

GRIP INSERTS - RANSOM GRIP INSERTS FOR CZ A01-LD

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR CZ A01-LD
- Manufacturer: RANSOM
- Product no.: 430119569
- Mfr. No.: 30-300-56-01
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580833

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR CZ A01LD

Einführung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS FÜR CZ A01LD. Diese Anleitung soll dir helfen, die Inserts sicher und effektiv zu verwenden. Bitte befolge die nachstehenden Anweisungen und Richtlinien, um potenzielle Risiken zu vermeiden und die optimale Leistung deiner Ausrüstung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur für den vorgesehenen Zweck verwendest.
- Überprüfe regelmäßig den Zustand der Inserts auf Schäden oder Abnutzung.
- Behalte die Inserts außerhalb der Reichweite von Kindern und Haustieren.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen auf der EU Safety Gate Plattform.
- Melde unsichere Produkte oder Vorfälle an die zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts richtig installiert sind, um eine optimale Leistung zu gewährleisten.
- Verwende die Inserts nur in Verbindung mit dem Master Series Ransom Rest.
- Halte dich an die empfohlenen Schussfrequenzen, um übermäßigen Verschleiß zu vermeiden.
- Achte auf Anzeichen von Beschädigung oder Fehlfunktion, und stoppe die Nutzung, wenn du solche Anzeichen bemerkst.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Entferne die alten Inserts vorsichtig aus dem Master Series Ransom Rest.
- Setze die RANSOM Grip Inserts an der vorgesehenen Stelle ein, bis sie fest sitzen.
- Überprüfe, ob die Inserts korrekt installiert sind, bevor du das Gewehr benutzt.

2. Nutzung der Inserts:

- Stelle sicher, dass das Gewehr stabil auf dem Ransom Rest positioniert ist.
- Schieße mit der empfohlenen Technik, um die besten Ergebnisse zu erzielen.
- Achte darauf, die ersten Millisekunden des Schusses zu beobachten, da die Inserts Vibrationen und Rückstoß absorbieren.

Entsorgungsanweisungen

- Entsorge beschädigte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.
- Informiere dich über umweltfreundliche Entsorgungsmethoden in deiner Region.

Kontaktinformationen für weitere Unterstützung

Bei Fragen oder Anliegen zu den RANSOM Grip Inserts wende dich bitte an den Hersteller oder einen

autorisierten Händler. Sie können dir die benötigte Unterstützung bieten.

Fazit

Die Verwendung der GRIP INSERTS RANSOM GRIP INSERTS FÜR CZ A01LD kann die Leistung deines Gewehrs erheblich verbessern, solange du die oben genannten Sicherheitsrichtlinien und Anweisungen befolgst. Denke daran, dass die Sicherheit immer an erster Stelle stehen sollte. Sei vorsichtig und genieße das Schießen!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR CZ A01LD

Introduction

Thank you for choosing the Ransom International Grip Inserts for your CZ A01LD firearm. These grip inserts are designed to enhance your shooting experience while ensuring safety and comfort. This guide provides essential safety instructions and guidelines to help you use the product effectively and responsibly.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that you are familiar with the operation of your firearm before using it with grip inserts.
- Use grip inserts that are specifically designed for your firearm model.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your gun and create unsafe conditions.
- Regularly check for product recalls or safety notices related to your grip inserts.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts. They can generate destructive recoil energy that travels through the frame and barrel, potentially damaging your firearm.
- **HumanLike Recoil:** The grip inserts are designed to mimic the durometer of the human hand, absorbing initial vibrations and recoil. This design is crucial for accurate testing and safe handling.
- **Monitor for Damage:** Be aware that damage from using hard inserts may not be immediately visible but can accrue over time, decreasing the lifespan of your firearm.
- **Follow Testing Protocols:** When conducting destructive or accuracy testing, ensure that you replicate humanlike conditions to avoid flawed results.
- **Seek Professional Advice:** If you are unsure about the compatibility of grip inserts with your firearm, consult a professional or refer to the manufacturer's guidelines.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and in a safe condition before installing the grip inserts.
- Gather all necessary tools and materials for installation.

2. Installation:

- Remove any existing grip inserts or components that may interfere with the installation of the Ransom grip inserts.
- Carefully position the Ransom grip inserts onto the firearm's grip area, ensuring a snug fit.
- Follow the manufacturer's instructions for securing the grip inserts to prevent movement during use.

3. Usage:

- After installation, test the grip inserts with your firearm in a controlled environment.
- Observe how the inserts absorb recoil and vibrations during firing.
- Regularly inspect the grip inserts for wear and tear, replacing them as necessary to maintain safety and performance.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste. Check for recycling or hazardous waste disposal options in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the safety or usage of your Ransom grip inserts, please refer to the manufacturer's contact information provided with your product packaging or visit their official website for support.

By following these safety instructions and guidelines, you can ensure a safer and more enjoyable experience with your Ransom International Grip Inserts. Always prioritize safety and responsible handling of your firearm.

Guida alle Istruzioni di Sicurezza per i Grip Inserts RANSOM per CZ A01LD

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per CZ A01LD. Questo prodotto è progettato per migliorare la tua esperienza di tiro e proteggere la tua arma. È fondamentale seguire le istruzioni di sicurezza per garantire un uso corretto e sicuro.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i Grip Inserts RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la tua sicurezza.
- Verifica regolarmente che i grip inserts siano in buone condizioni e sostituiscili se mostrano segni di usura.
- Tieni i grip inserts e l'arma lontano dalla portata di bambini o persone non autorizzate.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts che non siano stati testati e approvati per il tuo modello di arma.
- Assicurati che l'arma sia scarica prima di installare o rimuovere i grip inserts.
- Segui attentamente le istruzioni di installazione per evitare danni all'arma.
- Non tentare di modificare o riparare i grip inserts; in caso di problemi, contatta un professionista.
- Durante l'uso, presta attenzione al comportamento dell'arma; se noti vibrazioni o rinculi anomali, interrompi immediatamente l'uso.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che l'arma sia scarica e in una posizione sicura.
- Rimuovi eventuali grip inserts esistenti.

2. Installazione:

- Posiziona i Grip Inserts RANSOM sul telaio dell'arma in modo che si adattino perfettamente.
- Fissa gli inserti secondo le istruzioni fornite, assicurandoti che siano saldamente in posizione.

3. Uso:

- Una volta installati, effettua un test di funzionamento per assicurarti che gli inserti stiano assorbendo correttamente il rinculo.
- Monitora le prestazioni durante l'uso e fai attenzione a qualsiasi segnale di malfunzionamento.

Istruzioni per lo Smaltimento

- I Grip Inserts RANSOM non devono essere smaltiti insieme ai rifiuti domestici.
- Contatta il tuo comune per informazioni sulle procedure di smaltimento appropriate per materiali plastici e tecnologie.
- Assicurati di smaltire i grip inserts in modo responsabile per proteggere l'ambiente.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori domande o preoccupazioni relative all'uso dei Grip Inserts RANSOM, ti invitiamo a contattare il produttore o il rivenditore presso cui hai effettuato l'acquisto. Assicurati di avere a disposizione il numero di modello e la prova di acquisto per facilitare il supporto.

Seguendo queste istruzioni di sicurezza, puoi garantire un uso corretto e sicuro dei Grip Inserts RANSOM per CZ A01LD. La tua sicurezza e quella degli altri sono la nostra priorità.
