

# GRIP INSERTS - RANSOM GRIP INSERTS FOR STACCATO HD

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

## Attributes

- Name: RANSOM GRIP INSERTS FOR STACCATO HD
- Manufacturer: RANSOM
- Product no.: 430119587
- Mfr. No.: 30-300-71-02
- Delivery weight: 0.907kg
- UPC: 810132582462

## Item details

Made in USA

US export classification: 0A501.y.1

# Sicherheitshinweise für GRIP INSERTS RANSOM

## GRIP INSERTS FÜR STACCATO HD

### Einführung

Herzlich willkommen! Du hast die GRIP INSERTS RANSOM GRIP INSERTS für deine Staccato HD erworben. Diese Anleitung bietet wichtige Sicherheitsinformationen, um sicherzustellen, dass du die Inserts sicher und effektiv verwendest. Bitte lies die folgenden Hinweise sorgfältig durch, um mögliche Risiken zu vermeiden und die beste Leistung aus deinem Produkt herauszuholen.

### Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur für den vorgesehenen Zweck verwendest.
- Bewahre die Inserts außerhalb der Reichweite von Kindern auf.
- Überprüfe regelmäßig den Zustand der Inserts auf Abnutzung oder Beschädigung.
- Melde unsichere Produkte oder Vorfälle sofort den zuständigen Behörden.
- Halte dich über Rückrufinformationen auf der EU Safety Gate Plattform auf dem Laufenden.

### Spezifische Sicherheitsvorkehrungen für die Verwendung

- **Vermeide harte Inserts:** Diese können destruktive Rückstoßenergie erzeugen, die deinem Gewehr schaden kann.
- **Verwende nur RANSOM Grip Inserts:** Diese sind speziell entwickelt, um die Rückstoßdynamik zu kontrollieren und die Lebensdauer deiner Waffe zu verlängern.
- **Achte auf Vibrationen:** Unsere Inserts absorbieren Vibrationen, um den Rückstoß zu minimieren und die Leistung zu maximieren.
- **Sei vorsichtig bei der Installation:** Eine falsche Installation kann zu unsicheren Bedingungen führen.

### Anweisungen für Installation und Verwendung

#### 1. Vorbereitung:

- Stelle sicher, dass deine Waffe entladen ist, bevor du mit der Installation beginnst.
- Reinige den Bereich, in dem die Inserts installiert werden sollen.

#### 2. Installation der Inserts:

- Entferne die alten Inserts, falls vorhanden.
- Setze die RANSOM Grip Inserts vorsichtig an die vorgesehenen Stellen ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Lücken aufweisen.

#### 3. Verwendung:

- Überprüfe vor jedem Schießen den Sitz der Inserts.
- Achte während des Schießens auf ungewöhnliche Vibrationen oder Geräusche.

### Entsorgungsanweisungen

- Entsorge die Inserts gemäß den örtlichen Vorschriften für Kunststoffe.
- Stelle sicher, dass die Inserts nicht in die Umwelt gelangen.

## **Kontaktinformationen für weitere Unterstützung**

Für weitere Informationen oder Unterstützung in Bezug auf die GRIP INSERTS RANSOM GRIP INSERTS für Staccato HD wende dich bitte an den Hersteller oder den örtlichen Händler.

Bitte beachte, dass die Sicherheit deiner Waffe und deiner selbst von größter Bedeutung ist. Befolge diese Anweisungen sorgfältig, um eine sichere und effektive Verwendung deiner RANSOM Grip Inserts zu gewährleisten.

# GRIP INSERTS RANSOM GRIP INSERTS FOR STACCATO HD Safety Instruction Guide

## Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always ensure that you are using the grip inserts specifically designed for the Master Series Ransom Rest.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as these can damage the firearm and compromise safety.
- Be aware of the potential hazards associated with improper use of grip inserts, including injury or damage to the firearm.
- If you notice any unusual behavior during testing, stop using the product and consult a qualified professional.

## Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Using hard grip inserts can generate destructive recoil energy that damages the firearm.
- **Replicate HumanLike Recoil:** Ensure that the grip inserts you use mimic the durometer of the human hand to provide valid test results.
- **Monitor Wear:** Regularly inspect the grip inserts for signs of wear and tear, replacing them as necessary to maintain safety and performance.
- **Use Properly:** Always ensure that the grip inserts are correctly installed and securely fitted before conducting any tests.
- **Caution with Testing:** When conducting destructive or accuracy testing, remember to mimic human handling to ensure valid results.

