

GRIP INSERTS - RANSOM GRIP INSERTS FOR MASTERPIECE ARMS DS9 HYBRID 2011

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR MASTERPIECE ARMS DS9 HYBRID 2011
- Manufacturer: RANSOM
- Product no.: 430119561
- Mfr. No.: 30-300-50-01
- Delivery weight: 0.907kg
- UPC: 810132581649

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR MASTERPIECE ARMS DS9 HYBRID 2011

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS. Diese Inserts sind speziell für die Verwendung mit der Masterpiece Arms DS9 Hybrid 2011 entwickelt worden. Es ist wichtig, diese Sicherheitshinweise zu lesen und zu befolgen, um die Sicherheit während der Nutzung zu gewährleisten und mögliche Schäden an deiner Waffe zu vermeiden.

Allgemeine Sicherheitshinweise

- Stelle sicher, dass du die Inserts nur mit der vorgesehenen Waffe verwendest.
- Überprüfe die Inserts regelmäßig auf Anzeichen von Abnutzung oder Beschädigung.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern und unbefugten Personen.
- Verwende keine harten oder 3Dgedruckten Inserts, da diese die Waffe beschädigen können.
- Informiere dich über die Rückrufupdates auf der EU Safety Gate Plattform.

Spezifische Sicherheitshinweise zur Verwendung

- Die Inserts sind so konzipiert, dass sie die Duometrie der menschlichen Hand nachahmen. Achte darauf, dass sie korrekt installiert sind, um ihre Funktionalität zu gewährleisten.
- Vermeide das Schießen mit der Waffe, wenn die Inserts beschädigt oder abgenutzt sind.
- Halte dich an die Anweisungen zur Installation und Nutzung, um Verletzungen oder Schäden zu vermeiden.
- Sei dir bewusst, dass ein harter Insert die Lebensdauer des Laufs und der Waffe verringern kann.
- Beachte, dass bei unsachgemäßer Verwendung Verletzungen oder Schlimmeres auftreten können.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts

- Stelle sicher, dass die Waffe entladen ist, bevor du die Inserts installierst.
- Befolge die beiliegenden Installationsanweisungen sorgfältig.
- Überprüfe, ob die Inserts fest und sicher sitzen, bevor du die Waffe verwendest.

2. Nutzung der Inserts

- Nutze die Inserts nur in der vorgesehenen Weise.
- Achte darauf, dass du die Waffe in einem sicheren Umfeld verwendest.
- Vermeide es, die Waffe zu überlasten oder übermäßigen Rückstoß zu erzeugen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen.

Kontaktinformation für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den GRIP INSERTS RANSOM GRIP INSERTS, konsultiere bitte die

offiziellen Ressourcen oder den Hersteller.

Bitte beachte, dass die Sicherheit deiner Waffe und deiner Umgebung von der korrekten Verwendung und Pflege der Inserts abhängt. Halte dich an diese Anweisungen, um sicherzustellen, dass du die bestmögliche Leistung und Sicherheit aus deinem Produkt herausholst.

GRIP INSERTS RANSOM GRIP INSERTS FOR MASTERPIECE ARMS DS9 HYBRID 2011 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Masterpiece Arms DS9 Hybrid 2011. This guide provides essential safety instructions to ensure the safe use of our product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions provided in this guide.
- Be aware of potential risks associated with improper use, including damage to your firearm and personal injury.
- If you experience any issues or have concerns regarding the product, seek assistance immediately.
- Regularly check for updates on product safety and recall notices through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts with the Ransom Rest. These materials can damage your firearm due to destructive recoil energy.
- Avoid using any inserts that do not replicate humanlike recoil, as they can lead to invalid test results and may cause harm.
- Be cautious of the potential for increased wear on your firearm. Hard inserts can decrease the lifespan of the barrel and overall gun.
- Always ensure that the grip inserts you are using are specifically designed to match the durometer of the human hand for optimal performance.
- Use the grip inserts only as intended. Misuse may lead to unsafe conditions and possible injury.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe condition before installing the grip inserts.
- Gather all necessary tools and materials for installation.

