

GRIP INSERTS - RANSOM GRIP INSERTS FOR FN FNP-45

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR FN FNP-45
- Manufacturer: RANSOM
- Product no.: 430119529
- Mfr. No.: 30-300-32
- Delivery weight: 0.907kg
- UPC: 810132580925

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS für FN FNP45

Einleitung

Herzlich willkommen zu den Sicherheitshinweisen für die RANSOM GRIP INSERTS, die speziell für deinen FN FNP45 entwickelt wurden. Diese Anleitung hilft dir, die Sicherheit bei der Verwendung des Produkts zu gewährleisten und potenzielle Risiken zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die RANSOM GRIP INSERTS nur mit dem FN FNP45 verwendet werden.
- Überprüfe regelmäßig den Zustand der Inserts, um sicherzustellen, dass sie keine Risse oder Beschädigungen aufweisen.
- Verwende die Inserts nicht in Verbindung mit harten oder 3Dgedruckten KunststoffGrip Inserts, da diese die Waffe beschädigen können.
- Halte die Inserts außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Handhabung.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Harte Inserts können destruktive Rückstoßenergie erzeugen, die zu Schäden an der Waffe führen kann.
- **Achte auf Vibration:** Die Inserts sind so konzipiert, dass sie die Vibration und den Rückstoß absorbieren. Stelle sicher, dass sie korrekt installiert sind, um ihre Funktion zu gewährleisten.
- **Regelmäßige Kontrolle:** Überprüfe die Inserts nach jedem Schuss auf Abnutzung oder Beschädigung.
- **Schutzbekleidung:** Trage immer geeignete Schutzausrüstung (z. B. Schutzbrille), wenn du mit deiner Waffe schießt.

Anweisungen für Installation und Nutzung

• Installation der Inserts:

1. Stelle sicher, dass die Waffe entladen ist und sich in einem sicheren Zustand befindet.
2. Entferne die bestehenden Inserts, falls vorhanden.
3. Setze die RANSOM GRIP INSERTS sorgfältig ein, bis sie fest sitzen.
4. Überprüfe die korrekte Positionierung, bevor du die Waffe verwendest.

• Nutzung der Inserts:

- Führe alle Schießübungen in einem sicheren und kontrollierten Umfeld durch.
- Achte während des Schießens auf die Reaktion der Waffe und der Inserts.
- Bei Anzeichen von übermäßiger Vibration oder Beschädigung der Inserts, stoppe die Nutzung sofort und überprüfe sie.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Halte dich an die Anweisungen deiner Gemeinde zur Entsorgung von nicht mehr benötigten Produkten.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Bedenken zur Sicherheit der RANSOM GRIP INSERTS wende dich bitte an den entsprechenden

Ansprechpartner in deinem Land.

Diese Sicherheitshinweise sind wichtig, um die sichere Verwendung der RANSOM GRIP INSERTS zu gewährleisten. Achte darauf, alle Anweisungen sorgfältig zu befolgen, um Risiken zu minimieren und die Lebensdauer deiner Waffe zu maximieren.

Safety Instructions for GRIP INSERTS RANSOM

GRIP INSERTS FOR FN FNP45

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring safe and effective use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm.
- Be aware that improper use of grip inserts may lead to inaccurate test results and potential injury.
- Always handle firearms with care and in accordance with local laws and regulations.
- Keep out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that damages the gun. Use only the recommended grip inserts that match the durometer of the human hand.
- **Monitor for Damage:** Regularly check the firearm and the grip inserts for signs of wear or damage.
- **Use in Controlled Environments:** Always conduct tests in a safe, controlled environment to minimize risks.
- **Follow Manufacturer Guidelines:** Adhere strictly to the manufacturer's instructions for installation and usage.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure the firearm is unloaded and in a safe position.
- Remove any existing grip inserts from the Master Series Ransom Rest.
- Carefully install the Ransom Grip Inserts by aligning them properly with the rest.
- Ensure that the inserts fit snugly and securely.

2. Usage of Grip Inserts:

- Place the firearm securely in the Ransom Rest.
- Ensure that the grip inserts are absorbing the initial recoil and vibration.
- Conduct tests as needed, ensuring to monitor the firearm's performance and condition.
- Do not exceed the recommended number of shots without inspecting the grip inserts for wear.

3. PostUsage Checks:

- After testing, inspect both the firearm and grip inserts for any signs of damage or wear.
- Clean the grip inserts as recommended by the manufacturer to maintain their effectiveness.

Disposal Instructions

- Dispose of any damaged grip inserts responsibly. Follow local regulations for disposal of plastic materials.
- Do not throw away the inserts in regular household waste if they are damaged or worn out.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Ransom Grip Inserts, please consult the manufacturer's website or contact their customer service for assistance.

By following these guidelines, you can ensure a safer and more effective experience with your Ransom Grip Inserts. Thank you for prioritizing safety and performance in your shooting activities.

Guida alle Istruzioni di Sicurezza per GRIP INSERTS RANSOM GRIP INSERTS PER FN FNP45

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per i grip inserts RANSOM progettati per l'arma FN FNP45. Questa guida ha lo scopo di fornire informazioni chiare e dettagliate per garantire un uso sicuro del prodotto, rispettando le normative europee sulla sicurezza dei prodotti. È fondamentale seguire queste istruzioni per prevenire danni all'arma e garantire la propria sicurezza.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo grip inserts RANSOM progettati specificamente per il Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Segui sempre le istruzioni del produttore per l'uso e la manutenzione del prodotto.
- Controlla regolarmente il tuo grip insert per eventuali segni di usura o danni.
- Non utilizzare il prodotto se noti anomalie o malfunzionamenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi che non assorbono correttamente le forze di rinculo e vibrazione.
- Gli inserti devono comportarsi come una mano umana, assorbendo le forze e non trasferendole all'arma.
- Evita di utilizzare il grip insert in condizioni estreme o non raccomandate dal produttore.
- Assicurati che il grip insert sia correttamente installato prima di utilizzare l'arma.
- Non tentare di modificare o riparare il grip insert da solo.

Istruzioni per l'Installazione e l'Uso

1. Installazione del Grip Insert:

- Rimuovi il grip insert precedente, se presente.
- Pulisci l'area di installazione per garantire una buona aderenza.
- Posiziona il nuovo grip insert RANSOM in modo che si adatti perfettamente al Master Series Ransom Rest.
- Assicurati che l'inserto sia fissato saldamente e che non ci siano spazi vuoti.

2. Uso del Grip Insert:

- Posiziona l'arma sul Ransom Rest seguendo le istruzioni del produttore.
- Assicurati che l'arma sia in posizione di batteria corretta prima di iniziare a sparare.
- Monitora attentamente il comportamento dell'arma durante il tiro per eventuali segni di vibrazione anomala o rinculo.

Istruzioni per lo Smaltimento

- Non gettare grip inserts rigidi o danneggiati nei rifiuti normali.
- Segui le normative locali per lo smaltimento di prodotti non utilizzabili.
- Considera di restituire il prodotto al rivenditore o al produttore per un corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni sulla sicurezza del prodotto, richieste di chiarimenti o segnalazioni di prodotti non sicuri, contatta il tuo rivenditore autorizzato o consulta il sito web del produttore.

Conclusione

Seguire queste istruzioni di sicurezza è fondamentale per garantire un uso sicuro e efficace dei grip inserts RANSOM per FN FNP45. Ricorda che la tua sicurezza e quella dell'arma sono la priorità principale. Se hai domande o dubbi, non esitare a contattare un professionista o il produttore per assistenza.
