

GRIP INSERTS - RANSOM GRIP INSERTS FOR KIMBER K6S

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR KIMBER K6S
- Manufacturer: RANSOM
- Product no.: 430119581
- Mfr. No.: 30-300-63-01-F
- Delivery weight: 0.907kg
- UPC: 810132581496

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR KIMBER K6S

Einführung

Die GRIP INSERTS RANSOM GRIP INSERTS sind speziell für die Verwendung mit deinem Kimber K6S konzipiert. Sie bieten eine sichere und effektive Lösung zur Verbesserung der Schussgenauigkeit und Handhabung. Es ist wichtig, diese Sicherheitshinweise zu befolgen, um die Risiken bei der Verwendung des Produkts zu minimieren.

Allgemeine Sicherheitshinweise

- Achte darauf, dass du die Inserts nur gemäß den Anweisungen verwendest.
- Verwende keine harten oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- Halte das Produkt außerhalb der Reichweite von Kindern und schütze es vor unsachgemäßer Verwendung.
- Überprüfe regelmäßig den Zustand der Inserts und ersetze sie bei Anzeichen von Verschleiß.

Spezifische Sicherheitsvorkehrungen bei der Verwendung

- Stelle sicher, dass die Inserts richtig installiert sind, um eine optimale Leistung zu gewährleisten.
- Vermeide es, die Inserts zu verwenden, wenn du Anzeichen von Beschädigungen oder Abnutzung bemerkst.
- Beachte, dass hartes Material Rückstoßenergie erzeugen kann, die schädlich für dein Gewehr ist.
- Teste die Inserts nur in sicheren Umgebungen und unter kontrollierten Bedingungen.

Anweisungen zur Installation und Nutzung

1. Installation der Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen RANSOM Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Lücken aufweisen.

2. Nutzung der Inserts:

- Verwende die Inserts während des Schießens, um die Rückstoßkräfte zu absorbieren.
- Achte darauf, dass du die Vibrationen während des Schusses kontrollierst.
- Teste die Schussgenauigkeit regelmäßig und passe die Inserts nach Bedarf an.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Abfallentsorgung.
- Vermeide es, die Inserts in den normalen Hausmüll zu werfen, wenn sie Materialien enthalten, die umweltgefährdend sein könnten.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Anliegen zur Sicherheit der GRIP INSERTS kannst du dich an den Hersteller oder den Händler wenden, bei dem du das Produkt erworben hast. Sie können dir bei allen sicherheitsrelevanten Fragen weiterhelfen.

Bitte beachten: Diese Sicherheitshinweise sind wichtig, um die sichere Verwendung der GRIP INSERTS zu gewährleisten und mögliche Risiken zu minimieren. Halte dich an die Anweisungen und überprüfe regelmäßig

den Zustand deiner Inserts, um die beste Leistung zu erzielen.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR KIMBER K6S

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Kimber K6S. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Always ensure that the grip inserts are compatible with your firearm model.
- Use only the recommended grip inserts. Do not use hard grip inserts or 3Dprinted plastic grip inserts.
- Regularly inspect the grip inserts for signs of wear or damage.
- Keep the grip inserts away from children and vulnerable individuals.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Hard grip inserts can damage your firearm by generating destructive recoil energy. This can lead to premature wear and potential injury.
- **Recoil Absorption:** The grip inserts are designed to mimic the human hand, absorbing recoil and vibration. This ensures better test results and protects your firearm.
- **Do Not Rush Tests:** Allow the machine to respond naturally to recoil. Rushing can lead to inaccurate results and potentially harm the firearm.
- **Regular Maintenance:** Check the grip inserts for any signs of damage after each use. Replace them if they show significant wear.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing grip inserts from the Ransom Rest.
- Carefully place the Ransom International Grip Inserts into the designated slots.
- Ensure that the inserts fit snugly and securely.

2. Usage:

- Position your firearm in the Ransom Rest with the grip inserts properly installed.
- Conduct your tests in a controlled environment to accurately measure results.
- Monitor the firearm and the inserts during testing for any signs of malfunction or damage.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste management regulations.
- Do not incinerate grip inserts as they may release harmful substances.
- If replacing grip inserts, follow the manufacturer's guidelines for proper disposal.

Contact Information for Further Support

For any inquiries or support regarding the Ransom International Grip Inserts, please refer to the manufacturer's

contact details provided with your product.

By following these guidelines, you can ensure safe and effective use of your Ransom International Grip Inserts. Thank you for your attention to safety, and enjoy your shooting experience.

Guida alle Istruzioni di Sicurezza per i Grip Inserts RANSOM per Kimber K6S

Introduzione

Benvenuto nella guida alle istruzioni di sicurezza per i Grip Inserts RANSOM progettati per il tuo Kimber K6S. Questa guida è stata redatta per garantire un uso sicuro e responsabile del prodotto, seguendo le normative sulla sicurezza dei consumatori dell'Unione Europea.

Linee Guida Generali di Sicurezza

- Assicurati che il prodotto sia utilizzato esclusivamente per l'uso previsto.
- Controlla regolarmente lo stato dei grip inserts per eventuali segni di usura o danni.
- Non utilizzare grip inserts rigidi o stampati in 3D, in quanto possono danneggiare la tua arma.
- Segnala eventuali incidenti o prodotti non sicuri alle autorità competenti.
- Rimani informato sugli aggiornamenti e sui richiami tramite la piattaforma Safety Gate dell'UE.

Precauzioni di Sicurezza Specifiche per l'Uso

- **Uso corretto:** Utilizza i grip inserts RANSOM esclusivamente con il Master Series Ransom Rest.
- **Controllo della compatibilità:** Verifica che i grip inserts siano compatibili con il tuo modello di arma prima dell'uso.
- **Condizioni di utilizzo:** Evita di utilizzare il prodotto in condizioni estreme che potrebbero compromettere la sua integrità.
- **Manutenzione:** Pulisci e ispeziona regolarmente gli inserts per garantire il loro corretto funzionamento.
- **Attenzione alle vibrazioni:** Gli inserts sono progettati per assorbire vibrazioni; non ignorare segnali di malfunzionamento.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che la tua arma sia scarica e in sicurezza prima di procedere.
- Rimuovi eventuali grip inserts precedenti.

2. Installazione:

- Segui le istruzioni specifiche per il tuo modello di Ransom Rest.
- Inserisci i grip inserts RANSOM nei punti designati, assicurandoti che siano ben fissati.
- Controlla che non ci siano spazi vuoti o movimenti eccessivi.

3. Utilizzo:

- Posiziona la tua arma nel Ransom Rest come indicato nelle istruzioni del produttore.
- Esegui i test di tiro seguendo le linee guida di sicurezza.
- Osserva sempre il comportamento della tua arma durante l'uso per eventuali anomalie.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei grip inserts.
- Non abbandonare il prodotto in ambienti naturali o pubblici.
- Se non più utilizzabili, smaltisci i grip inserts in modo responsabile, preferibilmente attraverso un centro di raccolta autorizzato.

Informazioni di Contatto per Ulteriori Supporto

Per domande o ulteriori informazioni riguardanti la sicurezza e l'uso dei grip inserts RANSOM, ti invitiamo a contattare il tuo rivenditore o un esperto del settore. Assicurati di avere a disposizione il numero di modello e altre informazioni pertinenti.

Ricorda che la sicurezza è fondamentale. Utilizzando i Grip Inserts RANSOM nel modo corretto, puoi migliorare la tua esperienza di tiro e garantire la sicurezza della tua arma.
