

GRIP INSERTS - RANSOM GRIP INSERTS FOR FN 509 FULL SIZE

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR FN 509 FULL SIZE
- Manufacturer: RANSOM
- Product no.: 430119531
- Mfr. No.: 30-300-32-03
- Delivery weight: 0.907kg
- UPC: 810132580956

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR FN 509 FULL SIZE

Einführung

Die GRIP INSERTS von RANSOM INTERNATIONAL sind speziell für die FN 509 Full Size konzipiert. Diese Inserts sind entscheidend für die sichere und effektive Nutzung deines Gewehrs. Bitte beachte die folgenden Sicherheitshinweise, um Risiken zu vermeiden und die Lebensdauer deines Gewehrs zu verlängern.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die Grip Inserts gemäß den Anweisungen verwendest.
- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts dem Durometer der menschlichen Hand entsprechen, um realistische Testergebnisse zu gewährleisten.
- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzung, um die Sicherheit zu gewährleisten.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Verwende die Inserts nur in Verbindung mit dem Ransom Rest System.
- Bei der Installation der Inserts, achte darauf, dass sie fest sitzen und keine Bewegungsspielräume haben.
- Halte dich von harten Materialien fern, die Rückstoßenergie erzeugen und deinem Gewehr schaden können.
- Führe keine Tests durch, die die Integrität der Inserts gefährden könnten.

Anleitung zur Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass das Gewehr entladen ist, bevor du mit der Installation beginnst.
- Überprüfe die Inserts auf sichtbare Schäden oder Abnutzung.

2. Installation:

- Setze die Grip Inserts gemäß den Anweisungen des Herstellers in das Gewehr ein.
- Achte darauf, dass die Inserts fest und sicher sitzen, um eine optimale Leistung zu gewährleisten.

3. Nutzung:

- Nutze die Inserts während deiner Tests, um sicherzustellen, dass sie die Rückstoßenergie korrekt absorbieren.
- Überwache die Leistung der Inserts während des Gebrauchs, um sicherzustellen, dass sie ordnungsgemäß funktionieren.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Stelle sicher, dass die Inserts nicht in die Umwelt gelangen, um mögliche Schäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Bitte konsultiere die Website des Herstellers oder wende dich an den Kundenservice für weitere Informationen und Unterstützung.

Schlussfolgerung

Die Verwendung von RANSOM GRIP INSERTS für die FN 509 Full Size kann die Genauigkeit und Sicherheit deiner Schießtests erheblich verbessern. Achte darauf, alle Sicherheitshinweise zu befolgen, um optimale Ergebnisse zu erzielen und mögliche Risiken zu vermeiden. Wenn du Fragen oder Bedenken hast, zögere nicht, Unterstützung zu suchen.

Safety Instruction Guide for Ransom Grip Inserts for FN 509 Full Size

Introduction

Thank you for choosing the Ransom International Grip Inserts for your FN 509 Full Size. These grip inserts are designed to enhance your shooting experience while ensuring safety and accuracy. This guide provides essential safety instructions and precautions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the grip inserts by following all safety instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they may damage your firearm and compromise safety.
- Be aware that improper use of grip inserts can lead to inaccurate testing results and potential injury.
- Always check for recalls or safety updates regarding this product on the EU Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not use hard or 3Dprinted grip inserts. These materials can generate destructive recoil energy that may damage your firearm.
- Ensure that the grip inserts match the durometer of the human hand to absorb recoil effectively.
- Understand that hard inserts may not replicate humanlike recoil, leading to flawed test results.
- Be cautious of potential injury or damage to the firearm when using inappropriate grip inserts.
- Regularly inspect your grip inserts for wear and tear to ensure optimal performance.

Instructions for Installation and Usage

1. Preparation

- Ensure that your firearm is unloaded and in a safe condition before installation.
- Gather all necessary tools and materials for installation.

2. Installation of Grip Inserts

- Remove any existing grip inserts from the firearm.
- Align the Ransom Grip Inserts with the grip area of your FN 509 Full Size.
- Firmly press the grip inserts into place, ensuring there are no gaps or misalignments.
- Doublecheck that the inserts are securely attached before use.

3. Usage

- When using the Ransom Rest with grip inserts, ensure that the machine is properly calibrated.
- Conduct all tests in a controlled environment to ensure safety and accuracy.
- Monitor the performance of the grip inserts during usage, and replace them if any signs of damage or wear appear.

4. PostUse Care

- After use, clean the grip inserts according to the manufacturer's recommendations.
- Store the grip inserts in a cool, dry place away from direct sunlight and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not discard grip inserts in regular household waste if they are made of materials that require special handling.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the Ransom Grip Inserts, please refer to the contact details provided by the manufacturer or your point of purchase.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Ransom Grip Inserts for FN 509 Full Size. Thank you for prioritizing safety and compliance.

Istruzioni di Sicurezza per l'Uso dei Grip Inserts RANSOM per FN 509 Full Size

Introduzione

Benvenuto nel manuale di sicurezza per i Grip Inserts RANSOM progettati per il Master Series Ransom Rest compatibile con FN 509 Full Size. Questo documento fornisce linee guida essenziali per garantire un uso sicuro e corretto del prodotto, in conformità con le normative di sicurezza europee.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per l'uso previsto.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare la tua arma e compromettere la sicurezza.
- Segui attentamente tutte le istruzioni e le avvertenze fornite.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- In caso di dubbi sull'uso del prodotto, contatta un esperto o un professionista del settore.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi, poiché possono ridurre la vita della canna e dell'arma.
- Evita di utilizzare grip inserts in plastica stampata in 3D, in quanto non replicano il comportamento umano e possono compromettere i test di precisione.
- Fai attenzione a non sovraccaricare il sistema durante l'uso, poiché ciò potrebbe causare danni.
- Non tentare di modificare o riparare il prodotto in modo non autorizzato.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Rimuovi eventuali grip inserts esistenti dalla tua arma.
- Pulisci l'area di installazione per garantire una buona adesione.
- Inserisci i Grip Inserts RANSOM seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurati che gli inserts siano saldamente in posizione prima di utilizzare l'arma.

2. Uso:

- Posiziona l'arma nel Master Series Ransom Rest.
- Assicurati che la macchina sia in posizione di batteria corretta prima di iniziare il tiro.
- Durante il tiro, osserva attentamente il comportamento della macchina e della tua arma.
- Se noti vibrazioni eccessive o movimenti anomali, interrompi immediatamente l'uso e verifica il prodotto.

Istruzioni per lo Smaltimento

- I Grip Inserts RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Segui le normative locali per lo smaltimento di prodotti di plastica e materiali compositi.
- Se possibile, porta il prodotto in un centro di smaltimento autorizzato.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o necessità di assistenza, ti invitiamo a contattare un esperto del settore o un rivenditore

autorizzato. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti sul prodotto.

Conclusione

Seguendo queste linee guida di sicurezza, puoi garantire un'esperienza di tiro sicura e efficace con i Grip Inserts RANSOM per FN 509 Full Size. Ricorda sempre di prestare attenzione all'uso del prodotto e di rispettare le normative di sicurezza applicabili.
