSERTS FOR TAURUS GX4

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR TAURUS GX4
- Manufacturer: RANSOM
- Product no.: 430119503
- Mfr. No.: 30-300-28-10
- Delivery weight: 0.907kg
- UPC: 810132583100

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR TAURUS GX4

Einführung

Herzlichen Glückwunsch zum Kauf der GRIP INSERTS von RANSOM! Diese Einlagen sind speziell für deine Master Series Ransom Rest entwickelt worden und sollen dein Schießerlebnis verbessern. Um sicherzustellen, dass du das Produkt sicher und effektiv nutzt, beachte bitte die folgenden Sicherheitshinweise.

Allgemeine Sicherheitshinweise

- Verwende die GRIP INSERTS nur in Verbindung mit dem vorgesehenen Ransom Rest.
- Achte darauf, dass die Einlagen regelmäßig auf Beschädigungen oder Abnutzung überprüft werden.
- Lagere die GRIP INSERTS an einem trockenen, kühlen Ort, fern von direkter Sonneneinstrahlung und extremen Temperaturen.
- Halte die Einlagen und das Gerät außerhalb der Reichweite von Kindern.
- Melde unsichere Produkte oder Unfälle umgehend den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Einlagen:** Harte Griffenlagen oder 3Dgedruckte Kunststoffgriffenlagen können deinem Gewehr schaden und sind nicht für die Verwendung geeignet.
- **Beachte die Physik des Rückstoßes:** Harte Einlagen übertragen Rückstoß und Vibrationen auf dein Gewehr, was zu Schäden führen kann. Die GRIP INSERTS sind so konzipiert, dass sie diese Kräfte absorbieren.
- **Regelmäßige Überprüfung:** Überprüfe vor jedem Gebrauch die Einlagen auf Risse oder andere Schäden.
- **Verwende das Produkt gemäß den Anweisungen:** Befolge die Installations und Benutzungsanweisungen sorgfältig, um die Sicherheit zu gewährleisten.

Anweisungen zur Installation und Verwendung

1. Installation:

- Entferne die alte Einlage (falls vorhanden) aus dem Ransom Rest.
- Setze die GRIP INSERTS vorsichtig in den vorgesehenen Platz ein.
- Stelle sicher, dass die Einlagen fest sitzen und keine Lücken aufweisen.

2. Verwendung:

- Positioniere das Gewehr sicher im Ransom Rest.
- Achte darauf, dass die GRIP INSERTS richtig ausgerichtet sind, um eine optimale Leistung zu gewährleisten.
- Führe Tests mit Bedacht durch und achte auf Anzeichen von Vibrationen oder Rückstoß, die nicht absorbiert werden.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass die Einlagen nicht in die Umwelt gelangen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen und Unterstützung zu den GRIP INSERTS von RANSOM, wende dich bitte an den Anbieter oder den Händler, bei dem du das Produkt erworben hast.

Bitte beachte, dass die ordnungsgemäße Verwendung der GRIP INSERTS nicht nur deine Sicherheit, sondern auch die Langlebigkeit deines Gewehrs gewährleistet. Achte darauf, alle Hinweise zu befolgen, um ein sicheres und angenehmes Schießelerlebnis zu haben!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR TAURUS GX4

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Taurus GX4. This guide provides essential safety instructions to ensure the safe use of this product. It is important to follow these guidelines to avoid potential hazards and ensure optimal performance.

General Safety Guidelines

- **Product Safety:** Ensure that you use the grip inserts as intended to avoid any risks associated with improper use.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** Extra caution should be taken if the product is used by children or inexperienced users.
- **EU Contact Point:** For safety inquiries, refer to the specific contact point provided by the manufacturer.
- **Rapid Alerts:** Keep updated on any unsafe product alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic inserts with your Ransom Rest. These can damage your firearm and produce unreliable test results.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated; they must be controlled. The inserts are designed to absorb these forces effectively.
- **Observe for Damage:** Be aware that damage from hard inserts may not be immediately visible but can accumulate over time, affecting the firearm's longevity.
- **Testing Procedures:** When conducting destructive testing or accuracy testing, ensure that the grip inserts mimic the human hand to obtain valid results.
- **Caution:** Many have attempted to use hard or 3Dprinted inserts and have found them ineffective. Follow the guidelines to avoid unnecessary risks.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and in a safe condition before attaching the grip inserts.
- Follow the manufacturer's instructions for correctly installing the grip inserts onto your Taurus GX4.
- Verify that the inserts are securely in place before use.

2. Usage:

- Use the grip inserts in conjunction with the Ransom Rest to ensure proper absorption of recoil and vibration.
- Monitor the performance of the grip inserts during use. If you notice any signs of damage or wear, discontinue use immediately.
- Always handle the firearm safely and responsibly, following all applicable laws and regulations.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not throw grip inserts in regular household waste if they contain hazardous materials. Consult local guidelines for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom International Grip Inserts, please refer to the manufacturer's contact point for assistance.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and effective experience with your Ransom Grip Inserts.

Istruzioni di Sicurezza per l'Uso di Grip Inserts RANSOM per Taurus GX4

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il Taurus GX4. Questo prodotto è progettato per migliorare la stabilità e la sicurezza durante l'uso del tuo arma. È importante seguire attentamente le istruzioni di sicurezza per garantire un utilizzo corretto e sicuro.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i Grip Inserts RANSOM solo con il modello Taurus GX4.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Mantieni il prodotto lontano dalla portata dei bambini e di gruppi vulnerabili.
- In caso di incidenti o prodotti difettosi, contatta immediatamente le autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Prima di installare i Grip Inserts, assicurati che l'arma sia scarica e in sicurezza.
- Segui le istruzioni di installazione per garantire un montaggio corretto.
- Non utilizzare l'arma in condizioni meteorologiche avverse o in situazioni che potrebbero compromettere la stabilità.
- Durante l'uso, presta attenzione a eventuali vibrazioni anomale o rumori che potrebbero indicare un problema.
- Non tentare di modificare o riparare i Grip Inserts senza consultare un professionista.

Istruzioni per l'Installazione e l'Uso

1. Installazione dei Grip Inserts:

- Assicurati che l'arma sia scarica.
- Rimuovi eventuali inserti esistenti.
- Posiziona i Grip Inserts RANSOM nel supporto designato.
- Fissa gli inserti seguendo le istruzioni specifiche fornite con il prodotto.
- Controlla che gli inserti siano ben saldi e non presentino movimenti.

2. Uso dei Grip Inserts:

- Utilizza l'arma in un ambiente sicuro e controllato.
- Assicurati di avere una presa salda sull'arma durante il tiro.
- Monitora costantemente le prestazioni dell'arma e dei Grip Inserts durante l'uso.
- Dopo ogni sessione di tiro, controlla gli inserti per eventuali segni di usura.

Istruzioni per lo Smaltimento

- I Grip Inserts RANSOM non devono essere smaltiti con i rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti in plastica e materiali compositi.
- Contatta un centro di raccolta rifiuti specializzato per informazioni sul corretto smaltimento.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso dei Grip Inserts RANSOM, è possibile contattare il produttore. Assicurati di avere a disposizione il numero di modello e la descrizione del problema per ricevere assistenza più rapida.

Si prega di notare che queste istruzioni di sicurezza sono state redatte in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR). È fondamentale seguire queste linee guida per garantire un utilizzo sicuro e responsabile del prodotto.
