

GRIP INSERTS - RANSOM GRIP INSERTS FOR CANIK TP9 ELITE,SF ELITE,ELITE COMBAT

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR CANIK TP9 ELITE,SF ELITE,ELITE COMBAT
- Manufacturer: RANSOM
- Product no.: 430119546
- Mfr. No.: 30-300-45-02
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580468

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitsanleitung für GRIP INSERTS RANSOM GRIP INSERTS FÜR CANIK TP9 ELITE, SF ELITE, ELITE COMBAT

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für deine Canik TP9 Elite! Diese Inserts sind speziell entwickelt, um die Leistung deiner Waffe zu maximieren und gleichzeitig die Sicherheit während der Nutzung zu gewährleisten. Bitte lies diese Sicherheitsanleitung sorgfältig durch, um sicherzustellen, dass du die Inserts korrekt und sicher verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit den kompatiblen Waffenmodellen verwendest, wie in der Produktbeschreibung angegeben.
- Verwende die Inserts nicht, wenn sie sichtbare Schäden aufweisen.
- Halte die Inserts außerhalb der Reichweite von Kindern und schütze sie vor unsachgemäßer Handhabung.
- Achte darauf, dass die Inserts nicht mit harten oder 3Dgedruckten Grip Inserts kombiniert werden, da dies zu Schäden an deiner Waffe führen kann.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Verwende die Inserts nur in der vorgesehenen Anwendung und gemäß den Anweisungen.
- Überprüfe regelmäßig den Zustand der Inserts und ersetze sie, wenn sie Abnutzungserscheinungen zeigen.
- Vermeide den Einsatz der Waffe mit einem harten Insert, um Verletzungen und Schäden zu verhindern.
- Achte darauf, dass alle Teile der Waffe in einwandfreiem Zustand sind, bevor du die Inserts verwendest.

Anweisungen zur Installation und Nutzung

1. Vorbereitung der Waffe:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation der Inserts beginnst.
- Überprüfe, ob alle Teile der Waffe sauber und in gutem Zustand sind.

2. Installation der GRIP INSERTS:

- Entferne die vorhandenen Inserts, falls vorhanden.
- Setze die RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Bereiche ein.
- Stelle sicher, dass die Inserts fest sitzen und sicher installiert sind.

3. Nutzung der Waffe:

- Halte die Waffe immer in sicherer Position und richte sie niemals auf Personen oder Tiere.
- Achte darauf, dass du beim Schießen eine korrekte Haltung einnimmst, um die Auswirkungen des Rückstoßes zu minimieren.
- Beobachte die Leistung der Inserts während des Schießens und achte auf etwaige Veränderungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den lokalen Vorschriften für die Entsorgung von Kunststoffabfällen.

- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Fragen zu den GRIP INSERTS, wende dich bitte an den Hersteller oder den Verkaufspunkt, bei dem du das Produkt erworben hast. Es ist wichtig, dass du bei Fragen oder Unsicherheiten nicht zögerst, Unterstützung zu suchen.

Diese Sicherheitsanleitung stellt sicher, dass du die RANSOM GRIP INSERTS sicher und effektiv verwenden kannst. Beachte die oben genannten Richtlinien, um potenzielle Gefahren zu vermeiden und die Lebensdauer deiner Waffe zu verlängern.

GRIP INSERTS RANSOM GRIP INSERTS FOR CANIK TP9 ELITE, SF ELITE, ELITE COMBAT

Introduction

Thank you for choosing Ransom International Grip Inserts for your shooting needs. This guide provides essential safety instructions and guidelines to ensure the safe use of our products in compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the grip inserts.

