

GRIP INSERTS - RANSOM GRIP INSERTS FOR SILENCERCO MAXIM 9

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SILENCERCO MAXIM 9
- Manufacturer: RANSOM
- Product no.: 430119575
- Mfr. No.: 30-300-58-01
- Delivery weight: 0.907kg
- UPC: 810132581670

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR SILENCERCO MAXIM 9

Einleitung

Herzlich willkommen zu den Sicherheitshinweisen für die GRIP INSERTS RANSOM GRIP INSERTS für deinen SilencerCo Maxim 9. Diese Inserts sind speziell entwickelt, um die Leistung deines Master Series Ransom Rest zu verbessern und gleichzeitig die Sicherheit deines Gewehrs zu gewährleisten. Bitte lies diese Anleitung sorgfältig durch, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur für den vorgesehenen Zweck verwendest.
- Überprüfe regelmäßig den Zustand der Inserts auf Risse oder andere Schäden.
- Halte die Inserts von Kindern und unbefugten Personen fern.
- Informiere dich über die Rückführ Richtlinien und halte dich an alle Sicherheitswarnungen.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Verwende keine harten Grip Inserts oder 3Dgedruckten Kunststoffgriffe. Diese können Schäden an deinem Gewehr verursachen.
- Achte darauf, dass die Inserts korrekt installiert sind, um die bestmögliche Leistung und Sicherheit zu gewährleisten.
- Vermeide es, die Inserts über längere Zeiträume extremen Temperaturen oder Feuchtigkeit auszusetzen.
- Bei Anzeichen von übermäßigem Verschleiß oder Beschädigung der Inserts, stoppe die Nutzung sofort.

Anweisungen zur Installation und Verwendung

1. Installation der Inserts:

- Entferne die alten Inserts vorsichtig aus dem Ransom Rest.
- Setze die neuen RANSOM GRIP INSERTS ein und stelle sicher, dass sie fest sitzen.
- Überprüfe die korrekte Ausrichtung der Inserts, bevor du mit dem Schießen beginnst.

2. Verwendung der Inserts:

- Halte beim Schießen eine stabile Position und achte darauf, dass dein Gewehr sicher auf dem Ransom Rest sitzt.
- Achte darauf, dass die Inserts die Rückstoßenergie korrekt absorbieren, um Vibrationen zu minimieren.
- Nach jedem Schuss, beobachte die Leistung des Gewehrs und der Inserts. Bei Anzeichen von Problemen, überprüfe die Inserts sofort.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für Kunststoffabfälle.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Bedenken hinsichtlich der Sicherheit und Nutzung der GRIP INSERTS empfehlen wir, dich an den Hersteller oder einen autorisierten Fachhändler zu wenden. Achte darauf, alle relevanten Informationen über

das Produkt bereitzuhalten.

Diese Sicherheitshinweise sind darauf ausgelegt, dir ein sicheres und effektives Nutzungserlebnis zu bieten. Beachte alle Anweisungen sorgfältig, um potenzielle Gefahren zu vermeiden und die Lebensdauer deines Gewehrs zu maximieren.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR SILENCERCO MAXIM 9

Introduction

Thank you for choosing the Ransom International Grip Inserts for your SilencerCo Maxim 9. These grip inserts are designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. However, to ensure your safety and the longevity of your firearm, it is essential to follow the safety guidelines outlined in this document.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the grip inserts by adhering to the guidelines provided. The inserts are designed for use with the Master Series Ransom Rest only.
- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and provide inaccurate test results.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated but can be controlled. The inserts are engineered to absorb these forces effectively.
- **Monitor for Damage:** Regularly inspect your firearm and the grip inserts for any signs of damage or wear. Early detection can prevent further issues.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:**
 - Hard grip inserts can generate destructive recoil energy that travels through the frame and barrel, causing potential damage.
 - 3Dprinted inserts often fail to replicate humanlike recoil, leading to invalid test data.
- **Proper Usage:**
 - Always use the grip inserts as intended with the Master Series Ransom Rest.
 - Ensure that the inserts are properly fitted before use to maximize their effectiveness.
- **Regular Inspection:**
 - Inspect the grip inserts and firearm for any signs of wear or damage after each use.
 - Replace inserts that show signs of significant wear or damage.
- **Understand Recoil Management:**
 - Be aware that recoil and vibration are natural phenomena that must be managed rather than eliminated.
 - Using the inserts correctly will help absorb recoil and prevent damage to your firearm.
- **Caution During Testing:**
 - When conducting destructive or accuracy testing, ensure you are mimicking humanlike recoil for valid results.
 - A hard insert will not provide repeatable results and may compromise the safety of the user.

