

GRIP INSERTS - RANSOM GRIP INSERTS FOR KIMBER K6S W/CRIMSON TRACE

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR KIMBER K6S W/CRIMSON TRACE
- Manufacturer: RANSOM
- Product no.: 430119579
- Mfr. No.: 30-300-63-01
- Delivery weight: 0.907kg
- UPC: 810132581489

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM GRIP INSERTS FÜR KIMBER K6S W/CRIMSON TRACE

Einleitung

Herzlich willkommen! In diesem Dokument findest du wichtige Sicherheitshinweise für die Verwendung der GRIP INSERTS RANSOM GRIP INSERTS für deine Kimber K6S. Diese Anweisungen helfen dir, die Sicherheit beim Umgang mit deinem Produkt zu gewährleisten und potenzielle Gefahren zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS gemäß den Anweisungen verwendest, um Sicherheitsrisiken zu minimieren.
- Halte das Produkt außerhalb der Reichweite von Kindern und schutzbedürftigen Personen.
- Überprüfe regelmäßig das Produkt auf Beschädigungen oder Abnutzung.
- Bei Anzeichen von Beschädigungen verwende das Produkt nicht weiter und kontaktiere den Hersteller für Unterstützung.
- Informiere dich über Rückrufaktionen und Sicherheitsupdates auf der EU Safety Gate Plattform.

Spezifische Sicherheitshinweise zur Verwendung

- Verwende keine harten oder 3Dgedruckten Einlagen, da sie deinem Gewehr schaden können.
- Achte darauf, dass die Griffeinlagen ordnungsgemäß in die Master Series Ransom Rest eingesetzt sind.
- Vermeide übermäßigen Druck oder unsachgemäße Handhabung während des Gebrauchs.
- Halte dich an die empfohlenen Testszenarien, um realistische Rückstoßbedingungen zu simulieren.
- Vermeide die Verwendung des Produkts, wenn du unter Einfluss von Alkohol oder Drogen stehst.

Anweisungen für Installation und Nutzung

1. Installation der GRIP INSERTS:

- Stelle sicher, dass das Gewehr entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Einlagen, falls vorhanden.
- Setze die GRIP INSERTS vorsichtig in die vorgesehenen Bereiche der Master Series Ransom Rest ein.
- Überprüfe, ob die Einlagen sicher und fest sitzen, bevor du das Gewehr wieder verwendest.

2. Nutzung des Produkts:

- Beginne mit der Verwendung des Gewehrs in einer sicheren Umgebung, die für das Schießen geeignet ist.
- Achte darauf, dass du die richtige Haltung einnimmst, um den Rückstoß effektiv zu absorbieren.
- Teste das Gewehr unter kontrollierten Bedingungen, um sicherzustellen, dass die Einlagen korrekt funktionieren.
- Dokumentiere alle Testergebnisse und beobachte mögliche Veränderungen im Rückstoßverhalten.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte GRIP INSERTS gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffen und Metall.
- Überprüfe die örtlichen Richtlinien, um sicherzustellen, dass die Entsorgung umweltgerecht erfolgt.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Unterstützung wende dich bitte an den Hersteller oder deinen Händler. Es ist wichtig, dass du bei Unsicherheiten oder Problemen das Produkt nicht verwendest und professionelle Hilfe in Anspruch nimmst.

Bitte beachte, dass die Sicherheit beim Umgang mit Feuerwaffen und Zubehör immer an erster Stelle stehen sollte. Halte dich an diese Richtlinien, um ein sicheres und effektives Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS RANSOM GRIP INSERTS FOR KIMBER K6S W/CRIMSON TRACE

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Kimber K6S. This guide provides essential safety instructions to ensure the safe use and maintenance of the product. Please read this guide carefully before use to maximize safety and performance.

