

GRIP INSERTS - RANSOM GRIP INSERTS FOR IWI JERICHO 941 STEEL

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR IWI JERICHO 941 STEEL
- Manufacturer: RANSOM
- Product no.: 430119555
- Mfr. No.: 30-300-47-02
- Delivery weight: 0.907kg
- UPC: 810132581472

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR IWI JERICO 941

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS für die IWI Jericho 941. Diese Anleitung hilft dir, die Sicherheit und die ordnungsgemäße Verwendung des Produkts zu gewährleisten. Bitte lies die folgenden Informationen sorgfältig durch, um mögliche Risiken zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Grip Inserts nur in Verbindung mit dem Master Series Ransom Rest verwendest.
- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts in gutem Zustand sind und keine sichtbaren Schäden aufweisen, bevor du sie verwendest.
- Halte dich an die Anweisungen zur Installation und Verwendung, um die Sicherheit zu gewährleisten.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende die Grip Inserts nur für den vorgesehenen Zweck und in der empfohlenen Weise.
- Achte darauf, dass die Inserts richtig installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, die Inserts zu überlasten oder unsachgemäß zu verwenden, da dies zu Schäden an deinem Gewehr führen kann.
- Beachte, dass die Inserts speziell entwickelt wurden, um die Durometer der menschlichen Hand nachzuahmen. Verwende keine anderen Inserts, die nicht für dein Gewehr geeignet sind.

Anweisungen zur Installation und Verwendung

1. Installation der Grip Inserts:

- Stelle sicher, dass dein Ransom Rest sauber und trocken ist.
- Setze die Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Überprüfe, ob die Inserts fest sitzen und keine Bewegung aufweisen.

2. Verwendung der Grip Inserts:

- Stelle sicher, dass die Maschine richtig eingestellt ist, bevor du mit dem Schießen beginnst.
- Achte darauf, dass die Inserts während des Schießens in Position bleiben und nicht verrutschen.
- Beobachte die Leistung der Inserts während des Schießens und achte auf ungewöhnliche Vibrationen oder Geräusche.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Achte darauf, dass du die Inserts nicht einfach im Müll entsorgst, sondern die entsprechenden Recycling oder Entsorgungsstellen nutzt.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung zu den Grip Inserts kannst du dich an den Hersteller oder einen autorisierten

Händler wenden.

Wichtige Hinweise

- Harte Inserts können die Lebensdauer deines Gewehrs verringern und möglicherweise zu Verletzungen führen.
- Achte darauf, dass du die Inserts regelmäßig überprüfst und bei Bedarf ersetzt.
- Berichte unsichere Produkte oder Unfälle an die zuständigen Behörden.

Diese Sicherheitshinweise sind dazu gedacht, dir eine sichere Nutzung der GRIP INSERTS RANSOM GRIP INSERTS für die IWI Jericho 941 zu ermöglichen. Bitte halte dich an alle Anweisungen, um sowohl deine Sicherheit als auch die deines Gewehrs zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR IWI JERICO 941 STEEL

Introduction

Thank you for choosing the Ransom International Grip Inserts for your IWI Jericho 941 Steel. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before using the grip inserts.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided in this guide.
- Be aware of potential risks associated with improper use of the grip inserts.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can cause damage to your firearm and may lead to safety hazards.
- Always report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Do Not Use Hard Inserts:** Hard grip inserts can damage your firearm by transmitting destructive recoil energy. This can lead to decreased barrel life and potential injury.
- **Avoid 3DPrinted Inserts:** These are often poorly engineered and do not replicate humanlike recoil, leading to flawed test results.
- **Control Recoil and Vibration:** The grip inserts are designed to mimic the human hand, absorbing recoil and vibration effectively. Ensure that the inserts are used as intended.
- **Monitor for Damage:** Regularly inspect your firearm and grip inserts for signs of wear or damage. Accrued damage may not be immediately visible but can lead to serious issues over time.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and in a safe condition before installation.
- Carefully remove any existing grip inserts from your firearm.
- Align the Ransom Grip Inserts with the grip frame of your IWI Jericho 941 Steel.
- Gently press the inserts into place until they are securely fitted.

2. Usage:

- When using the Ransom Rest with the grip inserts, ensure the machine is in a stable position.
- Observe the firearm during testing to ensure that the machine and inserts are functioning correctly.
- Avoid using hard or 3Dprinted inserts during testing to maintain accuracy and safety.

3. Testing and Evaluation:

- Conduct all tests mimicking humanlike handling to ensure valid results.
- If using for destructive testing or accuracy testing, remember that using the correct inserts is crucial for obtaining reliable data.

Disposal Instructions

- Dispose of any damaged or worn grip inserts according to local regulations.
- Do not throw grip inserts in regular trash if they are deemed unsafe or damaged. Instead, follow your local waste management guidelines for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your Ransom Grip Inserts, please consult the product packaging or visit the manufacturer's website for further assistance.

By following these guidelines, you can ensure a safe and effective experience with your Ransom Grip Inserts. Thank you for your attention to these important safety measures.

Istruzioni di Sicurezza per Grip Inserts RANSOM per IWI Jericho 941 Steel

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo IWI Jericho 941 Steel. Questo prodotto è progettato per migliorare la precisione e la stabilità durante l'uso. È importante seguire le istruzioni di sicurezza per garantire un utilizzo sicuro e efficace.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo Grip Inserts RANSOM. L'uso di grip inserts rigidi o stampati in 3D può danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente il tuo Grip Insert per segni di usura o danni.
- Non utilizzare il prodotto se noti anomalie o danni visibili.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi o in plastica stampata in 3D.
- Evita di esercitare una pressione eccessiva durante l'uso.
- Non tentare di modificare il Grip Insert in alcun modo.
- Assicurati che l'arma sia sempre in condizioni ottimali prima dell'uso.
- Non utilizzare il Grip Insert in condizioni estreme (ad esempio, temperature molto alte o basse).

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in una posizione sicura.
- Rimuovi eventuali grip inserts precedenti se presenti.

2. Installazione:

- Posiziona il Grip Insert RANSOM nel supporto appropriato.
- Assicurati che sia ben fissato e non si muova durante l'uso.

3. Uso:

- Utilizza il Grip Insert durante le sessioni di tiro per migliorare la stabilità.
- Monitora continuamente il comportamento dell'arma e del Grip Insert durante l'uso.

4. Postuso:

- Rimuovi il Grip Insert e controlla eventuali segni di usura o danni.
- Conserva il Grip Insert in un luogo sicuro e asciutto.

Istruzioni per lo Smaltimento

- Smaltisci il Grip Insert RANSOM in conformità con le normative locali sullo smaltimento dei rifiuti.
- Non gettare il Grip Insert nel normale rifiuto domestico se contiene materiali pericolosi.
- Controlla le linee guida locali per il riciclaggio e lo smaltimento dei materiali plastici.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o preoccupazione riguardante il tuo Grip Insert RANSOM, ti invitiamo a contattare il tuo rivenditore o il produttore.

Conclusione

Seguendo queste istruzioni di sicurezza, puoi garantire un utilizzo sicuro e efficace dei Grip Inserts RANSOM. La tua sicurezza e quella degli altri è la nostra massima priorità. Grazie per aver scelto il nostro prodotto!
