

GRIP INSERTS - RANSOM GRIP INSERTS FOR KEL-TEC PF9

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR KEL-TEC PF9
- Manufacturer: RANSOM
- Product no.: 430119564
- Mfr. No.: 30-300-49-02
- Delivery weight: 0.907kg
- UPC: 810132581526

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR KELTEC PF9

Einleitung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für deine KELTEC PF9. Diese Inserts sind speziell entwickelt, um die Leistung deiner Master Series Ransom Rest zu maximieren und dir eine optimale Griffunterstützung zu bieten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um eine sichere Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur in Verbindung mit der KELTEC PF9 verwendest.
- Überprüfe vor jeder Benutzung den Zustand der Inserts und der Waffe.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern.
- Berücksichtige, dass unsachgemäße Verwendung zu Verletzungen oder Schäden führen kann.
- Informiere dich über Rückrufe und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Inserts oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts gut in die Waffe passen und keine Lücken aufweisen.
- Vermeide es, die Inserts zu beschädigen oder zu verändern.
- Teste die Inserts unter kontrollierten Bedingungen, um sicherzustellen, dass sie die gewünschten Ergebnisse liefern.
- Halte dich an die Anweisungen des Herstellers zur Verwendung und Pflege der Inserts.

Anweisungen für Installation und Verwendung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe entladen ist.
- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen RANSOM GRIP INSERTS gemäß den Anweisungen des Herstellers ein.
- Überprüfe, ob die Inserts sicher sitzen und keine Bewegungen zulassen.

2. Verwendung der Inserts:

- Nutze die Inserts während des Schießens, um den Rückstoß zu absorbieren und die Vibrationen zu minimieren.
- Achte darauf, dass du die Waffe sicher und stabil hältst, während du die Inserts verwendest.
- Nach dem Schießen, überprüfe die Inserts auf Abnutzung oder Beschädigungen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Halte dich an die Richtlinien für die Entsorgung von Waffenaccessoires in deinem Land.
- Überlege, ob du die Inserts an einen Fachmann zurückgeben kannst, falls sie nicht mehr verwendet werden können.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Unterstützung zu den RANSOM GRIP INSERTS wende dich bitte an den Hersteller oder einen autorisierten Händler. Stelle sicher, dass du alle Informationen über die Inserts bereithältst, um eine schnelle Bearbeitung zu gewährleisten.

Bitte beachte, dass die Sicherheit und der ordnungsgemäße Gebrauch der RANSOM GRIP INSERTS entscheidend sind, um die Leistung deiner KELTEC PF9 zu maximieren und Risiken zu minimieren. Vielen Dank, dass du diese Hinweise befolgst.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR KELTEC PF9

Introduction

Thank you for choosing the Ransom International Grip Inserts for your KelTec PF9. This guide provides essential safety instructions to ensure the safe and effective use of this product. It is important to follow these guidelines to avoid potential hazards and to enhance the performance of your shooting rest.

General Safety Guidelines

- Ensure that the grip inserts are compatible with your firearm model.
- Always handle firearms with care and follow standard safety protocols.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the grip inserts for signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can generate destructive recoil energy that damages the firearm.
- **Recoil Management:** Understand that vibration and recoil cannot be completely stopped; they must be controlled. The grip inserts are designed to absorb these forces.
- **Test Conditions:** Always conduct tests in a controlled environment, mimicking humanlike recoil to ensure valid results.
- **Potential Injuries:** Be aware that using hard inserts may lead to decreased firearm lifespan and potential injury or death if failure occurs.
- **Follow Manufacturer Guidelines:** Adhere strictly to the instructions provided by Ransom International to ensure safe usage.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and in a safe condition.
- Remove any existing grip inserts from the firearm.
- Carefully insert the Ransom grip inserts into the designated areas of the firearm.
- Ensure that the inserts fit snugly and securely.

2. Usage:

- Position the firearm in a stable shooting rest.
- Ensure that the grip inserts are absorbing recoil as intended.
- Monitor the performance of the grip inserts during use.
- After each session, inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged grip inserts in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the official Ransom website or contact their customer support team.

By following these safety instructions, you can ensure a safe and effective experience with your Ransom International Grip Inserts for the KelTec PF9. Thank you for your attention to safety.

Istruzioni per la Sicurezza degli Inserti RANSOM per Impugnatura KELTEC PF9

Introduzione

Grazie per aver scelto gli Inserti RANSOM per il tuo KELTEC PF9. Questo manuale fornisce importanti informazioni sulla sicurezza, l'installazione e l'uso degli inserti. È fondamentale seguire queste istruzioni per garantire un utilizzo sicuro e ottimale del prodotto.

Linee Guida Generali di Sicurezza

- Gli inserti RANSOM sono progettati per migliorare la sicurezza e le prestazioni durante l'uso del tuo Master Series Ransom Rest.
- Evitare l'uso di inserti rigidi o stampati in 3D, poiché possono causare danni all'arma e compromettere la sicurezza.
- Controllare regolarmente gli inserti per segni di usura o danni.
- Seguire sempre le istruzioni del produttore per l'uso e la manutenzione.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare inserti rigidi o in plastica stampati in 3D.
- Assicurati che gli inserti siano installati correttamente prima di utilizzare l'arma.
- Non tentare di modificare o riparare gli inserti.
- Non utilizzare gli inserti se presentano segni di danno o usura.
- Utilizzare sempre occhiali protettivi e protezioni per le orecchie durante il tiro.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovere l'arma dal supporto e assicurarsi che sia scarica.
- Seguire le istruzioni specifiche fornite con gli inserti per una corretta installazione.
- Assicurarsi che gli inserti siano fissati saldamente e senza giochi.

2. Utilizzo degli Inserti:

- Posizionare l'arma nel Ransom Rest con gli inserti installati.
- Controllare che non ci siano ostacoli o materiali estranei nelle vicinanze.
- Eseguire un test di tiro a bassa potenza per verificare l'installazione prima di passare a munizioni più potenti.

Istruzioni per il Recupero e Smaltimento

- Gli inserti RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Seguire le normative locali per lo smaltimento di prodotti di armamento e accessori.
- Contattare le autorità locali o i centri di smaltimento autorizzati per ulteriori informazioni.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o preoccupazione riguardante la sicurezza o l'uso degli inserti RANSOM, contattare il servizio clienti del produttore. Assicurati di avere a disposizione il numero di modello e la prova di acquisto.

Conclusione

La sicurezza è la priorità principale quando si utilizza il tuo KELTEC PF9 con gli inserti RANSOM. Segui queste istruzioni e linee guida per garantire un utilizzo sicuro e responsabile del prodotto. In caso di dubbi o domande, non esitare a contattare il produttore per ricevere assistenza.