General Safety Guidelines

- Always ensure that the grip inserts are compatible with your firearm model.
- Inspect the grip inserts for any signs of damage or wear before each use.
- Use the grip inserts only for their intended purpose, as specified in this guide.
- Keep the grip inserts out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm safety and handling.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can damage your firearm and produce unreliable test results.
- Be aware that hard inserts can generate destructive recoil energy, which may affect the integrity of your firearm.
- Understand that vibration and recoil cannot be eliminated; they can only be controlled. Use the inserts to absorb these forces effectively.
- If you experience any unusual behavior from your firearm during testing, stop using it immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure that your Ransom Rest is set up correctly and securely.
- Remove any existing grip inserts from the Ransom Rest.
- Align the new grip inserts with the designated slots on the Ransom Rest.
- Firmly press the inserts into place until they fit snugly.
- Doublecheck that the inserts are securely installed before proceeding.

2. Using the Grip Inserts:

- Place your firearm in the Ransom Rest as per the manufacturer's instructions.
- Ensure that the firearm is unloaded and the safety is engaged before securing it in the rest.
- Begin your testing procedure, monitoring closely for any signs of abnormal vibration or recoil.
- After completing your tests, carefully remove the firearm from the rest and inspect the grip inserts for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not dispose of grip inserts in regular household waste. Check for recycling options or designated

disposal sites for plastic materials.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to your local retailer or manufacturer. Ensure that you have the product information ready for a more efficient support experience.

By following these guidelines, you can ensure the safe and effective use of the Ransom International Grip Inserts. Thank you for prioritizing safety in your firearm handling and testing procedures.

Guida alla Sicurezza per i Grip Inserts RANSOM per Kimber K6S

Introduzione

Grazie per aver scelto i Grip Inserts RANSOM per il tuo Kimber K6S. Questa guida fornisce informazioni essenziali sulla sicurezza, l'installazione e l'uso corretto del prodotto. È importante seguire queste istruzioni per garantire un utilizzo sicuro e ottimale.

Linee Guida Generali per la Sicurezza

- Assicurati di utilizzare solo i Grip Inserts RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare grip inserts rigidi o stampati in 3D, poiché possono danneggiare l'arma e causare infortuni.
- Verifica periodicamente lo stato degli inserti per assicurarti che non siano danneggiati o usurati.
- Conserva il prodotto in un luogo sicuro, lontano dalla portata di bambini o persone non autorizzate.
- Segnala eventuali prodotti difettosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non tentare di utilizzare i Grip Inserts RANSOM con altri tipi di grip inserts che non siano raccomandati.
- Assicurati che l'arma sia scarica prima di installare o rimuovere gli inserti.
- Segui sempre le istruzioni del produttore per l'uso della tua arma.
- Utilizza occhiali di protezione durante le sessioni di tiro per proteggere gli occhi da eventuali detriti.

Istruzioni per l'Installazione e l'Uso

1. Preparazione

- Assicurati che l'arma sia completamente scarica.
- Pulisci l'area di installazione per rimuovere polvere o detriti.

2. Installazione degli Inserti

- Rimuovi i grip inserts esistenti seguendo le istruzioni del produttore.
- Posiziona i Grip Inserts RANSOM in modo che siano allineati correttamente con la base dell'arma.
- Fissa gli inserti in posizione utilizzando i metodi di fissaggio forniti dal produttore.

3. Controllo PostInstallazione

- Controlla che gli inserti siano ben fissati e non presentino segni di usura.
- Esegui un test di funzionamento per assicurarti che l'arma funzioni correttamente con i nuovi grip inserts.

4. Uso dell'Arma

- Durante l'uso, mantieni sempre una postura corretta e sicura.
- Assicurati di avere un buon controllo dell'arma per ridurre il rischio di vibrazioni e rinculo eccessivo.

Istruzioni per lo Smaltimento

- Gli inserti usurati o danneggiati devono essere smaltiti in conformità con le normative locali sullo smaltimento dei rifiuti.

- Non gettare gli inserti nella spazzatura comune. Contatta un centro di raccolta rifiuti per informazioni su come smaltirli correttamente.

Informazioni per Ulteriori Supporto

Per domande o ulteriori informazioni sui Grip Inserts RANSOM, ti invitiamo a contattare il produttore o rivenditore autorizzato. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti relative al tuo acquisto.

Seguendo queste linee guida, puoi garantire un'esperienza di utilizzo sicura e soddisfacente con i tuoi Grip Inserts RANSOM per Kimber K6S. La tua sicurezza è la nostra priorità.