General Safety Guidelines

- Ensure that you are familiar with the proper handling and operation of firearms before using the grip inserts.
- Always follow the manufacturer's instructions for your firearm and the Ransom Rest system.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.
- Ensure that the grip inserts are used only with compatible firearm models to avoid risks.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Know that vibration and recoil cannot be stopped; they must be controlled. Hard inserts do not replicate humanlike recoil, leading to flawed test results.
- **Monitor for Damage:** Regularly inspect your firearm for any signs of wear or damage that may result from improper use of grip inserts.
- **Use Proper Inserts:** Ensure that the grip inserts match the durometer of the human hand to absorb recoil effectively.

Instructions for Installation and Usage

1. **Check Compatibility:** Ensure that the grip inserts are compatible with your firearm model (Canik TP9 Elite, SF Elite, Elite Combat).
2. **Installation:**
 - Remove any existing grip inserts from the Ransom Rest.
 - Carefully insert the Ransom grip inserts into the designated slots of the Ransom Rest.
 - Ensure that the inserts fit snugly and securely.
3. **Usage:**
 - Position your firearm correctly in the Ransom Rest.
 - Fire a test shot and observe the performance of the grip inserts.
 - If you notice excessive vibration or recoil transfer, stop using the grip inserts and check for any installation issues.
4. **PostUse Inspection:**
 - After each use, inspect the grip inserts for wear or damage.
 - Replace any worn or damaged inserts immediately.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste if they contain materials that are not environmentally friendly.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of Ransom grip inserts, please refer to the manufacturer's contact details provided with your product packaging or visit the official website.

By following these guidelines, you can ensure safe and effective use of your Ransom grip inserts, enhancing your shooting experience while maintaining compliance with safety regulations. Thank you for choosing Ransom International.

Istruzioni di Sicurezza per l'Utilizzo degli Inserto Grip RANSOM per Canik TP9 Elite

Introduzione

Grazie per aver scelto gli Inserto Grip RANSOM per il tuo Canik TP9 Elite, SF Elite, o Elite Combat. Questo manuale fornisce informazioni essenziali sulla sicurezza, l'installazione e l'uso corretto del prodotto. È fondamentale seguire queste istruzioni per garantire un utilizzo sicuro e ottimale.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli Inserto Grip RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente l'integrità dell'inserto e della tua arma per rilevare eventuali segni di usura o danni.
- Conserva il prodotto in un luogo sicuro e fuori dalla portata di bambini e gruppi vulnerabili.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Prima di utilizzare gli Inserto Grip RANSOM, assicurati che l'arma sia scarica e in una posizione sicura.
- Segui sempre le istruzioni di installazione per evitare il corretto posizionamento dell'inserto.
- Durante l'uso, prestare attenzione a eventuali vibrazioni anomale o rumori provenienti dall'arma.
- Non tentare di modificare o riparare gli inserti in alcun modo.
- In caso di problemi o malfunzionamenti, interrompere immediatamente l'uso e contattare un professionista.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia completamente scarica.
- Pulisci l'area di contatto dell'arma per garantire una buona adesione dell'inserto.

2. Installazione:

- Posiziona l'inserto grip RANSOM sull'arma seguendo le linee guida specifiche per il tuo modello.
- Assicurati che l'inserto sia ben fissato e che non ci siano spazi vuoti.

3. Uso:

- Utilizza l'arma come indicato dal produttore, assicurandoti che l'inserto grip sia in posizione corretta.
- Monitora le prestazioni dell'inserto durante l'uso per eventuali segni di usura.

Istruzioni per lo Smaltimento

- Gli inserti grip RANSOM non devono essere smaltiti insieme ai normali rifiuti domestici.
- Segui le normative locali per lo smaltimento dei materiali plastici e degli accessori per armi.
- Se non sei sicuro di come smaltire il prodotto, contatta le autorità locali per ricevere indicazioni.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni, contatta il tuo rivenditore autorizzato o cerca supporto online. Assicurati di avere a disposizione il numero di modello e la prova d'acquisto.

Ricorda che la sicurezza è la tua responsabilità. Segui queste istruzioni e utilizza il prodotto in modo responsabile per garantire la tua sicurezza e quella degli altri.
