

GRIP INSERTS - RANSOM GRIP INSERTS FOR KEL-TEC CP33

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR KEL-TEC CP33
- Manufacturer: RANSOM
- Product no.: 430119559
- Mfr. No.: 30-300-49-04
- Delivery weight: 0.907kg
- UPC: 810132581540

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR KELTEC CP33

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die KELTEC CP33! Diese Inserts sind speziell entwickelt, um die Sicherheit und Leistung deines Gewehrs zu verbessern. Bitte beachte die folgenden Sicherheitshinweise, um eine sichere Verwendung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS gemäß den Anweisungen verwendest.
- Verwende die Inserts nicht in Kombination mit harten oder 3Dgedruckten Kunststoffinserts.
- Halte die Inserts und dein Gewehr von Kindern und unbefugten Personen fern.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder Beschädigungen.
- Melde unsichere Produkte oder Vorfälle an die zuständigen Behörden.

Besondere Sicherheitsvorkehrungen für die Verwendung

- Vermeide den Einsatz von harten Inserts, da sie destruktive Rückstoßenergie erzeugen können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung zu gewährleisten.
- Verwende die Inserts nur mit dem Ransom Rest, um die besten Testergebnisse zu erzielen.
- Halte beim Schießen immer einen sicheren Abstand zu anderen Personen.

Anweisungen für Installation und Verwendung

1. Installation der Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Lücken aufweisen.

2. Verwendung der Inserts:

- Achte darauf, dass die Maschine in der richtigen Position ist, bevor du mit dem Schießen beginnst.
- Überprüfe vor jedem Schuss, ob die Inserts korrekt installiert sind.
- Führe deine Tests in einer sicheren Umgebung durch und halte dich an alle Sicherheitsbestimmungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Halte die Inserts von offenen Flammen und extremen Temperaturen fern, um ein Schmelzen oder andere Gefahren zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder den Verkäufer, bei dem du das Produkt erworben hast. Achte darauf, dass du alle relevanten Informationen bereithältst, um eine schnelle und effektive Unterstützung zu erhalten.

Bitte beachte, dass die Sicherheit deines Gewehrs und deiner persönlichen Sicherheit von größter Bedeutung sind. Befolge diese Anweisungen sorgfältig, um mögliche Risiken zu minimieren.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR KELTEC CP33

Introduction

Thank you for choosing the Ransom International Grip Inserts for your KelTec CP33. These inserts are designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to ensure the proper use and maintenance of your product.

General Safety Guidelines

- Ensure safe use of all nonfood products, including grip inserts.
- Be aware of risks that may not be covered by other regulations.
- Check for recall notices and safety updates regularly.
- Report any unsafe products or accidents to the appropriate authorities.
- Always purchase from authorized retailers to ensure product authenticity.

Specific Safety Precautions for Use

- **Avoid Hard Grip Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Hard inserts do not replicate humanlike recoil, which may lead to inaccurate test results and potential damage to your firearm.
- **Inspect Inserts Regularly:** Examine your grip inserts for wear and tear before each use.
- **Use as Intended:** Only use the grip inserts with the Ransom Rest designed for your firearm model.
- **Be Cautious of Accumulated Damage:** Damage from improper inserts may not be immediately visible but can accumulate over time, affecting the lifespan of your firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Ransom Rest is securely set up before installing the grip inserts.
- Align the grip inserts with the designated slots in the Ransom Rest.
- Gently press the inserts into place until they are securely fitted.

2. Usage:

- Place your firearm in the Ransom Rest with the grip inserts installed.
- Ensure that the firearm is properly secured and stable before proceeding with any shooting activities.
- Monitor the performance of the grip inserts during use and replace them if you notice any signs of damage.

3. PostUse Care:

- After use, remove the grip inserts from the Ransom Rest.
- Clean the inserts according to the manufacturer's recommendations to maintain their condition.
- Store the inserts in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local regulations for plastic waste.
- Do not throw away grip inserts in regular household waste if they are made from materials that require special disposal methods.
- Check for any recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your grip inserts, please consult the manufacturer's guidelines or contact the authorized retailer from whom you purchased the product.

By following these safety instructions, you can ensure a safer and more enjoyable shooting experience with your Ransom International Grip Inserts. Thank you for your attention to these important safety guidelines.

Istruzioni di Sicurezza per l'Uso dei Grip Inserts Ransom per KELTEC CP33

Introduzione

Grazie per aver scelto i Grip Inserts Ransom per il tuo KELTEC CP33. Questi inserti sono progettati per migliorare la stabilità e la sicurezza durante l'uso del tuo dispositivo. È importante seguire attentamente le istruzioni di sicurezza e utilizzo per garantire un'esperienza sicura e soddisfacente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare i Grip Inserts Ransom esclusivamente con il Master Series Ransom Rest.
- Non utilizzare inserti rigidi o in plastica stampati in 3D, in quanto possono danneggiare l'arma e causare incidenti.
- Controlla regolarmente il tuo dispositivo per eventuali segni di usura o danno.
- Non utilizzare mai il dispositivo in condizioni meteorologiche avverse o in ambienti non sicuri.
- Segui tutte le leggi e normative locali riguardanti l'uso delle armi.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Assorbimento degli Urti:** Gli inserti sono progettati per assorbire i primi millisecondi dello sparo, riducendo il rischio di danni all'arma.
- **Controllo delle Forze:** Il Ransom Rest controlla le vibrazioni e il rinculo, evitando il trasferimento di forze dannose nell'arma.
- **Rischio degli Inserti Rigidi:** Gli inserti rigidi possono diminuire la vita della canna e dell'arma e possono causare infortuni. È fondamentale non utilizzare tali inserti.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Assicurati che il Ransom Rest sia posizionato su una superficie stabile e piana.
- Segui le istruzioni del produttore per montare correttamente i Grip Inserts Ransom.
- Controlla che gli inserti siano saldamente fissati prima di utilizzare l'arma.

2. Uso:

- Posiziona l'arma nel Ransom Rest seguendo le indicazioni fornite.
- Assicurati che l'arma sia in posizione di batteria abbassata prima di iniziare la sessione di tiro.
- Monitora costantemente il comportamento dell'arma durante l'uso e fai attenzione a eventuali vibrazioni eccessive.

Istruzioni per lo Smaltimento

- Non smaltire i Grip Inserts Ransom con i rifiuti domestici.
- Segui le normative locali per lo smaltimento dei materiali plastici e degli accessori per armi.
- Contatta un centro di smaltimento autorizzato per garantire che i materiali vengano gestiti in modo sicuro e responsabile.

Informazioni di Contatto per Ulteriori Supporto

Per qualsiasi domanda o preoccupazione riguardante la sicurezza dei Grip Inserts Ransom, contatta il produttore

o il rivenditore autorizzato. Assicuratevi di avere a disposizione il numero di modello e la prova di acquisto per ricevere assistenza tempestiva.

Conclusione

Seguire queste istruzioni di sicurezza è fondamentale per garantire un uso sicuro e responsabile dei Grip Inserts Ransom per KELTEC CP33. La tua sicurezza è la nostra priorità. Se hai domande o necessiti di ulteriori informazioni, non esitare a contattare il supporto.
