

GRIP INSERTS - RANSOM GRIP INSERTS FOR STI STACCATO

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR STI STACCATO
- Manufacturer: RANSOM
- Product no.: 430119584
- Mfr. No.: 30-300-71-00
- Delivery weight: 0.907kg
- UPC: 810132582455

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für die GRIP INSERTS RANSOM GRIP INSERTS FÜR STI STACCATO

Einführung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS von RANSOM. Diese Inserts sind speziell für die Master Series Ransom Rest entwickelt worden und sollen dein Schießerlebnis verbessern, während sie gleichzeitig die Sicherheit deines Gewehrs gewährleisten. Bitte lies die folgenden Sicherheitsrichtlinien sorgfältig durch, um eine sichere Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass die GRIP INSERTS nur mit dem dafür vorgesehenen Ransom Rest verwendet werden.
- Verwende keine harten Grip Inserts oder 3Dgedruckten Kunststoffinserts, da diese deinem Gewehr schaden können.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen.
- Halte die Inserts und den Ransom Rest sauber, um eine optimale Leistung zu gewährleisten.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Harte Inserts können schädliche Rückstoßenergien erzeugen, die die Struktur deines Gewehrs beeinträchtigen können.
- Achte darauf, dass die Inserts korrekt eingesetzt sind, um eine optimale Absorption von Vibrationen und Rückstoß zu gewährleisten.
- Verwende die Inserts nur für den vorgesehenen Zweck und beachte die Herstelleranweisungen.
- Bei Anzeichen von Beschädigungen an den Inserts oder am Ransom Rest, höre sofort auf, das Produkt zu benutzen und kontaktiere den Hersteller.

Anweisungen für Installation und Nutzung

1. Installation der GRIP INSERTS:

- Entferne die alten Inserts vorsichtig aus dem Ransom Rest.
- Setze die neuen GRIP INSERTS gemäß den Anweisungen des Herstellers ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen.

2. Nutzung der GRIP INSERTS:

- Platziere dein Gewehr sicher im Ransom Rest.
- Achte darauf, dass die Inserts korrekt ausgerichtet sind, um eine optimale Leistung zu gewährleisten.
- Führe deine Schüsse wie gewohnt durch und achte darauf, die Rückstoßkontrolle zu beobachten.

Entsorgungsanweisungen

- Entsorge abgenutzte oder beschädigte GRIP INSERTS gemäß den lokalen Vorschriften für die Entsorgung von Kunststoffen.
- Achte darauf, dass du die Inserts nicht in die Umwelt wirfst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den GRIP INSERTS von RANSOM, wende dich bitte an den

Hersteller oder den Händler, bei dem du das Produkt erworben hast.

Schlussfolgerung

Die GRIP INSERTS von RANSOM sind eine hervorragende Wahl für alle, die ihr Schießerlebnis verbessern möchten. Durch die Beachtung dieser Sicherheitsrichtlinien kannst du sicherstellen, dass du das Beste aus deinem Produkt herausholst und gleichzeitig die Sicherheit deines Gewehrs gewährleistest.

Ransom International Grip Inserts Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your STI Staccato. These inserts are designed to enhance your shooting experience while ensuring the safety and integrity of your firearm. This guide provides essential safety instructions and guidelines to ensure the proper use of the grip inserts.

General Safety Guidelines

- Ensure the safe use of all products in accordance with the EU General Product Safety Regulation (GPSR).
- Be aware of potential risks associated with improper use of grip inserts.
- Always follow the manufacturer's instructions for installation and usage.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts. These can generate destructive recoil energy that may damage your firearm.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated; they can only be controlled. The grip inserts are designed to absorb these forces, mimicking the human hand.
- **Monitor for Damage:** Check your firearm regularly for any signs of damage that may arise from using inappropriate inserts.
- **Use with Caution:** A hard insert may decrease the lifespan of your firearm and could potentially lead to injury or damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and in a safe condition before installation.
- Gather all necessary tools for installation.

2. Installation:

- Remove any existing grip inserts from your firearm.
- Align the Ransom International Grip Inserts with the grip area of your firearm.
- Securely attach the inserts according to the manufacturer's instructions.

3. Usage:

- Once installed, test the grip inserts by firing a few rounds in a controlled environment.
- Monitor the firearm's performance and ensure that the inserts are functioning as intended.
- Avoid using hard or 3Dprinted inserts to maintain the integrity of your firearm.

Disposal Instructions

- Dispose of any old or damaged grip inserts in accordance with local regulations.
- Ensure that any materials are disposed of safely to minimize environmental impact.

Contact Information for Further Support

For any inquiries or support related to the Ransom International Grip Inserts, please refer to the manufacturer's official website or customer service channels.

By following these guidelines, you can ensure a safe and effective shooting experience with your Ransom International Grip Inserts. Always prioritize safety and proper usage to protect yourself and your firearm.

Istruzioni di Sicurezza per GRIP INSERTS RANSOM

GRIP INSERTS PER STI STACCATO

Introduzione

Le GRIP INSERTS di RANSOM sono progettate per migliorare le prestazioni del tuo Master Series Ransom Rest. Questo documento fornisce linee guida di sicurezza per garantire un utilizzo sicuro e responsabile del prodotto, conformemente al Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR).

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i prodotti RANSOM come indicato.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono causare danni all'arma.
- Controlla regolarmente il prodotto per eventuali segni di usura o danni.
- Segnala immediatamente eventuali incidenti o prodotti non sicuri alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non utilizzare inserti rigidi, poiché possono accumulare danni ad ogni colpo e ridurre la vita dell'arma.
- Evita di utilizzare inserti in plastica stampata in 3D, in quanto possono generare energia di rinculo distruttiva.
- Fai attenzione quando utilizzi il Ransom Rest, assicurandoti che sia in buone condizioni prima dell'uso.
- Non tentare mai di modificare gli inserti o il Ransom Rest in alcun modo.

Istruzioni per l'Installazione e l'Uso

1. Installazione:

- Assicurati che il Ransom Rest sia posizionato su una superficie stabile e piana.
- Segui le istruzioni di installazione fornite con il Ransom Rest per montare correttamente gli inserti.
- Verifica che gli inserti siano ben fissati prima di utilizzare il prodotto.

2. Uso:

- Posiziona l'arma sul Ransom Rest in modo che sia stabile e sicura.
- Utilizza gli inserti RANSOM per assorbire il rinculo e migliorare la precisione del tiro.
- Monitora attentamente il comportamento dell'arma durante l'uso e interrompi immediatamente se noti anomalie.

Istruzioni per lo Smaltimento

- Smaltisci il prodotto in conformità con le leggi locali sulle apparecchiature e i materiali di scarto.
- Non gettare gli inserti RANSOM o il Ransom Rest nei rifiuti normali; verifica le opzioni di riciclaggio nella tua area.
- Se il prodotto è danneggiato, segui le procedure di smaltimento sicuro per evitare rischi.

Informazioni per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza del prodotto e per segnalare eventuali problemi, contatta il tuo rivenditore o il produttore. È importante avere un punto di contatto in caso di domande o preoccupazioni relative alla sicurezza.

Conclusione

Seguire queste istruzioni di sicurezza è fondamentale per garantire un utilizzo sicuro e efficace delle GRIP INSERTS RANSOM. La tua sicurezza e quella degli altri è la nostra priorità. Assicurati di essere sempre informato e di utilizzare il prodotto in modo responsabile.
