

GRIP INSERTS - RANSOM GRIP INSERTS FOR STAR FIRESTAR PLUS

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR STAR FIRESTAR PLUS
- Manufacturer: RANSOM
- Product no.: 430119543
- Mfr. No.: 30-300-42-01
- Delivery weight: 0.907kg
- UPC: 810132582936

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS RANSOM GRIP INSERTS FÜR STAR FIRESTAR PLUS

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der GRIP INSERTS RANSOM GRIP INSERTS für die Firestar Plus! Diese Inserts sind speziell entwickelt worden, um die Leistung deiner Waffe zu verbessern und gleichzeitig die Sicherheit zu gewährleisten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere Nutzung und optimale Leistung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur in Kombination mit dem Master Series Ransom Rest verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckten Kunststoff Inserts, da diese die Waffe schädigen können.
- Achte darauf, dass die Inserts regelmäßig auf Abnutzung oder Beschädigung überprüft werden.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Die Inserts sind so konzipiert, dass sie die DurometerHärte der menschlichen Hand nachahmen. Sie absorbieren Rückstoßenergie, um die Waffe zu schützen.
- Verwende die Inserts nur gemäß den Anweisungen des Herstellers. Falsche Verwendung kann zu Verletzungen oder Schäden an der Waffe führen.
- Achte darauf, dass die Inserts ordnungsgemäß installiert sind, bevor du die Waffe benutzt.
- Bei Anzeichen von Beschädigung oder Abnutzung der Inserts, stoppe die Nutzung sofort und ersetze sie.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen GRIP INSERTS vorsichtig in die dafür vorgesehenen Halterungen ein, bis sie sicher sitzen.
- Überprüfe, ob die Inserts fest sitzen und keine Lücken aufweisen.

2. Nutzung der Inserts:

- Halte die Waffe mit der richtigen Technik, um den Rückstoß gleichmäßig zu verteilen.
- Achte darauf, dass die Inserts während des Schießens nicht verrutschen oder beschädigt werden.
- Nach jedem Schießen, überprüfe die Inserts auf Anzeichen von Verschleiß oder Beschädigung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffen.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern oder unbefugten Personen gelangen.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen und Unterstützung, wende dich bitte an deinen Händler oder den Hersteller. Achte

darauf, alle Sicherheitsrichtlinien zu befolgen und bei Fragen oder Unsicherheiten Hilfe in Anspruch zu nehmen.

Vielen Dank, dass du die Sicherheit ernst nimmst und die GRIP INSERTS RANSOM GRIP INSERTS für deine Firestar Plus verwendest. Deine Sicherheit und die Sicherheit anderer haben höchste Priorität!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR STAR FIRESTAR PLUS

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Firestar Plus. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided.
- Be aware of potential risks associated with improper use, including damage to your firearm and personal injury.
- Always use the grip inserts as intended and avoid any modifications that could compromise their safety.
- Keep the grip inserts out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Do Not Use Hard Grip Inserts:** Hard grip inserts or 3Dprinted plastic inserts can cause significant damage to your firearm. They generate destructive recoil energy that can harm the frame and barrel.
- **Avoid Poorly Engineered Inserts:** Many hard or 3Dprinted inserts fail to replicate the natural recoil of a human hand, rendering test data invalid.
- **Understand Vibration and Recoil:** The grip inserts are designed to absorb recoil and vibration, preventing these forces from transferring into the firearm. Using hard inserts can lead to increased wear and potential failure of the firearm.
- **Monitor for Damage:** Damage from improper inserts may not be immediately visible but can accumulate over time, leading to reduced firearm lifespan and safety hazards.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and safe to handle before installation.
- Carefully remove any existing grip inserts from your Ransom Rest.
- Align the Ransom Grip Inserts with the designated areas on your Ransom Rest.
- Firmly press the inserts into place until secure.

2. Usage:

- Use the grip inserts only with the intended firearm models.
- Follow the manufacturer's guidelines for the specific firearm you are using.
- Regularly inspect the grip inserts for signs of wear or damage. Replace them if necessary.
- Do not exceed the recommended usage limits.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly.
- Follow local regulations for disposal of nonfood products.
- Do not throw grip inserts in regular household waste if they are made from materials that require special disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or installation of the Ransom Grip Inserts, please refer to the manufacturer's contact details provided with your product packaging.

Conclusion

By following these safety guidelines and instructions, you can ensure the safe use of Ransom Grip Inserts for your Firestar Plus. Always prioritize safety and consult with professionals if you have any questions or concerns regarding your firearm and accessories. Thank you for choosing Ransom International.

Guida alle Istruzioni di Sicurezza per i GRIP INSERTS RANSOM per Firestar Plus

Introduzione

Benvenuti nella guida alle istruzioni di sicurezza per i GRIP INSERTS RANSOM progettati per il tuo Firestar Plus. Questa guida è stata redatta per garantire un uso sicuro e responsabile del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti (GPSR) dell'Unione Europea. Si prega di leggere attentamente le seguenti informazioni per evitare rischi e garantire un'esperienza di utilizzo ottimale.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per gli scopi previsti.
- Non utilizzare grip inserts rigidi o stampati in 3D con il tuo Master Series Ransom Rest, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Verifica regolarmente il prodotto per eventuali segni di usura o danni.
- Segnala immediatamente qualsiasi problema di sicurezza o malfunzionamento alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare gli inserti rigidi, poiché possono generare energia di rinculo distruttiva.
- Assicurati che gli inserti siano progettati specificamente per abbinarsi al durometro della mano umana.
- Evita l'uso di inserti che non replicano il rinculo umano, poiché ciò può rendere i dati di test non validi.
- Non tentare di modificare o alterare gli inserti in alcun modo.
- Utilizza sempre gli inserti RANSOM come indicato per garantire risultati di test accurati e ripetibili.

Istruzioni per l'Installazione e l'Uso

- Prima di installare gli inserti, assicurati che l'arma sia scarica e in una posizione sicura.
- Segui le istruzioni del produttore per l'installazione degli inserti nel Master Series Ransom Rest.
- Dopo l'installazione, verifica che gli inserti siano saldamente fissati e in posizione corretta.
- Durante l'uso, monitora il funzionamento degli inserti per assicurarti che non ci siano vibrazioni anomale o altri problemi.
- Dopo ogni sessione di test, controlla gli inserti per eventuali segni di danno o usura.

Istruzioni per lo Smaltimento

- Gli inserti RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nella spazzatura domestica. Contatta le strutture di riciclaggio locali per informazioni sullo smaltimento corretto.
- Assicurati che gli inserti non siano accessibili a bambini o animali domestici durante il processo di smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per domande o per segnalare problemi di sicurezza, ti invitiamo a contattare il servizio clienti del produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti per ricevere assistenza.

Ti ringraziamo per aver scelto i GRIP INSERTS RANSOM per il tuo Firestar Plus. Seguendo queste linee guida di sicurezza, contribuirai a garantire un utilizzo sicuro e efficace del prodotto.
