

GRIP INSERTS - RANSOM GRIP INSERTS FOR CARACAL UAE ENHANCED F

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR CARACAL UAE ENHANCED F
- Manufacturer: RANSOM
- Product no.: 430119573
- Mfr. No.: 30-300-57-02
- Delivery weight: 0.907kg
- Shipping height: 152mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 810132580499

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS RANSOM GRIP INSERTS FÜR CARACAL UAE ENHANCED F

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS für dein Schießtraining. Diese Anleitung hilft dir, die Inserts sicher und effektiv zu verwenden, um die Leistung deines Master Series Ransom Rest zu optimieren und potenzielle Gefahren zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur für den vorgesehenen Zweck verwendest.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen gefährdeten Gruppen.
- Überprüfe regelmäßig die Inserts auf Beschädigungen oder Abnutzung, um sicherzustellen, dass sie in einwandfreiem Zustand sind.
- Informiere dich über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckte KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass die Inserts korrekt installiert sind, um eine optimale Leistung und Sicherheit zu gewährleisten.
- Vermeide es, die menschliche Bewegung nicht nachzuahmen, um fehlerhafte Testergebnisse zu vermeiden.
- Sei dir bewusst, dass Schäden durch harte Inserts möglicherweise nicht sofort sichtbar sind, sich aber mit jedem Schuss ansammeln können.

Anweisungen zur Installation und Verwendung

1. Installation der GRIP INSERTS:

- Entferne die alten Inserts aus dem Ransom Rest.
- Setze die GRIP INSERTS sorgfältig ein, bis sie fest sitzen.
- Überprüfe, ob die Inserts korrekt installiert sind, bevor du mit dem Schießen beginnst.

2. Verwendung der GRIP INSERTS:

- Stelle sicher, dass dein Gewehr sicher und stabil auf dem Ransom Rest montiert ist.
- Führe Schüsse mit Bedacht durch und achte darauf, dass die Inserts ihre Funktion erfüllen.
- Achte auf Rückstoß und Vibrationen, um sicherzustellen, dass die Inserts ihre Aufgabe effektiv erfüllen.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Stelle sicher, dass alle Teile sicher verpackt sind, um Verletzungen zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder weitere Informationen zu den GRIP INSERTS wende dich bitte an den Hersteller oder deinen Händler. Achte darauf, dass du alle relevanten Informationen über das Produkt bereithältst, um eine schnelle und effektive Unterstützung zu erhalten.

Diese Sicherheitshinweise sind wichtig, um ein sicheres Schießtraining zu gewährleisten und mögliche Gefahren zu minimieren. Befolge die Anweisungen sorgfältig, um die besten Ergebnisse mit deinen GRIP INSERTS zu erzielen.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR CARACAL UAE

ENHANCED F

Introduction

Thank you for choosing the Ransom International Grip Inserts. These inserts are designed to provide a safe and effective way to test firearms while mimicking the human hand's response to recoil. This guide is intended to help you understand how to use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that you are using the product in a safe environment, free from distractions.
- Familiarize yourself with the firearm you are testing, including its operating mechanisms and safety features.
- Follow all local laws and regulations regarding the use of firearms and shooting equipment.
- Regularly inspect the grip inserts for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage the firearm and generate destructive recoil energy.
- **HumanLike Recoil:** The grip inserts are designed to replicate humanlike recoil. Using inappropriate inserts will invalidate test data and may lead to inaccurate results.
- **Absorption of Forces:** The inserts are engineered to absorb vibration and recoil. Ensure that they are properly installed to maximize their effectiveness.
- **Potential Hazards:** Using hard or poorly engineered inserts can lead to increased wear on the firearm, which may result in injury or malfunction.
- **Damage Accumulation:** Damage from hard inserts may not be immediately visible but can accumulate over time with each shot fired.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and safe to handle before installing the grip inserts.
- Clean the area where the grip inserts will be placed to ensure proper adhesion and fit.

2. Installation:

- Carefully follow the manufacturer's instructions for installing the grip inserts.
- Ensure that the inserts are securely fitted and aligned with the firearm's grip.
- Doublecheck that there are no gaps or misalignments that could affect performance.

3. Usage:

- Once installed, use the Ransom Rest with the grip inserts according to the provided guidelines.
- Monitor the performance of the inserts during use, and look for any signs of wear or damage.
- If any issues arise, cease use immediately and inspect the inserts.

4. PostUse:

- After testing, clean the grip inserts and the firearm as needed.
- Store the grip inserts in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations for plastic waste.
- Do not dispose of the inserts in a manner that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any questions or concerns regarding the Ransom International Grip Inserts, please refer to the manufacturer's support resources. It is essential to consult with professionals if you encounter any issues or have safety concerns regarding the product.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our priority. Always use the Ransom International Grip Inserts responsibly and in compliance with applicable laws and regulations.

Istruzioni di Sicurezza per l'Utilizzo dei Grip Inserts Ransom

Introduzione

Benvenuto nella guida di sicurezza per i Grip Inserts Ransom, progettati per migliorare la tua esperienza di tiro con il Ransom Rest. Questa guida fornisce informazioni importanti sulla sicurezza, l'installazione e l'uso dei prodotti. Leggi attentamente queste istruzioni per garantire un utilizzo sicuro e efficace.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato solo per scopi previsti e in conformità con le istruzioni del produttore.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Conserva il prodotto in un luogo asciutto e sicuro, lontano dalla portata dei bambini.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli Grip Inserts Ransom sono progettati per assorbire vibrazioni e rinculo, replicando la risposta della mano umana.
- Non utilizzare grip inserts rigidi, poiché possono causare danni all'arma e ridurre la sua vita utile.
- Assicurati che l'inserto sia correttamente installato prima di utilizzare il Ransom Rest.
- Non tentare di modificare o riparare gli inserti in modo non autorizzato.
- Segui sempre le istruzioni di installazione per garantire un utilizzo sicuro e corretto.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Prima di installare gli Grip Inserts, assicurati che l'area di lavoro sia pulita e priva di oggetti estranei.
2. **Installazione:**
 - Rimuovi eventuali inserti esistenti dal Ransom Rest.
 - Posiziona gli Grip Inserts Ransom nel supporto, assicurandoti che siano ben fissati.
 - Controlla che non ci siano spazi o movimenti eccessivi.
3. **Utilizzo:**
 - Posiziona l'arma nel Ransom Rest con gli Grip Inserts installati.
 - Assicurati che il supporto sia stabile prima di iniziare a tirare.
 - Monitora la performance e controlla eventuali segni di usura sugli inserti dopo ogni sessione di tiro.

Istruzioni per il Disposizione

- Gli Grip Inserts Ransom devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nel normale sacco della spazzatura; verifica se ci sono centri di raccolta per materiali speciali nella tua area.
- Segui le procedure di smaltimento dei materiali plastici per ridurre l'impatto ambientale.

Informazioni di Contatto per Ulteriori Supporto

Per domande o ulteriori informazioni sui Grip Inserts Ransom, ti invitiamo a contattare il produttore o il rivenditore presso il quale hai acquistato il prodotto. Assicurati di avere a disposizione il numero di modello e la data di acquisto per facilitare il supporto.

Conclusione

Seguire queste istruzioni di sicurezza è fondamentale per garantire un'esperienza di tiro sicura e soddisfacente. Utilizzando correttamente gli Grip Inserts Ransom, puoi migliorare la tua precisione e prestazione senza compromettere la sicurezza della tua arma.
