

GRIP INSERTS - RANSOM GRIP INSERTS FOR FN FNX-40

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR FN FNX-40
- Manufacturer: RANSOM
- Product no.: 430119538
- Mfr. No.: 30-300-32-1
- Delivery weight: 0.907kg
- UPC: 810132580932

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS für FN FNX40

Einleitung

Herzlich willkommen! Diese Sicherheitshinweise sind wichtig für die sichere Verwendung der GRIP INSERTS RANSOM GRIP INSERTS für deine FN FNX40. Bitte lies die folgenden Informationen sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv nutzt.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die Inserts nur für die vorgesehenen Zwecke verwendet werden.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.
- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzung.
- Bei Fragen oder Unsicherheiten wende dich an den Hersteller oder einen Fachmann.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte Kunststoff Inserts, da diese deinem Gewehr schaden können.
- Harte Inserts können gefährliche Rückstoßenergie erzeugen, die das Gewehr beschädigen kann.
- Achte darauf, dass die Inserts die Durometer der menschlichen Hand entsprechen, um eine optimale Absorption des Rückstoßes zu gewährleisten.
- Vermeide die Verwendung von Inserts, die nicht den Sicherheitsstandards entsprechen.

Anweisungen für Installation und Nutzung

1. Installation der Grip Inserts

- Reinige den Bereich, in dem die Inserts installiert werden sollen, gründlich.
- Setze die Inserts vorsichtig in die vorgesehenen Öffnungen ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Lücken aufweisen.

2. Nutzung der Grip Inserts

- Teste die Inserts zunächst mit geringer Schussanzahl, um sicherzustellen, dass sie korrekt funktionieren.
- Achte während des Schießens auf ungewöhnliche Geräusche oder Vibrationen.
- Bei Anzeichen von Beschädigung oder Fehlfunktion, stoppe die Nutzung sofort und überprüfe die Inserts.

Entsorgungsanweisungen

- Entsorge die Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Überprüfe, ob die Inserts recycelbar sind, und trenne sie entsprechend.
- Werfe beschädigte Inserts nicht einfach in den Müll, sondern bringe sie zu einer entsprechenden Sammelstelle.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu Sicherheit und Nutzung der GRIP INSERTS wende dich bitte an den Hersteller oder einen Fachmann.

Diese Sicherheitshinweise sind darauf ausgelegt, die sichere Verwendung der GRIP INSERTS RANSOM GRIP INSERTS für deine FN FNX40 zu gewährleisten. Bitte halte dich an die Anweisungen und sei stets vorsichtig bei der Handhabung deiner Waffe.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR FN FNX40

Introduction

Thank you for choosing the Ransom International Grip Inserts for your FN FNX40. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of the grip inserts by following the instructions provided. These inserts are designed to minimize recoil and vibration, enhancing shooting performance.
- **Enhanced Recalls:** Stay informed about any recall notices or safety alerts related to this product. If you receive a recall notice, follow the instructions provided to return or remedy the product.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored out of reach of minors.
- **EU Contact Point:** For any safety inquiries regarding this product, refer to the appropriate EU-based contact point.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Master Series Ransom Rest. These can damage your firearm by generating destructive recoil energy.
- **Understand the Risks:** Hard inserts may fail to replicate humanlike recoil, leading to flawed test results and potential damage to your firearm.
- **Injury Risk:** Using hard inserts may decrease the life of your firearm and could potentially cause injury or death if a failure occurs.
- **Mimic Human Recoil:** Always aim to replicate humanlike recoil when conducting tests. Using hard or improperly designed inserts will lead to inaccurate results.

Instructions for Installation and Usage

1. Installation:

- Ensure that your workspace is clean and free from distractions.
- Remove any existing grip inserts from the Master Series Ransom Rest.
- Carefully insert the Ransom Grip Inserts into the designated slots, ensuring a snug fit.
- Doublecheck that the inserts are securely in place before proceeding.

2. Usage:

- When using the Ransom Rest, ensure the firearm is properly loaded and secured.
- Aim to conduct your tests in a controlled environment to minimize external factors that may affect results.
- Observe all standard safety protocols associated with firearm handling and shooting.

3. Maintenance:

- Regularly inspect the grip inserts for wear and tear.

- Replace any damaged inserts immediately to ensure continued safety and performance.

Disposal Instructions

- Dispose of any damaged or unusable grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Ransom Grip Inserts, please refer to the appropriate contact point as provided by your retailer or manufacturer.

By following these safety instructions, you can ensure a safe and effective experience with your Ransom Grip Inserts for the FN FNX40. Thank you for your attention to safety!

Istruzioni di Sicurezza per i Grip Inserts RANSOM per FN FNX40

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo FN FNX40. Questo manuale fornisce informazioni importanti sulla sicurezza e sull'uso corretto del prodotto. Seguire attentamente queste istruzioni per garantire un utilizzo sicuro e efficace.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i Grip Inserts RANSOM solo con il Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro e asciutto, lontano dalla portata di bambini e animali domestici.

Precauzioni di Sicurezza Specifiche per l'Uso

- I Grip Inserts RANSOM sono progettati per assorbire le forze di vibrazione e rinculo. Non utilizzare inserti non originali o non approvati.
- Durante il montaggio o la rimozione degli inserti, assicurati che l'arma sia scarica e non in uso.
- Non forzare mai gli inserti nel Ransom Rest; segui le istruzioni di installazione per evitare danni.
- Fai attenzione a non toccare le parti calde dell'arma dopo l'uso.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia completamente scarica.
- Rimuovi eventuali accessori o componenti che potrebbero ostacolare l'installazione.

2. Installazione:

- Posiziona il Grip Insert RANSOM nel Master Series Ransom Rest.
- Assicurati che l'inserto sia allineato correttamente e ben fissato.
- Verifica che non ci siano spazi vuoti tra l'inserto e il Ransom Rest.

3. Uso:

- Utilizza l'arma come previsto, seguendo le linee guida per la sicurezza e il corretto funzionamento.
- Monitora le prestazioni dell'arma e dell'inserto durante l'uso.

4. Manutenzione:

- Ispeziona regolarmente il Grip Insert per segni di usura.
- Pulisci l'inserto secondo le istruzioni del produttore, evitando l'uso di sostanze chimiche aggressive.

Istruzioni per lo Smaltimento

- Non gettare i Grip Inserts RANSOM nell'ambiente. Segui le normative locali per lo smaltimento dei materiali plastici.

- Contatta le autorità locali per informazioni su come smaltire in modo sicuro i prodotti non più utilizzabili.

Informazioni di Contatto per Ulteriore Supporto

Per domande o preoccupazioni riguardanti i Grip Inserts RANSOM, ti invitiamo a contattare il tuo rivenditore o il supporto clienti di RANSOM. Assicurati di avere a disposizione il numero di modello e la prova di acquisto.

Ricorda che la sicurezza è fondamentale. Segui queste istruzioni per garantire un utilizzo corretto e sicuro dei Grip Inserts RANSOM per il tuo FN FNX40.
