

GRIP INSERTS - RANSOM GRIP INSERTS FOR UNIQUE VO-79

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR UNIQUE VO-79
- Manufacturer: RANSOM
- Product no.: 430119509
- Mfr. No.: 30-300-30-01
- Delivery weight: 0.907kg
- UPC: 810132583209

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR UNIQUE VO79

Einleitung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS FÜR UNIQUE VO79. Diese Inserts sind speziell entwickelt, um die Leistung deines Ransom Rests zu maximieren und gleichzeitig die Sicherheit während der Nutzung zu gewährleisten. Bitte lies die folgenden Hinweise sorgfältig durch, um eine sichere und effektive Verwendung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur in Verbindung mit dem Ransom Rest verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckten Kunststoffgrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts speziell für die Verwendung mit deinem Modell konzipiert sind.
- Halte die Inserts und das Gewehr außerhalb der Reichweite von Kindern und schütze sie vor unbefugtem Zugriff.
- Überprüfe regelmäßig den Zustand der Inserts und des Gewehrs auf Anzeichen von Verschleiß oder Beschädigung.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Vermeide es, die Inserts bei extremen Temperaturen oder unter feuchten Bedingungen zu verwenden.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Bei der Verwendung des Gewehrs mit den Inserts, halte immer einen sicheren Abstand zu anderen Personen.
- Achte darauf, dass beim Schießen keine Hindernisse im Bereich des Rückstoßes vorhanden sind.
- Bei jeglichen Anzeichen von Beschädigung oder Fehlfunktion der Inserts, stoppe die Nutzung sofort und kontaktiere einen Fachmann.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass das Gewehr und der Ransom Rest ausgeschaltet und entladen sind.
- Entferne die alten Inserts (falls vorhanden) gemäß den Anweisungen des Herstellers.
- Setze die neuen RANSOM Grip Inserts vorsichtig in die vorgesehenen Öffnungen ein.
- Überprüfe, ob die Inserts sicher und fest sitzen.

2. Nutzung des Ransom Rests mit den Inserts:

- Stelle das Gewehr auf den Ransom Rest, nachdem die Inserts installiert sind.
- Achte darauf, dass der Ransom Rest auf einer stabilen und ebenen Fläche steht.
- Führe vor dem Schießen eine Sicherheitsüberprüfung des Gewehrs durch.
- Schieße gemäß den Anweisungen des Herstellers und achte auf deine Umgebung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und Metallabfällen.
- Achte darauf, dass alle Teile sicher verpackt sind, um Verletzungen während der Entsorgung zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung bezüglich der GRIP INSERTS RANSOM GRIP INSERTS FÜR UNIQUE VO79, konsultiere die offiziellen Ressourcen oder wende dich an den Hersteller. Achte darauf, dass alle Anfragen bezüglich der Sicherheit und Nutzung der Produkte an den entsprechenden Kontaktpunkt in der EU gerichtet werden.

Bitte beachte, dass die Sicherheit bei der Verwendung von Schusswaffen und Zubehör von größter Bedeutung ist. Halte dich an alle Sicherheitsrichtlinien und vorkehrungen, um ein sicheres Schießen zu gewährleisten.

GRIP INSERTS RANSOM GRIP INSERTS FOR UNIQUE VO79 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. This guide provides important safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before using the grip inserts.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided in this guide.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they may damage your firearm and compromise safety.
- Be aware that hard inserts can generate destructive recoil energy, leading to potential injury or damage to the firearm.
- Always conduct testing that accurately mimics humanlike recoil to ensure valid results.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Do not use hard grip inserts. They can damage the gun and decrease the life of the barrel.
- Avoid using 3Dprinted inserts, as they are often poorly engineered and may fail during use.
- Understand that vibration and recoil cannot be eliminated; they must be controlled to prevent damage.
- Be cautious of the potential for injury or death if a hard insert is used, especially during testing.
- Always use the grip inserts as intended, following the guidelines provided.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your Master Series Ransom Rest is clean and free of debris before installation.
- Gather all necessary tools and components required for installation.

2. Installation:

- Carefully remove any existing grip inserts from the Ransom Rest.
- Align the new Ransom grip inserts with the designated slots on the rest.
- Firmly press the inserts into place until they are securely fitted.

3. Usage:

- When using the Ransom Rest with the grip inserts, ensure that the firearm is properly secured.
- Conduct tests in a controlled environment to monitor performance and ensure safety.
- Always observe the firearm while it is in use to detect any unusual behavior or issues.

4. PostUsage Care:

- After use, inspect the grip inserts for any signs of wear or damage.
- Clean the inserts and the Ransom Rest with a suitable cleaning solution to maintain optimal performance.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Ransom grip inserts, please reach out to the manufacturer or authorized distributor. They can provide further assistance and support regarding product safety and usage.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Ransom International Grip Inserts. Thank you for your attention to safety and for choosing our product.

Istruzioni di Sicurezza per l'Uso degli Inserti GRIP RANSOM VO79

Introduzione

Grazie per aver scelto gli Inserti GRIP RANSOM VO79. Questi inserti sono progettati per migliorare le prestazioni del tuo Master Series Ransom Rest e proteggere la tua arma. È fondamentale seguire le istruzioni di sicurezza e utilizzo per garantire un'esperienza ottimale e sicura.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo inserti RANSOM originali. L'uso di inserti rigidi o stampati in 3D può danneggiare la tua arma.
- Non utilizzare inserti non autorizzati che non sono progettati per il tuo Master Series Ransom Rest.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione del tuo Ransom Rest.
- In caso di dubbi sulla sicurezza del prodotto, contatta un esperto o un professionista del settore.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire le vibrazioni e il rinculo. Non tentare di modificare o alterare gli inserti.
- Durante l'uso, assicurati che l'arma sia sempre in una posizione sicura e stabile.
- Non utilizzare gli inserti in condizioni di scarsa visibilità o in ambienti non controllati.
- Fai attenzione a eventuali segni di danno sugli inserti, come crepe o deformazioni, e sostituiscili se necessario.
- Non utilizzare gli inserti se noti un comportamento anomalo durante il test dell'arma.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti

- Rimuovi gli inserti usurati dal tuo Ransom Rest.
- Pulisci l'area di contatto per garantire una corretta adesione degli inserti nuovi.
- Inserisci gli inserti RANSOM nella posizione designata, assicurandoti che siano ben fissati.

2. Uso degli Inserti

- Posiziona l'arma nel Ransom Rest, assicurandoti che sia ben allineata.
- Esegui il test dell'arma seguendo le procedure standard, prestando attenzione a eventuali vibrazioni o movimenti anomali.
- Dopo ogni utilizzo, controlla gli inserti per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti di plastica e materiali compositi.
- Contatta il tuo comune per informazioni sulle opzioni di smaltimento corretto.

Informazioni di Contatto per Ulteriori Supporto

Per domande o ulteriori informazioni sulla sicurezza degli inserti GRIP RANSOM VO79, si consiglia di contattare

un esperto o un professionista del settore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti sul prodotto.

Avvertenze Finali

- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare la tua arma e compromettere la sicurezza.
- Fai attenzione alle vibrazioni e al rinculo durante l'uso. Questi fattori possono influenzare le prestazioni e la sicurezza dell'arma.
- La sicurezza è una priorità. Segui sempre le istruzioni e le linee guida per garantire un uso sicuro e responsabile del tuo Ransom Rest e degli inserti.

Grazie per aver scelto gli Inserti GRIP RANSOM VO79. Utilizzali in modo sicuro e responsabile per garantire le migliori prestazioni della tua arma.