Instructions for Installation and Usage

1. Installation:

- Remove any existing grip inserts from the Master Series Ransom Rest.
- Clean the area where the grip insert will be placed to ensure a secure fit.
- Insert the Ransom grip insert into the designated area until it is firmly in place.

2. Usage:

- Position your firearm securely in the Ransom Rest with the grip insert installed.
- Ensure that the firearm is stable and that the grip insert is absorbing the recoil as intended.
- Conduct shooting tests while monitoring the performance of both the firearm and the grip insert.

3. PostUse Care:

- After use, remove the grip insert and clean it as necessary to maintain its condition.
- Store the grip insert in a cool, dry place when not in use.

Disposal Instructions

• Disposal of Grip Inserts:

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not throw them in regular household waste if they are made from materials that require special handling.

• Recycling:

- Check with local recycling programs for options to recycle the materials of the grip inserts if applicable.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Ransom Grip Inserts, please refer to the appropriate contact channels provided by the manufacturer. Always ensure that you are following the most current guidelines and safety instructions.

By following these safety instructions and guidelines, you can ensure a safer and more effective shooting experience with your Ransom Grip Inserts. Thank you for your attention to safety, and enjoy your shooting experience!

ISTRUZIONI PER LA SICUREZZA DEGLI INSERTI GRIP RANSOM PER SILENCERCO MAXIM 9

Introduzione

Benvenuto! Questo documento fornisce importanti istruzioni di sicurezza per l'uso degli inserti grip Ransom progettati per il Ransom Rest. È fondamentale seguire queste linee guida per garantire un utilizzo sicuro e ottimale del prodotto.

Linee Guida Generali per la Sicurezza

- Assicurati che il prodotto sia utilizzato solo secondo le istruzioni fornite.
- Non utilizzare inserti grip in plastica dura o stampati in 3D.
- Controlla regolarmente l'integrità degli inserti grip e della tua arma.
- Evita di utilizzare il prodotto in condizioni di umidità o temperature estreme.
- Consulta sempre un professionista se hai domande o dubbi sull'uso del prodotto.

Precauzioni di Sicurezza Specifiche per l'Uso

- Gli inserti grip sono progettati per assorbire il rinculo e le vibrazioni come la mano umana.
- Non utilizzare un inserto rigido, poiché può danneggiare la tua arma.
- Non tentare di modificare o riparare gli inserti grip. Utilizza solo inserti originali Ransom.
- Se avverti vibrazioni eccessive o rumori insoliti durante l'uso, interrompi immediatamente l'uso e controlla il prodotto.
- Mantieni il prodotto lontano dalla portata di bambini e animali domestici.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che il Ransom Rest sia pulito e privo di detriti.
- Controlla che gli inserti grip siano in buone condizioni e privi di danni.

2. Installazione:

- Posiziona gli inserti grip nel Ransom Rest seguendo le istruzioni del produttore.
- Assicurati che gli inserti siano ben fissati e che non ci siano spazi vuoti.

3. Utilizzo:

- Posiziona l'arma nel Ransom Rest con gli inserti grip installati.
- Assicurati che l'arma sia in posizione sicura e stabile prima di iniziare a sparare.
- Monitora le prestazioni del prodotto durante l'uso e verifica eventuali segni di usura.

Istruzioni per lo Smaltimento

- Gli inserti grip Ransom devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti grip nella spazzatura comune. Contatta le autorità locali per informazioni sullo smaltimento sicuro.
- Assicurati di smaltire il prodotto in modo responsabile per ridurre l'impatto ambientale.

Informazioni per Ulteriori Supporto

Per domande o dubbi riguardo agli inserti grip Ransom, ti invitiamo a contattare il produttore o il rivenditore autorizzato. È importante avere a disposizione informazioni chiare e precise per garantire un uso sicuro e corretto del prodotto.

Conclusione

Segui attentamente queste istruzioni di sicurezza per utilizzare gli inserti grip Ransom in modo sicuro ed efficace. La tua sicurezza e quella della tua arma dipendono dal rispetto di queste linee guida. Grazie per aver scelto i prodotti Ransom.