## Instructions for Installation and Usage

### 1. Installation:

- Remove any existing grip inserts from the Ransom Rest.
- Clean the grip area to ensure a secure fit for the new inserts.
- Insert the Ransom Grip Inserts into the designated slots, ensuring they are properly aligned.
- Check that the inserts are secure and do not move when pressure is applied.

### 2. Usage:

- Place the firearm in the Ransom Rest, ensuring that it is stable and secure.
- Conduct your tests by following the recommended procedures for firearm testing.
- Monitor the performance of the grip inserts throughout the testing process.
- After testing, carefully remove the firearm and inspect the grip inserts for any damage.

## Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not dispose of inserts in a manner that could pose a risk to the environment or public safety.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Ransom Grip Inserts, please consult the manufacturer or authorized dealer for assistance.

### **Important Note**

Always prioritize safety when using any firearmrelated equipment. Follow all local laws and regulations regarding the use of firearms and related accessories. Report any unsafe products or incidents to the appropriate authorities.

By adhering to these guidelines, you can ensure a safe and effective experience with your Ransom Grip Inserts. Thank you for your attention to these important safety instructions.

# Guida alla Sicurezza del Prodotto: GRIP INSERTS RANSOM GRIP INSERTS PER STACCATO HD

## Introduzione

Grazie per aver scelto i GRIP INSERTS di RANSOM. Questo prodotto è progettato per migliorare le prestazioni del tuo Master Series Ransom Rest, garantendo risultati di test ripetibili e affidabili. È fondamentale seguire le istruzioni di sicurezza per garantire un uso sicuro e efficace.

## Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i GRIP INSERTS RANSOM progettati specificamente per il tuo Master Series Ransom Rest.
- Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, poiché possono danneggiare l'arma e causare infortuni.
- Tieni il prodotto lontano dalla portata dei bambini e di gruppi vulnerabili.
- Segnala eventuali prodotti non sicuri o incidenti alle autorità competenti.

## Precauzioni di Sicurezza Specifiche per l'Uso

- **Controllo delle vibrazioni:** Gli inserti sono progettati per assorbire le vibrazioni e le armoniche. Non utilizzare inserti non approvati, poiché possono compromettere questo aspetto.
- **Durabilità:** L'uso di inserti non conformi può ridurre la vita della canna e dell'arma, causando danni o infortuni.
- **Manutenzione:** Controlla regolarmente gli inserti per eventuali segni di usura o danni. Sostituisci gli inserti se necessario.

## Istruzioni per l'Installazione e l'Uso

### 1. Installazione:

- Rimuovi gli inserti esistenti dal tuo Master Series Ransom Rest.
- Pulisci l'area di installazione per garantire una buona adesione.
- Inserisci i GRIP INSERTS RANSOM seguendo le istruzioni specifiche fornite con il prodotto.
- Assicurati che gli inserti siano saldamente in posizione prima di utilizzare il dispositivo.

### 2. Uso:

- Utilizza il Master Series Ransom Rest con i GRIP INSERTS installati per garantire un rinculo coerente e controllato.
- Evita di applicare forze eccessive che potrebbero danneggiare gli inserti o l'arma.
- Durante l'uso, verifica frequentemente che gli inserti siano in buone condizioni e che non ci siano segni di usura.

## Istruzioni per lo Smaltimento

- Gli inserti RANSOM devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti nella spazzatura domestica. Contatta il tuo comune per informazioni sui centri di raccolta o sui programmi di riciclaggio.

## **Informazioni di Contatto per Ulteriori Supporto**

Per ulteriori informazioni sulla sicurezza del prodotto o per domande specifiche, contatta il produttore o il rivenditore autorizzato. Assicurati di avere a disposizione il numero di modello e altri dettagli pertinenti per ricevere assistenza.

## **Conclusione**

Seguendo queste linee guida di sicurezza, puoi garantire un utilizzo sicuro e efficace dei GRIP INSERTS RANSOM. La tua sicurezza e quella degli altri è la priorità principale. Assicurati di rimanere informato su eventuali aggiornamenti o richiami tramite il sistema Safety Gate dell'UE.
