

GRIP INSERTS - RANSOM GRIP INSERTS FOR WALTHER PPK WITH GRIPS

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR WALTHER PPK WITH GRIPS
- Manufacturer: RANSOM
- Product no.: 430119521
- Mfr. No.: 30-300-31-13
- Delivery weight: 0.907kg
- UPC: 810132583377

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die RANSOM Grip Inserts für Walther PPK

Einführung

Willkommen zu den Sicherheitshinweisen für die RANSOM Grip Inserts, die speziell für deine Walther PPK entwickelt wurden. Diese Anleitung hilft dir, die Vorteile dieser Inserts zu verstehen und sicherzustellen, dass du sie korrekt und sicher verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Grip Inserts nur mit der vorgesehenen Waffe, der Walther PPK, verwendest.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.
- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzung.
- Folge den Anweisungen in dieser Anleitung, um Verletzungen oder Schäden zu vermeiden.

Spezifische Sicherheitsvorkehrungen bei der Verwendung

- Verwende keine harten oder 3Dgedruckten Inserts, da diese deine Waffe beschädigen können.
- Achte darauf, dass die Inserts ordnungsgemäß installiert sind, um eine sichere Nutzung zu gewährleisten.
- Vermeide es, die Waffe in einer Weise zu verwenden, die über das hinausgeht, wofür sie konzipiert ist.
- Sei vorsichtig beim Testen der Waffe, insbesondere wenn du Rückstoß und Vibrationen berücksichtigst.

Anweisungen für Installation und Nutzung

1. Installation der Grip Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden.
- Setze die RANSOM Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Überprüfe, ob die Inserts fest sitzen und keine Bewegungen aufweisen.

2. Nutzung der Grip Inserts:

- Nutze die Waffe mit den Inserts in einer kontrollierten Umgebung, um Sicherheit und Genauigkeit zu gewährleisten.
- Achte darauf, dass du die Waffe nicht überlastest oder unsachgemäß behandelst.
- Beobachte die Leistung der Inserts während des Gebrauchs und melde eventuelle Probleme.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Elektroschrott oder Kunststoffabfälle.
- Informiere dich über die besten Praktiken zur Entsorgung von Waffenzubehör in deiner Region.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen über die Sicherheit und Verwendung der RANSOM Grip Inserts, wende dich bitte an den Hersteller oder den Händler, bei dem du die Inserts erworben hast.

Diese Sicherheitshinweise sind darauf ausgelegt, dir eine sichere und effektive Nutzung der RANSOM Grip Inserts zu ermöglichen. Bitte halte dich an die Anweisungen und achte auf die Sicherheit, um das Beste aus deinem Produkt herauszuholen.

GRIP INSERTS RANSOM GRIP INSERTS FOR WALTHER PPK WITH GRIPS

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed specifically for use with the Master Series Ransom Rest. They provide a safe and effective way to conduct shooting tests by mimicking the natural recoil absorption of the human hand. This guide provides essential safety instructions and guidelines to ensure proper use and maintenance of the product.

General Safety Guidelines

- **Product Safety:** Always ensure that you are using the grip inserts correctly to avoid any potential hazards. The inserts are designed to minimize damage to firearms during testing.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a notification regarding your product, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations to guarantee the quality and safety of the product.
- **Special Consumer Focus:** Keep the product out of reach of children and vulnerable individuals. It is intended for use by experienced shooters only.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Avoid using hard grip inserts or 3Dprinted plastic grip inserts. They can damage your firearm by generating destructive recoil energy that travels through the frame and barrel.
- **Understand the Risks:** Hard or poorly engineered inserts can lead to invalid test results and may increase the risk of injury or damage to the firearm.
- **Proper Handling:** Always handle firearms with care. Ensure that the grip inserts are securely installed before use.
- **Regular Inspections:** Check the condition of the grip inserts regularly for any signs of wear or damage. Replace them if necessary.
- **Follow Manufacturer Instructions:** Always adhere to the guidelines provided by the manufacturer for optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Ransom Rest is placed on a stable surface.
- Remove any existing grip inserts from the Ransom Rest.
- Align the Ransom Grip Inserts with the designated slots on the Ransom Rest.
- Firmly press the inserts into place until they are securely fitted.

2. Usage:

- Load the firearm into the Ransom Rest according to the manufacturer's instructions.
- Ensure that the firearm is properly secured and that the grip inserts are adequately absorbing recoil.
- Conduct your shooting tests while monitoring the performance of both the firearm and grip inserts.
- After use, remove the firearm from the Ransom Rest and inspect the grip inserts for any damage.

3. **PostUse Maintenance:**

- Clean the grip inserts with a soft cloth after each use to remove any debris or residue.
- Store the grip inserts in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn grip inserts according to local regulations. Do not dispose of them in regular household waste if they contain materials that require special handling.
- If unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Ransom Grip Inserts, please refer to the contact information from your retailer or manufacturer. They can provide additional support and guidance regarding the product.

By following these safety instructions and guidelines, you can ensure a safe and effective experience when using the Ransom Grip Inserts for your shooting tests. Always prioritize safety and proper handling to protect yourself and your equipment.

Istruzioni di Sicurezza per GRIP INSERTS RANSOM per Walther PPK

Introduzione

Benvenuto nella guida di sicurezza per i grip inserts RANSOM progettati per il Walther PPK. Questa guida fornisce informazioni importanti per garantire un utilizzo sicuro e responsabile del prodotto, in conformità con le normative di sicurezza dell'Unione Europea.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i grip inserts RANSOM solo per il modello Walther PPK.
- Leggi attentamente tutte le istruzioni prima dell'installazione e dell'uso.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma.
- Segnala qualsiasi prodotto non sicuro o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Utilizzo

- Gli inserti RANSOM sono progettati per assorbire il rinculo e le vibrazioni, quindi non trasferire queste forze all'arma.
- Non utilizzare il prodotto se noti segni di usura o danni.
- Non tentare di modificare o riparare gli inserti; utilizza solo prodotti originali RANSOM.
- Non utilizzare il grip se non sei un tiratore esperto o se non hai ricevuto una formazione adeguata.

Istruzioni per Installazione e Utilizzo

1. Installazione:

- Rimuovi il grip originale dal Walther PPK.
- Pulisci l'area di contatto per garantire una buona adesione.
- Posiziona gli inserti RANSOM seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurati che gli inserti siano saldamente fissati prima di utilizzare l'arma.

2. Utilizzo:

- Prima di iniziare a sparare, verifica che gli inserti siano correttamente installati.
- Durante il tiro, mantieni sempre una presa salda e controllata.
- Osserva attentamente il comportamento dell'arma durante il tiro e interrompi l'uso in caso di anomalie.

Istruzioni per lo Smaltimento

- Smaltisci gli inserti RANSOM in conformità con le normative locali per i rifiuti di plastica e materiali compositi.
- Non gettare gli inserti nel fuoco o in ambienti non autorizzati.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso dei grip inserts RANSOM, ti invitiamo a contattare il tuo fornitore o il servizio clienti RANSOM.

Conclusione

Seguire queste istruzioni di sicurezza è fondamentale per garantire un utilizzo sicuro ed efficace dei grip inserts RANSOM per il tuo Walther PPK. La tua sicurezza è la nostra priorità.
