

GRIP INSERTS - RANSOM GRIP INSERTS WALTHER P-01/WALTHER GSP,OSP/MAUSER P-38

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS WALTHER P-01/WALTHER GSP,OSP/MAUSER P-38
- Manufacturer: RANSOM
- Product no.: 430119512
- Mfr. No.: 30-300-31-01
- Delivery weight: 0.907kg
- UPC: 810132583254

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS WALTHER P01/WALTHER GSP, OSP/MAUSER P38

Einleitung

Herzlichen Glückwunsch zum Kauf der GRIP INSERTS RANSOM GRIP INSERTS! Diese Einsätze sind speziell dafür entwickelt, die Leistung deines Ransom Rest zu optimieren und sicherzustellen, dass du die besten Ergebnisse beim Schießen erzielst. Es ist wichtig, die Sicherheitshinweise zu beachten, um eine sichere Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in Verbindung mit kompatiblen Gewehren verwendest.
- Verwende keine harten GriffEinsätze oder 3Dgedruckte Kunststoffgriffe, da diese schädlich für dein Gewehr sein können.
- Halte die Einsätze fern von Kindern und schütze sie vor unsachgemäßer Verwendung.
- Informiere dich über Rückrufe und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Harte Einsätze können gefährliche Rückstoßenergien erzeugen, die Schäden am Gewehr verursachen können.
- Achte darauf, dass die Einsätze die DurometerHärte der menschlichen Hand nachahmen, um Vibrationen und Rückstoß zu absorbieren.
- Verwende die Einsätze gemäß den Anweisungen, um Verletzungen oder Schäden zu vermeiden.
- Überprüfe regelmäßig den Zustand der Einsätze und ersetze sie bei sichtbaren Abnutzungserscheinungen.

Anweisungen zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass der Ransom Rest und das Gewehr sauber und in gutem Zustand sind.
- Überprüfe, ob die GRIP INSERTS unbeschädigt sind.

2. Installation:

- Entferne die alten Einsätze vorsichtig aus dem Ransom Rest.
- Setze die neuen GRIP INSERTS gemäß den Anweisungen in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Einsätze fest sitzen und keine Bewegungsspielräume vorhanden sind.

3. Nutzung:

- Positioniere das Gewehr sicher im Ransom Rest.
- Achte darauf, dass die Maschine korrekt eingestellt ist, bevor du mit dem Schießen beginnst.
- Beobachte, wie die Einsätze Vibrationen und Rückstoß absorbieren, um eine präzise Leistung zu gewährleisten.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Achte darauf, dass du keine Teile in die Umwelt entlässt und die Einsätze verantwortungsvoll entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu den GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Achte darauf, alle Sicherheitsrichtlinien und Anweisungen zu befolgen, um die Sicherheit und Leistung deines Ransom Rest zu gewährleisten.

Herzlichen Dank für deine Aufmerksamkeit und viel Erfolg beim Schießen!

Safety Instruction Guide for Ransom Grip Inserts

Introduction

Thank you for choosing Ransom International Grip Inserts for your Master Series Ransom Rest. This guide provides essential safety instructions to ensure the safe use of your product. Please read this document carefully to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions.
- Regularly inspect the grip inserts and the Ransom Rest for any signs of wear or damage.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest.
- Report any unsafe products or incidents to the appropriate authorities.
- Check the EU's Safety Gate platform for any recall updates.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:**
 - Hard grip inserts can damage your firearm by generating destructive recoil energy.
 - They do not replicate humanlike recoil, leading to invalid test data.
- **Use Only Approved Inserts:**
 - The grip inserts are designed to match the durometer of the human hand for optimal performance.
 - Using unapproved inserts can lead to inaccurate testing results and potential injury.
- **Monitor for Damage:**
 - Damage may not be immediately visible, but can accumulate over time.
 - A hard insert can decrease the lifespan of your firearm and may lead to serious injury.
- **Follow Testing Protocols:**
 - Always mimic human grip and recoil during testing to ensure valid results.
 - Avoid using hard or 3Dprinted inserts for destructive or accuracy testing.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Ransom Rest is on a stable surface before installation.
- Carefully insert the Ransom Grip Inserts into the designated slots of the Ransom Rest.
- Ensure a secure fit to prevent movement during use.

2. Usage:

- Position your firearm in the Ransom Rest, ensuring it is properly secured.
- Always check that the grip inserts are functioning correctly before each use.
- Conduct tests in a controlled environment to ensure safety and accuracy.
- Monitor the firearm and rest during testing for any signs of malfunction or damage.

Disposal Instructions

- Dispose of any worn or damaged grip inserts responsibly.
- Follow local regulations for the disposal of plastic materials.
- Do not dispose of inserts in regular household waste if they are damaged or contain hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use of Ransom Grip Inserts or safety inquiries, please refer to the manufacturer's website or contact your local distributor.

By following these guidelines, you can ensure the safe and effective use of your Ransom Grip Inserts. Thank you for prioritizing safety and proper handling of your equipment.

Guida alla Sicurezza per i Grip Inserts RANSOM

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Master Series Ransom Rest. Questa guida fornisce informazioni importanti sulla sicurezza, sull'uso e sulla manutenzione dei Grip Inserts, garantendo un'esperienza di tiro ottimale e sicura.

Linee Guida Generali sulla Sicurezza

- Tutti i prodotti devono essere utilizzati in conformità con le istruzioni fornite per garantire la sicurezza dell'utente e la protezione dell'arma.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono causare danni all'arma e creare situazioni pericolose.
- Segnalare eventuali prodotti non sicuri o incidenti alle autorità competenti.
- Controllare regolarmente le aggiornamenti sui richiami attraverso la piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Assicurati che i Grip Inserts RANSOM siano compatibili con il tuo modello di arma (Walther P01, Walther GSP, OSP, Mauser P38).
- Evita di utilizzare grip inserts rigidi, che possono ridurre la vita della canna e dell'arma.
- Non utilizzare inserti in plastica stampati in 3D, in quanto possono generare energia di rinculo distruttiva.
- Mantieni i Grip Inserts RANSOM puliti e in buone condizioni per garantire prestazioni ottimali.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi eventuali inserti esistenti dal tuo Ransom Rest.
- Posiziona i Grip Inserts RANSOM nell'alloggiamento designato, assicurandoti che siano ben fissati.
- Controlla che gli inserti siano allineati correttamente prima di utilizzare il Ransom Rest.

2. Uso:

- Posiziona l'arma sul Ransom Rest con i Grip Inserts installati.
- Assicurati che l'arma sia ben bilanciata e stabile prima di iniziare a tirare.
- Monitora le prestazioni durante l'uso, prestando attenzione a qualsiasi vibrazione o movimento anomalo.

Istruzioni per lo Smaltimento

- I Grip Inserts RANSOM non devono essere smaltiti con i rifiuti domestici.
- Seguire le normative locali per lo smaltimento dei materiali plastici e dei prodotti non più utilizzabili.
- Contattare le autorità locali per informazioni sui centri di raccolta o sui programmi di riciclaggio.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori domande o informazioni sulla sicurezza, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano per facilitare la tua richiesta.

Grazie per aver scelto i Grip Inserts RANSOM. Seguire queste linee guida contribuirà a garantire un'esperienza di tiro sicura e soddisfacente.
