

GRIP INSERTS - RANSOM GRIP INSERTS FOR GRAND POWER P-45, P-45L

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR GRAND POWER P-45, P-45L
- Manufacturer: RANSOM
- Product no.: 430119574
- Mfr. No.: 30-300-60-1
- Delivery weight: 0.907kg
- UPC: 810132581205

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR GRAND POWER P45, P45L

Einleitung

Willkommen! Du hast die perfekten Grip Inserts für dein Grand Power P45 und P45L erworben. Diese Anleitung bietet wichtige Sicherheitsinformationen, um sicherzustellen, dass du die Inserts sicher und effektiv nutzen kannst. Bitte lies diese Hinweise sorgfältig durch, um mögliche Gefahren zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Verwende die Grip Inserts nur mit den vorgesehenen Gewehren (Grand Power P45 und P45L).
- Achte darauf, dass die Inserts in gutem Zustand sind und keine sichtbaren Schäden aufweisen.
- Halte die Inserts außerhalb der Reichweite von Kindern und anderen unbefugten Personen.
- Informiere dich regelmäßig über Rückrufaktionen und Sicherheitsupdates über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten KunststoffGrip Inserts, da diese deinem Gewehr schaden können.
- Achte darauf, dass du die Inserts richtig installierst, um eine optimale Leistung zu gewährleisten.
- Verwende die Inserts nur in Kombination mit dem Ransom Rest, um sicherzustellen, dass die Rückstoßkräfte korrekt absorbiert werden.
- Lass die Inserts regelmäßig überprüfen, um sicherzustellen, dass sie ordnungsgemäß funktionieren.

Anweisungen für Installation und Nutzung

1. Installation der Grip Inserts:

- Entferne alle vorhandenen Inserts aus dem Ransom Rest.
- Setze die neuen Grip Inserts vorsichtig ein, bis sie fest sitzen.
- Überprüfe, ob die Inserts korrekt installiert sind, bevor du mit dem Schießen beginnst.

2. Nutzung der Grip Inserts:

- Stelle sicher, dass das Gewehr sicher und stabil auf dem Ransom Rest positioniert ist.
- Beginne mit dem Schießen und beobachte, wie die Inserts die Rückstoßenergie absorbieren.
- Achte darauf, dass die Maschine nicht in eine abgesenkte Batterieposition übergeht, bevor der Schuss abgegeben wird.

Entsorgungshinweise

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Werfe die Inserts nicht in den normalen Haushaltsmüll, um Umweltschäden zu vermeiden.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung wende dich bitte an den Hersteller oder einen autorisierten Fachhändler. Achte darauf, dass du alle Sicherheitsrichtlinien befolgst, um die Sicherheit und Funktionalität deiner Grip Inserts zu gewährleisten.

Bitte beachte diese Sicherheitsanweisungen sorgfältig, um die Lebensdauer deines Gewehrs zu verlängern und potenzielle Gefahren zu vermeiden. Bleib sicher und viel Spaß beim Schießen!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR GRAND POWER P45, P45L

Introduction

Thank you for choosing the Ransom International Grip Inserts designed for the Grand Power P45 and P45L. This guide provides essential safety instructions to ensure the safe use of this product. Please read it carefully to understand how to use the grip inserts safely and effectively.

General Safety Guidelines

- Ensure safe use of the grip inserts by following all instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm.
- Be aware that improper use of grip inserts may lead to safety hazards, including potential injury or damage to the firearm.
- Always check for product recalls and safety updates through the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can generate destructive recoil energy that may harm your firearm.
- **Proper Handling:** Always handle the grip inserts with care and ensure they are properly installed before use.
- **Regular Inspections:** Regularly inspect the grip inserts for wear and tear. Replace them if they show signs of damage.
- **User Awareness:** Ensure that anyone using the firearm understands the importance of using the correct grip inserts.
- **Do Not Modify:** Do not attempt to modify the grip inserts or use them in a way not intended by the manufacturer.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing grip inserts from the firearm.
- Align the Ransom grip inserts with the grip of the firearm.
- Securely attach the grip inserts according to the manufacturer's instructions.

2. Usage:

- Use the grip inserts only with the specified firearm models (Grand Power P45 and P45L).
- When using the firearm, maintain a proper shooting stance to ensure effective recoil absorption.
- Monitor the performance of the grip inserts during use. If you notice any unusual behavior or wear, stop using them immediately.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw grip inserts in regular household waste. Check for local recycling options or hazardous

waste disposal guidelines.

Contact Information for Further Support

- For any questions or concerns regarding the grip inserts, please refer to the manufacturer's contact information provided with your product.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safer and more effective experience with your Ransom grip inserts.

Guida alla Sicurezza per Grip Inserts RANSOM

Introduzione

Benvenuto nella guida alla sicurezza per i Grip Inserts RANSOM progettati per il Master Series Ransom Rest. Questa guida fornisce informazioni essenziali per garantire un uso sicuro e responsabile del prodotto. Si raccomanda di leggere attentamente tutte le sezioni per comprendere le precauzioni necessarie e le istruzioni di utilizzo.

Linee Guida Generali sulla Sicurezza

- Assicurati di utilizzare i Grip Inserts RANSOM esclusivamente con il Master Series Ransom Rest.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- I Grip Inserts RANSOM sono progettati per assorbire vibrazioni e rinculo, garantendo prestazioni ottimali.
- Segnala immediatamente eventuali prodotti difettosi o incidenti alle autorità competenti.
- Controlla regolarmente gli aggiornamenti sui richiami attraverso la piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare grip inserts rigidi, poiché possono generare energia di rinculo distruttiva.
- Evita di utilizzare il prodotto in situazioni di alta pressione o durante condizioni meteorologiche avverse.
- Assicurati che il Grip Insert sia installato correttamente prima di ogni utilizzo.
- Non utilizzare il prodotto se è visibilmente danneggiato o usurato.
- Mantieni il prodotto lontano dalla portata di bambini e gruppi vulnerabili.

Istruzioni per l'Installazione e l'Uso

1. Installazione del Grip Insert:

- Rimuovi eventuali grip inserts esistenti dal Master Series Ransom Rest.
- Assicurati che l'area di installazione sia pulita e priva di detriti.
- Inserisci il Grip Insert RANSOM seguendo le istruzioni fornite con il prodotto.
- Verifica che l'inserto sia fissato saldamente e in posizione corretta.

2. Utilizzo del Grip Insert:

- Posiziona il Master Series Ransom Rest su una superficie stabile e piana.
- Assicurati che l'arma sia correttamente allineata e fissata nel Ransom Rest.
- Quando si spara, osserva attentamente il comportamento dell'arma e del Grip Insert.
- Dopo ogni utilizzo, controlla il Grip Insert per eventuali segni di usura o danni.

Istruzioni per lo Smaltimento

- Non gettare i Grip Inserts RANSOM nell'ambiente.
- Segui le normative locali per lo smaltimento dei materiali di plastica e dei prodotti per armi.
- Se non sei sicuro di come smaltire il prodotto, contatta le autorità locali per ottenere indicazioni.

Informazioni di Contatto per Ulteriore Supporto

Per ulteriori informazioni o domande relative alla sicurezza del prodotto, ti invitiamo a contattare il produttore. Assicurati di avere il numero di modello e altre informazioni pertinenti a portata di mano.

Ricorda che la sicurezza è la tua responsabilità. Segui queste linee guida per garantire un utilizzo sicuro e

responsabile dei Grip Inserts RANSOM.
