

GRIP INSERTS - RANSOM GRIP INSERTS FOR VOLQUARTSEN SCORPION 1911/WILDEY SURVIVOR

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR VOLQUARTSEN SCORPION 1911/WILDEY SURVIVOR
- Manufacturer: RANSOM
- Product no.: 430119563
- Mfr. No.: 30-300-51-01
- Delivery weight: 0.907kg
- UPC: 810132583216

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS von RANSOM

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS von RANSOM, speziell entwickelt für den Volquartsen Scorpion 1911/Wildey Survivor. Diese Anleitung soll dir helfen, die Sicherheit und Leistung deiner Schussgeräte zu optimieren und mögliche Risiken zu minimieren.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass du die GRIP INSERTS nur gemäß den Anweisungen verwendest.
- Halte die Inserts und alle anderen Teile deines Schussgeräts außerhalb der Reichweite von Kindern.
- Überprüfe regelmäßig den Zustand der Inserts auf Abnutzung oder Beschädigungen.
- Verwende die Inserts nicht in Verbindung mit harten oder 3Dgedruckten Kunststoffgriffeinsätzen, da diese deinem Gewehr schaden können.
- Melde unsichere Produkte oder Unfälle an die zuständigen Behörden.

Besondere Sicherheitsvorkehrungen bei der Verwendung

- Vermeide die Verwendung von harten Griffeinsätzen, da sie destruktive Rückstoßenergie erzeugen, die dem Gewehr schaden kann.
- Stelle sicher, dass die Inserts ordnungsgemäß installiert sind, um die besten Ergebnisse zu erzielen.
- Achte darauf, dass du die Inserts nur mit kompatiblen Schussgeräten verwendest.
- Beachte, dass die Inserts speziell dafür entwickelt wurden, die Vibrationen und den Rückstoß zu absorbieren, um eine realistische Handhabung zu gewährleisten.
- Sei dir bewusst, dass Schäden durch unsachgemäße Verwendung möglicherweise nicht sofort sichtbar sind, sich aber mit jedem Schuss ansammeln können.

Anweisungen zur Installation und Verwendung

1. Vorbereitung:

- Stelle sicher, dass dein Schussgerät sicher und in einem stabilen Zustand ist.
- Überprüfe die Inserts auf Beschädigungen oder Abnutzung.

2. Installation:

- Entferne alle alten Griffeinsätze, falls vorhanden.
- Setze die GRIP INSERTS vorsichtig in die vorgesehenen Bereiche deines Schussgeräts ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Lücken aufweisen.

3. Verwendung:

- Halte das Schussgerät wie gewohnt.
- Vertraue auf die Fähigkeit der Inserts, Vibrationen und Rückstoß zu absorbieren.
- Achte darauf, dass du die Schussleistung regelmäßig überprüfst und die Inserts bei Bedarf austauschst.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für Elektroschrott.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung bezüglich der GRIP INSERTS von RANSOM wende dich bitte an den Hersteller oder den autorisierten Händler.

Bitte beachte, dass die Sicherheit bei der Verwendung von Schussgeräten von größter Bedeutung ist. Halte dich stets an die oben genannten Richtlinien und Anweisungen, um sicherzustellen, dass du und andere in deiner Umgebung sicher sind.

GRIP INSERTS RANSOM GRIP INSERTS FOR VOLQUARTSEN SCORPION 1911/WILDEY SURVIVOR Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Volquartsen Scorpion 1911/Wildey Survivor. This guide provides essential safety instructions to ensure the safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the grip inserts.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts by following all instructions. This product is designed for nonfood use and adheres to safety standards.
- **Enhanced Recalls:** Be aware of the standardized recall notices. If a recall occurs, remedies will be provided free of charge.
- **Online Shopping:** When purchasing online, ensure the seller meets safety requirements equivalent to those of physical stores.
- **Special Consumer Focus:** Extra precautions are advised for vulnerable groups, including children. Keep the product out of reach of children.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point for guidance.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm by generating destructive recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be stopped; they must be controlled. Using improper inserts can lead to increased wear on your firearm.
- **Monitor Condition:** Regularly inspect the grip inserts for wear and tear. Replace them if they show signs of damage.
- **Follow Manufacturer Guidelines:** Adhere strictly to the manufacturer's instructions to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Remove any existing grip inserts from the firearm.
- Align the Ransom grip inserts with the grip frame of the firearm.
- Securely fasten the grip inserts according to the manufacturer's instructions.