2. Installation:

- Carefully follow the manufacturer's instructions for installing the grip inserts.
- Align the inserts properly with the grip frame of your firearm. Ensure a snug fit to prevent any movement during use.

3. Usage:

- When using the Ransom Rest, ensure that the machine is in a stable position.
- Observe the recoil dynamics during testing. The inserts are designed to absorb vibration and recoil, mimicking the natural response of the human hand.
- Monitor the performance of the grip inserts during use. If you notice any unusual behavior or wear, discontinue use and inspect the inserts.

4. PostUsage Care:

- After use, inspect the grip inserts for any signs of damage or wear.
- Clean the inserts according to the manufacturer's recommendations to maintain their performance.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not throw away inserts in regular household waste if they contain hazardous materials. Check local guidelines for proper disposal methods.

Contact Information for Further Support

- For any inquiries regarding the safety or performance of the Ransom Grip Inserts, please reach out to the manufacturer directly through their official contact points.

Thank you for your attention to these safety instructions. Your cooperation helps ensure a safe and effective experience with your Ransom Grip Inserts.

Istruzioni di Sicurezza per gli Inserti Grip RANSOM per Masterpiece Arms DS9 Hybrid 2011

Introduzione

Grazie per aver scelto gli inserti grip RANSOM per la tua arma Masterpiece Arms DS9 Hybrid 2011. Questo manuale fornisce informazioni importanti per garantire un uso sicuro e corretto del prodotto. Ti invitiamo a leggere attentamente queste istruzioni per evitare potenziali rischi e garantire la tua sicurezza.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti grip RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare inserti grip rigidi o stampati in 3D, poiché possono danneggiare l'arma e causare infortuni.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso degli inserti grip.
- Tieni gli inserti grip e le armi fuori dalla portata dei bambini e di persone non autorizzate.
- Se noti un malfunzionamento o un danno, interrompi immediatamente l'uso e contatta un professionista.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti grip RANSOM sono progettati per assorbire le forze di rinculo e vibrazione. Assicurati che siano installati correttamente per garantire il massimo assorbimento.
- Non tentare di modificare o riparare gli inserti grip. Qualsiasi modifica può compromettere la loro efficacia e sicurezza.
- Evita di utilizzare l'arma in condizioni meteorologiche avverse, come pioggia o neve, che potrebbero influenzare le prestazioni degli inserti grip.
- Durante l'uso, mantieni sempre una postura sicura e controllata. Non puntare mai l'arma verso te stesso o verso altri.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti Grip:

- Assicurati che l'arma sia scarica e non in uso.
- Rimuovi gli inserti esistenti, se presenti, seguendo le istruzioni del produttore.
- Posiziona gli inserti grip RANSOM nel Ransom Rest, assicurandoti che siano allineati correttamente.
- Fissa gli inserti secondo le istruzioni specifiche fornite con il prodotto.

2. Uso degli Inserti Grip:

- Dopo l'installazione, verifica che gli inserti siano saldamente in posizione.
- Effettua un test di funzionamento a bassa potenza per assicurarti che gli inserti assorbano correttamente il rinculo.
- Monitora continuamente le prestazioni degli inserti grip durante l'uso. Se noti vibrazioni eccessive o danni, interrompi l'uso immediatamente.

Istruzioni per lo Smaltimento

- Gli inserti grip RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti grip nella spazzatura comune. Contatta le autorità locali per le istruzioni di smaltimento corrette.
- Assicurati di smaltire gli inserti in modo da ridurre l'impatto ambientale.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni relative alla sicurezza del prodotto, contatta il produttore o il rivenditore autorizzato. Assicurati di avere a disposizione il numero di modello e le informazioni di acquisto.

Conclusione

La sicurezza è fondamentale quando si utilizzano armi e accessori. Segui sempre queste istruzioni di sicurezza per garantire un'esperienza di utilizzo sicura e soddisfacente. Se hai domande o dubbi, non esitare a cercare assistenza. Grazie per aver scelto RANSOM!
