

GRIP INSERTS - RANSOM GRIP INSERTS FOR STAR SA

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR STAR SA
- Manufacturer: RANSOM
- Product no.: 430119547
- Mfr. No.: 30-300-42-06
- Delivery weight: 0.907kg
- UPC: 810132582981

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR STAR SA

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der Ransom Grip Inserts! Diese Inserts sind speziell für den Einsatz mit deinem Master Series Ransom Rest entwickelt worden und bieten eine sichere und effektive Lösung für das Schießen. Bitte lese diese Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und korrekt verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die Inserts nur mit dem vorgesehenen Master Series Ransom Rest verwendet werden.
- Überprüfe die Inserts regelmäßig auf Anzeichen von Beschädigungen oder Abnutzung.
- Halte die Inserts und den Ransom Rest von Kindern fern.
- Befolge alle Anweisungen und Empfehlungen des Herstellers.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Sei dir bewusst, dass harte Inserts destruktive Rückstoßenergien erzeugen können, die sich negativ auf dein Gewehr auswirken.
- Verwende die Inserts nur in einem sicheren und kontrollierten Umfeld, um Verletzungen zu vermeiden.

Anweisungen für Installation und Verwendung

1. Installation der Inserts:

- Stelle sicher, dass der Ransom Rest sauber und frei von Schmutz ist.
- Setze die Ransom Grip Inserts gemäß den Anweisungen des Herstellers in den Ransom Rest ein.
- Überprüfe, ob die Inserts fest und sicher sitzen.

2. Verwendung der Inserts:

- Platziere dein Gewehr sicher im Ransom Rest.
- Achte darauf, dass die Inserts korrekt ausgerichtet sind, um Vibrationen und Rückstoß zu absorbieren.
- Führe deine Schüsse in einer stabilen und sicheren Position aus.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung bezüglich der Ransom Grip Inserts, wende dich bitte an den Hersteller oder deinen Händler.

Bitte beachte, dass diese Sicherheitshinweise wichtige Informationen enthalten, die dir helfen, die Ransom Grip Inserts sicher zu verwenden. Achte darauf, alle Anweisungen zu befolgen und bei Fragen oder Unsicherheiten

die entsprechenden Kontakte zu nutzen. Sicherheit steht an erster Stelle!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR STAR SA

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring the safety and integrity of your firearm. This guide provides essential safety instructions, precautions, and installation guidelines to ensure safe and effective use.

General Safety Guidelines

- Always use the grip inserts as intended and according to the manufacturer's instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they may damage your firearm.
- Ensure that all users of the Ransom Rest are aware of the safety precautions outlined in this guide.
- Regularly inspect the grip inserts for wear or damage before each use.
- If you notice any abnormalities or issues with the grip inserts, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may damage your firearm. They do not replicate humanlike recoil, leading to invalid test results.
- **Understand Recoil Dynamics:** Remember that vibration and recoil cannot be stopped; they can only be controlled. The inserts are designed to absorb these forces, preventing damage to your gun.
- **Monitor Usage:** Continuous use of hard inserts may lead to decreased barrel life and potential injury. Always opt for inserts that mimic the human hand.
- **Be Cautious with Testing:** When conducting destructive or accuracy testing, ensure that the inserts used accurately reflect human handling to avoid flawed results.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your Master Series Ransom Rest is clean and free of debris.
- Gather all necessary tools and components before starting the installation.

2. Installation:

- Remove any existing grip inserts from the Ransom Rest.
- Carefully insert the Ransom grip inserts into the designated slots. Ensure they fit snugly and securely.
- Doublecheck that the inserts are correctly positioned and that there are no gaps.

3. Usage:

- Place your firearm in the Ransom Rest according to the manufacturer's guidelines.
- Ensure that the grip inserts are absorbing the initial recoil and vibration during use.
- Monitor the performance of the inserts during testing, and be aware of any unusual sounds or movements.

4. PostUsage:

- After use, remove the firearm and inspect the grip inserts for any signs of wear or damage.
- Store the grip inserts in a safe and dry location to prolong their lifespan.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste. Instead, check for local recycling programs that accept such materials.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the use of Ransom grip inserts, please contact the manufacturer directly through their official channels.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your Ransom grip inserts. Always prioritize safety and proper use to protect both yourself and your firearm.

Istruzioni di Sicurezza per l'Uso degli GRIP INSERTS RANSOM

Introduzione

Le GRIP INSERTS RANSOM sono progettate per migliorare le prestazioni del tuo Master Series Ransom Rest. È fondamentale seguire queste istruzioni di sicurezza per garantire un uso corretto e sicuro del prodotto, evitando potenziali danni all'arma e garantendo la tua sicurezza.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo GRIP INSERTS RANSOM. L'uso di grip inserts rigidi o stampati in 3D può danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Non utilizzare il prodotto in condizioni estreme che potrebbero influenzarne le prestazioni.
- Segnala immediatamente eventuali incidenti o malfunzionamenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono causare danni all'arma.
- Assicurati che gli inserti siano installati correttamente prima dell'uso.
- Non sovraccaricare il Master Series Ransom Rest durante l'uso.
- Fai attenzione a eventuali vibrazioni o rimbalzi anomali durante il tiro, che potrebbero indicare un problema.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi eventuali grip inserts esistenti dal Master Series Ransom Rest.
- Pulisci l'area di installazione per garantire una buona aderenza.
- Segui le istruzioni specifiche fornite con gli inserti per installarli correttamente.
- Verifica che gli inserti siano fissati saldamente prima di utilizzare il prodotto.

2. Utilizzo del Master Series Ransom Rest:

- Posiziona l'arma in modo sicuro sul Ransom Rest.
- Assicurati che l'arma sia in una posizione stabile prima di procedere al tiro.
- Monitora le prestazioni del Ransom Rest durante l'uso, prestando attenzione a eventuali vibrazioni o movimenti imprevisti.

3. Attenzione ai Rischi:

- Ricorda che ogni azione ha una reazione. Le forze di rinculo e vibrazione devono essere controllate e non trasmesse all'arma.
- Se noti segni di danno o malfunzionamento, interrompi immediatamente l'uso e verifica il prodotto.

Istruzioni per lo Smaltimento

- Gli inserti danneggiati o usurati devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nella spazzatura normale. Contatta il tuo centro di raccolta locale per informazioni sullo smaltimento corretto.

Contatti per Ulteriore Supporto

- Per ulteriori informazioni e assistenza, contatta il tuo rivenditore di fiducia o consulta il sito ufficiale di RANSOM INTERNATIONAL.

Avvertenze Finali

- Utilizzare sempre gli GRIP INSERTS RANSOM in conformità con queste istruzioni per garantire la massima sicurezza e prestazioni.
- Ricorda che l'uso di inserti non conformi può comportare danni all'arma e rischi per la sicurezza.

Seguendo queste linee guida, puoi garantire un utilizzo sicuro e efficace degli GRIP INSERTS RANSOM, proteggendo sia te stesso che il tuo equipaggiamento.
