

GRIP INSERTS - RANSOM GRIP INSERTS FOR UNIQUE D/E/S 69 A1 NEW MODEL

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR UNIQUE D/E/S 69 A1 NEW MODEL
- Manufacturer: RANSOM
- Product no.: 430119510
- Mfr. No.: 30-300-30-06
- Delivery weight: 0.907kg
- UPC: 810132583179

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS von RANSOM

Einleitung

Willkommen bei den GRIP INSERTS von RANSOM! Diese Inserts sind speziell für deine Master Series Ransom Rest entwickelt worden. Sie bieten zahlreiche Vorteile, um die Leistung deines Gewehrs zu optimieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte lese die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere Verwendung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in Kombination mit dem entsprechenden Ransom Rest verwendest.
- Überprüfe regelmäßig die Inserts auf sichtbare Schäden oder Abnutzung.
- Bewahre die Inserts außerhalb der Reichweite von Kindern auf.
- Verwende die Inserts nicht, wenn sie beschädigt sind oder Anzeichen von Verschleiß zeigen.
- Halte dich an alle Anweisungen zur Verwendung und Pflege der Inserts.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Bei der Verwendung der Inserts ist es wichtig, die physikalischen Prinzipien von Rückstoß und Vibration zu verstehen, um Schäden an deinem Gewehr zu vermeiden.
- Achte darauf, dass die Inserts die Rückstoßkräfte absorbieren und nicht auf das Gewehr übertragen.
- Verwende die Inserts nicht für destruktive Tests oder Genauigkeitstests, die nicht dem menschlichen Rückstoß nachempfunden sind.

Anweisungen für Installation und Nutzung

1. Installation der GRIP INSERTS:

- Entferne die alte Insert, falls vorhanden.
- Setze das neue GRIP INSERT vorsichtig in die vorgesehene Halterung ein.
- Stelle sicher, dass das Insert fest sitzt und keine Bewegungen zulässt.

2. Verwendung der GRIP INSERTS:

- Halte das Gewehr sicher und stabil, während du schießt.
- Achte darauf, dass die Inserts die ersten Millisekunden des Schusses absorbieren, bevor die Maschine zurückschwingen kann.
- Überwache die Leistung und den Zustand der Inserts regelmäßig.

3. Nach dem Gebrauch:

- Reinige die Inserts vorsichtig, um Schmutz und Ablagerungen zu entfernen.
- Überprüfe die Inserts auf Anzeichen von Abnutzung oder Beschädigung nach jedem Gebrauch.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffe.
- Werfe die Inserts nicht in den normalen Müll, wenn sie nicht mehr verwendbar sind.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS von RANSOM wende dich bitte an den Hersteller oder deinen Händler. Stelle sicher, dass du alle Sicherheitsrichtlinien befolgst, um eine sichere Nutzung zu gewährleisten.

Bitte beachte, dass die Sicherheit deines Gewehrs und deiner persönlichen Sicherheit von größter Bedeutung ist. Halte dich an die oben genannten Richtlinien, um eine optimale Leistung und Sicherheit zu gewährleisten.

GRIP INSERTS RANSOM GRIP INSERTS FOR UNIQUE D/E/S 69 A1 NEW MODEL Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that all nonfood products are used according to the manufacturer's instructions to prevent accidents or injuries.
- Always inspect the product for any visible damage before use.
- Use only the recommended grip inserts as hard grip inserts or 3Dprinted plastic inserts can cause damage to your firearm.
- Be aware of the potential hazards associated with improper use of the product, including damage to your firearm and personal injury.
- If you experience any issues or have concerns regarding the product, report them to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can generate destructive recoil energy that may damage your firearm.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil are natural forces that cannot be stopped but can be controlled. Proper inserts absorb these forces, mimicking the human hand.
- **Monitor Usage:** Be aware that damage from improper inserts may not be immediately visible but can accumulate over time, decreasing the lifespan of your firearm.
- **Injury Risk:** A hard insert may lead to potential injury or death if the firearm is compromised due to improper recoil management.
- **Testing Accuracy:** When conducting tests, ensure that they mimic humanlike recoil to obtain valid results. Using hard or 3Dprinted inserts will yield flawed data.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure the Ransom Rest is in a stable position.
- Remove any previous inserts from the grip slot.
- Select the appropriate Ransom grip insert designed for your firearm model.
- Carefully place the grip insert into the designated slot, ensuring a snug fit.
- Verify that the insert is securely in place before proceeding.

2. Usage Guidelines:

- Always handle your firearm with care and follow standard safety protocols.
- When using the Ransom Rest, ensure it is set up on a flat, stable surface.
- Load your firearm only when ready to shoot, following all safety measures.
- Observe the behavior of the firearm during testing to ensure that the recoil is being managed correctly.

- After use, inspect the grip insert for any signs of wear or damage and replace if necessary.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of inserts in regular household waste if they contain materials that may be harmful to the environment.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please reach out to the designated EUbased contact point or consult the manufacturer's website for further assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience while using the Ransom International Grip Inserts. Always prioritize safety and proper handling of firearms to prevent accidents and injuries.

Istruzioni di Sicurezza per l'Uso dei GRIP INSERTS RANSOM

Introduzione

Benvenuto nel manuale di sicurezza per i GRIP INSERTS RANSOM, progettati specificamente per il tuo Master Series Ransom Rest. Questo documento fornisce linee guida essenziali per garantire un uso sicuro e corretto del prodotto, seguendo le normative europee sulla sicurezza dei prodotti.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i GRIP INSERTS RANSOM esclusivamente con il Master Series Ransom Rest.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare la tua arma.
- Verifica sempre che il prodotto sia in buone condizioni prima dell'uso.
- Conserva il prodotto in un luogo asciutto e sicuro, lontano da fonti di calore e umidità.
- In caso di malfunzionamento o danno, interrompi immediatamente l'uso e contatta un professionista.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire le forze di rinculo e vibrazione. Non tentare di modificare il prodotto.
- Non utilizzare il prodotto in condizioni meteorologiche avverse (es. pioggia, neve).
- Non lasciare mai il prodotto incustodito quando è in uso.
- Assicurati che solo persone autorizzate e competenti utilizzino il prodotto.
- Controlla frequentemente il prodotto per segni di usura o danni.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovere eventuali inserti esistenti dal Master Series Ransom Rest.
- Posizionare i GRIP INSERTS RANSOM nell'apposito alloggiamento.
- Assicurati che gli inserti siano ben fissati e stabili prima di procedere.

2. Uso:

- Posiziona l'arma nel Ransom Rest seguendo le istruzioni del produttore.
- Esegui i tiri di prova in un ambiente controllato e sicuro.
- Monitora il comportamento dell'arma durante l'uso e interrompi immediatamente in caso di anomalie.

Istruzioni per lo Smaltimento

- Non smaltire il prodotto in modo irresponsabile. Segui le normative locali per lo smaltimento di materiali plastici e metallici.
- Se il prodotto è danneggiato, contatta un centro di raccolta autorizzato per il corretto smaltimento.

Informazioni di Contatto per Ulteriori Supporto

Per qualsiasi domanda o per segnalare un problema di sicurezza, ti invitiamo a contattare il tuo rivenditore o un professionista autorizzato. Assicurati di conservare la ricevuta di acquisto e eventuali documenti correlati.

Conclusione

La sicurezza è fondamentale quando si utilizza qualsiasi prodotto, in particolare quelli associati a armi e accessori. Segui attentamente queste istruzioni per garantire un utilizzo sicuro e efficace dei GRIP INSERTS RANSOM.
