

GRIP INSERTS - RANSOM GRIP INSERTS FOR FN 5.7X28

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR FN 5.7X28
- Manufacturer: RANSOM
- Product no.: 430119532
- Mfr. No.: 30-300-32-04
- Delivery weight: 0.907kg
- UPC: 810132580963

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS für FN 5.7X28

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für deinen FN 5.7X28! Diese Inserts sind speziell entwickelt, um die Leistung deines Master Series Ransom Rest zu optimieren und dir ein sicheres und effektives Schießen zu ermöglichen. Bitte lese diese Sicherheitshinweise sorgfältig durch, um mögliche Risiken zu vermeiden und die Sicherheit beim Gebrauch zu gewährleisten.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die GRIP INSERTS gemäß den Anweisungen verwendest, um Verletzungen oder Schäden zu vermeiden.
- Verwende keine harten Griplnsets oder 3Dgedruckten Kunststofflnsets, da diese deinem Gewehr schaden können.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen gefährdeten Gruppen.
- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzung, um ihre Funktionalität zu gewährleisten.

Spezifische Sicherheitsvorkehrungen für den Gebrauch

- **Vermeidung harter Inserts:** Harte Inserts können eine zerstörerische Rückstoßenergie erzeugen, die dem Gewehr schadet. Diese Inserts sind nicht in der Lage, den menschlichen Rückstoß realistisch nachzuahmen.
- **Vibration und Rückstoß:** Die RANSOM Grip Inserts sind so konzipiert, dass sie die ersten Millisekunden des Schusses absorbieren, um den Rückstoß zu minimieren. Achte darauf, dass die Inserts korrekt installiert sind, um ihre Funktion zu gewährleisten.
- **Regelmäßige Überprüfung:** Untersuche die Inserts nach jedem Gebrauch auf Risse oder andere Schäden. Bei Anzeichen von Beschädigung sollten die Inserts sofort ersetzt werden.

Anweisungen für Installation und Nutzung

- **Installation der Inserts:**
 1. Stelle sicher, dass das Gewehr sicher und stabil auf dem Ransom Rest positioniert ist.
 2. Entferne die alten Inserts, falls vorhanden, und reinige die Kontaktflächen gründlich.
 3. Setze die RANSOM Grip Inserts gemäß den Anweisungen des Herstellers ein. Achte darauf, dass sie fest und sicher sitzen.
- **Nutzung der Inserts:**
 1. Stelle sicher, dass das Gewehr in einem sicheren Zustand ist, bevor du mit dem Schießen beginnst.
 2. Beobachte die Leistung der Inserts während des Schießens. Achte auf ungewöhnliche Vibrationen oder Geräusche, die auf ein Problem hinweisen könnten.
 3. Nach dem Schießen solltest du die Inserts abermals auf Beschädigungen überprüfen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zur Sicherheit und Nutzung der RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Diese Sicherheitshinweise sind in Übereinstimmung mit der EUVerordnung über die allgemeine Produktsicherheit (GPSR) erstellt worden. Bitte halte dich an die genannten Anweisungen, um eine sichere Nutzung des Produkts zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR FN 5.7X28

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed specifically for use with your Master Series Ransom Rest. Proper use and understanding of safety guidelines are essential to ensure the longevity of your firearm and the effectiveness of your testing.

General Safety Guidelines

- Ensure safe use of all nonfood products, including new technologies and online purchases.
- Be aware of risks not addressed by other EU laws.
- Always check for standardized recall notices and free remedies for dangerous products.
- Online shopping offers the same protections as physical stores; ensure that the platform meets safety requirements.
- Extra safeguards are necessary for vulnerable groups, including children.
- Always have access to an EU-based contact for safety inquiries.
- Stay informed about unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that hard inserts do not replicate humanlike recoil, leading to invalid test data.
- **Monitor for Damage:** Be aware that damage from hard inserts may not be immediately visible but can accumulate with each shot.
- **Use Proper Inserts:** The grip inserts are designed to match the durometer of the human hand, absorbing recoil more effectively.
- **Follow Testing Protocols:** When conducting tests, mimic human handling to ensure accurate results.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Remove any existing grip inserts from your Ransom Rest.
- Carefully align the Ransom Grip Inserts with the designated slots.
- Press firmly until the inserts are securely in place.
- Ensure that the inserts are flush with the surface of the rest.

