

GRIP INSERTS - RANSOM GRIP INSERTS FOR THOMPSON CENTER CONTENDER G2

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR THOMPSON CENTER CONTENDER G2
- Manufacturer: RANSOM
- Product no.: 430119506
- Mfr. No.: 30-300-29-01
- Delivery weight: 0.907kg
- UPC: 810132583148

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR THOMPSON CENTER

CONTENDER G2

Einführung

Die GRIP INSERTS von RANSOM sind speziell für den Thompson Center Contender G2 entwickelt worden, um eine optimale Handhabung und Sicherheit beim Schießen zu gewährleisten. Diese Anleitung bietet wichtige Sicherheitshinweise, um die sichere Verwendung des Produkts zu gewährleisten und potenzielle Risiken zu minimieren.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in Verbindung mit dem Thompson Center Contender G2 verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung und Sicherheit zu gewährleisten.
- Überprüfe regelmäßig den Zustand der Inserts und ersetze sie bei Anzeichen von Verschleiß oder Beschädigung.
- Halte das Produkt außerhalb der Reichweite von Kindern und anderen unbefugten Personen.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide den Einsatz bei extremen Wetterbedingungen, die die Materialintegrität der Inserts beeinträchtigen könnten.
- Achte darauf, dass deine Hände und das Gewehr trocken sind, um ein Abrutschen während des Schießens zu verhindern.
- Verwende die Inserts nur mit der vorgesehenen Waffe und in Übereinstimmung mit den Herstelleranweisungen.
- Bei der Verwendung der Inserts ist es wichtig, die richtige Schießtechnik zu befolgen, um Verletzungen zu vermeiden.
- Bei Anzeichen von Fehlfunktionen oder ungewöhnlichem Verhalten während des Gebrauchs, stoppe sofort die Verwendung und überprüfe das Produkt.

Anweisungen zur Installation und Nutzung

1. Installation:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen, bevor du das Gewehr verwendest.
- Überprüfe die Inserts auf korrekten Sitz und Stabilität.

2. Nutzung:

- Halte das Gewehr mit beiden Händen fest, um eine optimale Kontrolle während des Schießens zu gewährleisten.
- Achte darauf, dass die Inserts die Rückstoßenergie absorbieren, bevor du den Abzug betätigst.
- Führe regelmäßige Tests durch, um sicherzustellen, dass die Inserts ordnungsgemäß funktionieren und keine Schäden aufweisen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

- Für Fragen zur Sicherheit oder zur Verwendung der GRIP INSERTS wende dich bitte an den Hersteller oder einen autorisierten Händler.

Schlussfolgerung

Die GRIP INSERTS von RANSOM bieten eine sichere und effektive Lösung für die Handhabung des Thompson Center Contender G2. Durch die Beachtung dieser Sicherheitsrichtlinien kannst du die Leistung deines Gewehrs optimieren und potenzielle Risiken minimieren. Bei weiteren Fragen oder Bedenken wende dich bitte an die entsprechenden Stellen.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR THOMPSON CENTER CONTENDER G2

Introduction

Thank you for choosing the GRIP INSERTS RANSOM GRIP INSERTS FOR THOMPSON CENTER CONTENDER G2. These grip inserts are designed to enhance your shooting experience while ensuring the safety and integrity of your firearm. This guide provides essential safety instructions and guidelines to help you use the product effectively and safely.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and follow all safety protocols.
- Regularly inspect the grip inserts for wear and tear before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest.
- Hard inserts can damage your firearm by generating destructive recoil energy.
- Avoid using inserts that do not replicate humanlike recoil, as they can lead to flawed test results.
- Be aware that using a hard insert may decrease the life of your barrel and firearm.
- Understand that using hard inserts can potentially cause injury or death.
- Ensure that the grip inserts are specifically designed to absorb vibration and recoil similar to the human hand.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before installation.
- Gather all necessary tools for installation.

2. Installation:

- Remove any existing grip inserts from the firearm.
- Carefully install the Ransom grip inserts according to the manufacturer's specifications.
- Ensure that the inserts fit securely and are aligned properly.

3. Usage:

- When using the Ransom Rest, allow the grip inserts to absorb the initial recoil and vibration from the shot.
- Monitor the performance of the grip inserts during use, and check for any signs of wear.
- Do not force the firearm or the rest into positions that may cause stress to the grip inserts.

4. PostUse Care:

- After each use, inspect the grip inserts for any signs of damage.

- Clean the inserts as necessary to maintain their performance.
- Store the inserts in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of inserts in regular household waste if they contain hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information provided with the product packaging.

Istruzioni di Sicurezza per i Grip Inserts RANSOM per Thompson Center Contender G2

Introduzione

Benvenuto nel manuale di sicurezza per i Grip Inserts RANSOM progettati per il Thompson Center Contender G2. Questo documento fornisce linee guida per garantire un uso sicuro e corretto del prodotto. Ti invitiamo a leggere attentamente queste istruzioni per evitare potenziali rischi e garantire la tua sicurezza e quella degli altri.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts RANSOM specificamente progettati per il tuo Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e compromettere la tua sicurezza.
- Controlla regolarmente il tuo equipaggiamento per eventuali segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Non utilizzare grip inserts rigidi:** Gli inserti rigidi possono generare energia di rinculo distruttiva e causare danni all'arma.
- **Assicurati che l'arma sia in posizione sicura:** Prima di utilizzare il Ransom Rest, verifica che l'arma sia in una posizione stabile e sicura.
- **Controlla il funzionamento dell'inserto:** Prima di ogni utilizzo, assicurati che l'inserto funzioni correttamente e che non ci siano segni di danno.
- **Evita l'uso in condizioni avverse:** Non utilizzare il prodotto in condizioni climatiche estreme o in ambienti non sicuri.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi qualsiasi grip insert esistente dal tuo Master Series Ransom Rest.
- Posiziona i Grip Inserts RANSOM nella loro sede, assicurandoti che siano ben fissati.
- Controlla che non ci siano spazi vuoti o allentamenti.

2. Uso del Ransom Rest:

- Posiziona l'arma nel Ransom Rest seguendo le istruzioni specifiche del produttore.
- Assicurati che l'arma sia correttamente allineata e che l'inserto assorba il rinculo in modo efficace.
- Esegui i tuoi colpi mantenendo sempre la massima attenzione alla sicurezza.

Istruzioni per lo Smaltimento

- Quando non utilizzi più i Grip Inserts RANSOM, smaltiscili in conformità con le normative locali riguardanti i rifiuti.
- Non gettare gli inserti nell'ambiente; assicurati di utilizzare i punti di raccolta appropriati per materiali plastici e metalli.

Informazioni di Contatto per Ulteriori Supporto

Per qualsiasi domanda o preoccupazione riguardante la sicurezza e l'uso dei Grip Inserts RANSOM, ti invitiamo a contattare il tuo rivenditore o consultare il sito web del produttore per ulteriori informazioni e assistenza.

Ricorda che la sicurezza è sempre la priorità. Segui queste istruzioni per garantire un'esperienza di tiro sicura e piacevole.
