

GRIP INSERTS - RANSOM GRIP INSERTS FOR COONAN 357

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR COONAN 357
- Manufacturer: RANSOM
- Product no.: 430119566
- Mfr. No.: 30-300-52-01
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132583513

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS

RANSOM GRIP INSERTS FÜR COONAN 357

Einführung

Herzlichen Glückwunsch zu deinem Kauf der RANSOM GRIP INSERTS für die Coonan 357! Diese Inserts sind speziell entwickelt, um die Leistung deines Gewehrs zu optimieren und gleichzeitig die Sicherheit zu gewährleisten. Bitte lies die folgenden Sicherheitshinweise sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Achte darauf, dass die Inserts nur mit der Coonan 357 verwendet werden.
- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Halte dich an die Anweisungen zur Installation und Verwendung, um Verletzungen und Schäden zu vermeiden.
- Berücksichtige, dass unsachgemäße Verwendung zu langfristigen Schäden am Gewehr führen kann.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen auf der EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Die Inserts sind so konzipiert, dass sie die DurometerHärte der menschlichen Hand nachahmen.
- Sie absorbieren Rückstoß und Vibrationen, um die Sicherheit und Leistung zu verbessern.
- Achte darauf, dass die Inserts richtig installiert sind, um eine optimale Funktion zu gewährleisten.
- Prüfe die Inserts regelmäßig auf Abnutzung oder Beschädigungen.
- Verwende die Inserts nur in einem sicheren Umfeld und unter Berücksichtigung der geltenden Sicherheitsvorschriften.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass dein Gewehr entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden.
- Setze die RANSOM GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Überprüfe, ob die Inserts fest sitzen und sicher angebracht sind.

2. Nutzung der Inserts:

- Stelle sicher, dass du dich in einem sicheren Bereich befindest, wenn du das Gewehr verwendest.
- Nutze die Inserts, um den Rückstoß und die Vibrationen beim Schießen zu absorbieren.
- Achte darauf, dass du die menschliche Reaktion beim Schießen nachahmst, um die Testergebnisse nicht zu verfälschen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und anderen Materialien.
- Achte darauf, dass die Inserts nicht in die Umwelt gelangen.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Anliegen zu den RANSOM GRIP INSERTS kannst du dich an den Hersteller oder einen autorisierten Händler wenden. Achte darauf, dass alle Sicherheitsanfragen über einen EUbasierten Kontakt erfolgen.

Bitte beachte, dass die Verwendung der RANSOM GRIP INSERTS unter Berücksichtigung dieser Sicherheitshinweise erfolgt, um optimale Ergebnisse und Sicherheit zu gewährleisten. Sei vorsichtig und genieße das Schießen mit deinem Gewehr!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR COONAN 357

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Coonan 357. These inserts are designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or removing the grip inserts.
- Use only Ransom International Grip Inserts with your Master Series Ransom Rest.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts as they can cause damage to your firearm.
- Follow all local laws and regulations regarding firearms and shooting practices.
- Keep the grip inserts out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that damages the gun. They are poorly engineered and do not replicate humanlike recoil.
- **Understand Recoil Dynamics:** Remember that every action has an equal and opposite reaction. The forces of vibration and recoil must be managed properly.
- **Regular Inspections:** Frequently check the condition of the grip inserts for wear and tear. Replace them if they show signs of damage.
- **Proper Handling:** Always handle your firearm with care and respect, following standard safety protocols.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove any existing grip inserts from the Ransom Rest.
- Align the Ransom International Grip Inserts with the designated slots on the rest.
- Firmly press the inserts into place until they are secure.

2. Usage:

- Position your firearm in the Ransom Rest with the grip inserts properly aligned.
- Ensure that the machine is stable before firing.
- The inserts are designed to absorb initial vibrations and recoil. Monitor their performance during use.
- After each shooting session, inspect the grip inserts for any signs of damage or wear.

3. Maintenance:

- Clean the grip inserts with a soft, damp cloth. Avoid using harsh chemicals that may degrade the material.
- Store the grip inserts in a cool, dry place when not in use to prolong their lifespan.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste. Check for recycling options or designated disposal sites for plastic materials.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's website or contact their customer service.

By following these guidelines, you can ensure a safe and effective experience with your Ransom International Grip Inserts for Coonan 357. Thank you for your attention to safety and responsible firearm use.

Guida alle Istruzioni di Sicurezza per gli Inserti Grip Ransom per Coonan 357

Introduzione

Grazie per aver scelto gli inserti grip RANSOM per la tua arma. Questa guida fornisce informazioni importanti per garantire un uso sicuro e corretto del prodotto. È fondamentale seguire queste istruzioni per proteggere te stesso e la tua arma da eventuali danni.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli inserti grip RANSOM progettati per il tuo Master Series Ransom Rest.
- Non utilizzare inserti grip rigidi o in plastica stampati in 3D, poiché possono danneggiare la tua arma.
- Segui sempre le istruzioni di installazione e utilizzo fornite.
- Controlla regolarmente il tuo Ransom Rest e gli inserti grip per segni di usura o danni.
- In caso di dubbi o problemi, contatta un esperto o un professionista del settore.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti grip RANSOM sono progettati per assorbire le forze di rinculo e vibrazione, quindi non trasferirle nell'arma.
- Non forzare l'arma in posizioni o condizioni non previste.
- Evita di utilizzare l'arma in condizioni meteorologiche avverse che potrebbero compromettere la sicurezza.
- Non utilizzare mai l'arma in presenza di persone non autorizzate o in luoghi non sicuri.
- Assicurati che l'arma sia sempre in condizioni ottimali prima di ogni utilizzo.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti Grip:

- Rimuovi gli inserti esistenti dal tuo Master Series Ransom Rest.
- Pulisci accuratamente l'area di installazione per rimuovere eventuali residui.
- Inserisci gli inserti grip RANSOM seguendo le istruzioni specifiche per il modello.
- Assicurati che gli inserti siano saldamente posizionati e privi di movimenti.

2. Utilizzo degli Inserti Grip:

- Posiziona l'arma sul Ransom Rest con gli inserti grip installati.
- Assicurati che l'arma sia stabilizzata e che non ci siano movimenti non intenzionali.
- Inizia il tiro seguendo le linee guida di sicurezza per l'uso delle armi da fuoco.
- Monitora continuamente le prestazioni e il comportamento dell'arma durante l'uso.

Istruzioni per lo Smaltimento

- Gli inserti grip RANSOM non sono progettati per essere smaltiti in modo tradizionale.
- Se gli inserti sono danneggiati o usurati, contatta il produttore per le istruzioni sullo smaltimento.
- Non gettare gli inserti grip nel normale rifiuto domestico; segui le normative locali per il corretto smaltimento dei materiali.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o chiarimento riguardante l'uso degli inserti grip RANSOM, ti invitiamo a contattare un professionista del settore o il produttore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti relative al tuo prodotto.

Conclusione

Utilizzare gli inserti grip RANSOM per il tuo Coonan 357 è un modo efficace per migliorare la tua esperienza di tiro. Seguendo queste linee guida di sicurezza, potrai garantire un uso sicuro e prolungato del tuo prodotto. Ricorda sempre di prestare attenzione alle condizioni di utilizzo e di contattare esperti in caso di necessità.