2. Usage Guidelines:

- Place your firearm in the Ransom Rest with the grip inserts installed.
- Adjust the machine to the desired position without using excessive force.
- Conduct your tests while ensuring the firearm is stable and secure.
- Regularly check the condition of the grip inserts for wear or damage.

3. PostUsage Care:

- After use, inspect the grip inserts for signs of wear.
- Clean the inserts according to the manufacturer's recommendations.
- Store your Ransom Rest in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any worn or damaged grip inserts in accordance with local regulations.
- Do not throw inserts in regular trash if they are made from materials that require special handling.
- Consider recycling options if available, to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the use of the Ransom Grip Inserts, please refer to the manufacturer's contact information provided with your product or visit the official website for further assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Ransom Grip Inserts. Always prioritize safety and proper handling to protect yourself and your equipment.

Guida alle Istruzioni di Sicurezza per GRIP INSERTS RANSOM GRIP INSERTS PER FN 5.7X28

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per i GRIP INSERTS RANSOM GRIP INSERTS PER FN 5.7X28. Questa guida è progettata per garantire un uso sicuro e corretto del prodotto, seguendo le normative europee sulla sicurezza dei prodotti (EU General Product Safety Regulation GPSR). Ti invitiamo a leggere attentamente queste istruzioni per proteggere te stesso e il tuo equipaggiamento.

Linee Guida Generali sulla Sicurezza

- Assicurati che il prodotto sia utilizzato solo per lo scopo previsto.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e generare rischi di sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro e asciutto, lontano da fonti di calore o umidità.
- Segnala immediatamente eventuali prodotti difettosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare inserti rigidi: Questi possono compromettere la sicurezza dell'arma e causare infortuni.
- Assicurati che gli inserti siano correttamente installati e fissati prima dell'uso.
- Utilizza il prodotto solo con il Master Series Ransom Rest per garantire compatibilità e sicurezza.
- Evita di utilizzare il prodotto in condizioni meteorologiche avverse che potrebbero influenzare le prestazioni.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi eventuali inserti precedenti dal Ransom Rest.
- Pulisci l'area di contatto per garantire una buona aderenza.
- Posiziona gli inserti Ransom nel supporto, assicurandoti che siano allineati correttamente.
- Fissa gli inserti in posizione seguendo le istruzioni specifiche del produttore.

2. Uso del Prodotto:

- Posiziona l'arma sul Ransom Rest con gli inserti installati.
- Assicurati che l'arma sia in una posizione stabile prima di iniziare il tiro.
- Segui le procedure di sicurezza standard per il maneggio delle armi durante l'uso.

Istruzioni per lo Smaltimento

- Quando gli inserti non sono più utilizzabili, smaltiscili in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale pattume; verifica le opzioni di riciclaggio disponibili nella tua area.

Informazioni di Contatto per Ulteriore Supporto

Per domande o chiarimenti riguardanti l'uso e la sicurezza del prodotto, contatta il tuo rivenditore autorizzato o il produttore. È importante avere un punto di contatto per qualsiasi preoccupazione riguardante la sicurezza del prodotto.

Conclusione

Seguendo queste istruzioni di sicurezza, puoi garantire un utilizzo sicuro e efficace dei GRIP INSERTS RANSOM GRIP INSERTS PER FN 5.7X28. La tua sicurezza e quella degli altri è la nostra priorità. Assicurati di rimanere informato sulle migliori pratiche e sulla manutenzione del prodotto per un'esperienza di utilizzo ottimale.