2. Usage:

- Always use the grip inserts in conjunction with the Master Series Ransom Rest to ensure accurate testing.
- Do not attempt to modify the grip inserts or use them in a manner not intended by the manufacturer.
- Monitor the performance of the grip inserts during use. If you notice any irregularities, stop using them immediately and consult the manufacturer.

Disposal Instructions

- Dispose of any damaged or worn grip inserts responsibly. Check local regulations for proper disposal methods.
- Do not dispose of grip inserts in regular household waste if they are made from materials that require special handling.

Contact Information for Further Support

For any questions or concerns regarding the Ransom grip inserts, please refer to the designated EU contact point for assistance. Keep this guide for future reference to ensure the safe use of your product.

By following these guidelines, you can ensure the safe and effective use of the Ransom International Grip Inserts, protecting both yourself and your firearm. Thank you for your attention to safety.

Guida alle Istruzioni di Sicurezza per i Grip Inserts Ransom

Introduzione

Benvenuti nella guida alle istruzioni di sicurezza per i Grip Inserts Ransom, progettati per il Volquartsen Scorpion 1911 e il Wildey Survivor. Questa guida fornisce informazioni essenziali per garantire un uso sicuro e corretto del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti (GPSR) dell'UE.

Linee Guida Generali di Sicurezza

- Assicuratevi di utilizzare i Grip Inserts Ransom solo con le armi specificate.
- Non utilizzare grip inserts rigidi o inserti in plastica stampati in 3D.
- Segui sempre le istruzioni del produttore per l'installazione e l'uso.
- Non ignorare segni di usura o danni sugli inserti o sull'arma.
- In caso di dubbi sull'uso del prodotto, contatta un esperto.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti sono progettati per assorbire le forze di rinculo e vibrazione. Utilizzare inserti non progettati può danneggiare l'arma.
- Non utilizzare grip inserts rigidi, poiché possono causare danni all'arma e potenziali infortuni.
- Assicuratevi che l'inserto sia correttamente posizionato prima di utilizzare l'arma.
- Fai attenzione durante l'installazione e la rimozione degli inserti per evitare lesioni.
- Non utilizzare il prodotto in condizioni estreme o con munizioni non raccomandate.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovere eventuali inserti esistenti dall'arma.
- Pulire l'area di contatto per garantire un'adeguata aderenza.
- Inserire i Grip Inserts Ransom seguendo le istruzioni specifiche del produttore.
- Verificare che gli inserti siano ben fissati e non si muovano.

2. Uso degli Inserti:

- Posizionare l'arma sul Master Series Ransom Rest.
- Assicuratevi che l'arma sia in posizione di batteria corretta prima di iniziare il tiro.
- Monitorare costantemente le prestazioni degli inserti durante l'uso.
- Se si notano vibrazioni eccessive o altri problemi, interrompere immediatamente l'uso e controllare gli inserti.

Istruzioni per lo Smaltimento

- Gli inserti Ransom devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nella spazzatura domestica; verifica se ci sono programmi di riciclaggio disponibili.
- Segui le linee guida locali per lo smaltimento di prodotti in plastica o materiali compositi.

Informazioni di Contatto per Ulteriore Supporto

- Per domande relative alla sicurezza o all'uso del prodotto, contattare il produttore o un esperto di armi.

Conclusione

La sicurezza è fondamentale quando si utilizzano Grip Inserts Ransom. Seguire queste istruzioni aiuterà a garantire un uso sicuro e efficiente del prodotto, riducendo al minimo i rischi di danni e infortuni. Ricorda di rimanere sempre informato sulle migliori pratiche di sicurezza e di segnalare eventuali prodotti non sicuri alle autorità competenti.
