

GRIP INSERTS - RANSOM GRIP INSERTS FOR LONE WOLF DUSK 19

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR LONE WOLF DUSK 19
- Manufacturer: RANSOM
- Product no.: 430119588
- Mfr. No.: 30-300-74-01
- Delivery weight: 0.907kg
- UPC: 810132581588

Sicherheitsanleitung für GRIP INSERTS RANSOM

GRIP INSERTS FÜR LONE WOLF DUSK 19

Einleitung

Willkommen zu deiner Sicherheitsanleitung für die Ransom Grip Inserts, die speziell für die Lone Wolf Dusk 19 entwickelt wurden. Diese Anleitung soll dir helfen, die Inserts sicher und effektiv zu verwenden, um die Leistung deines Master Series Ransom Rest zu maximieren. Bitte nimm dir einen Moment Zeit, um die folgenden Sicherheitsrichtlinien und Anweisungen zu lesen.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Inserts nur mit der vorgesehenen Waffe verwendest.
- Überprüfe die Inserts regelmäßig auf Beschädigungen oder Abnutzungen.
- Verwende keine harten oder 3Dgedruckten Inserts, da diese deinem Gewehr schaden können.
- Halte die Inserts und das Gewehr außerhalb der Reichweite von Kindern und unbefugten Personen.
- Informiere dich über Rückrufe und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Harte Inserts können zerstörerische Rückstoßenergie erzeugen, die deinem Gewehr schaden kann.
- Achte darauf, dass die Inserts korrekt installiert sind, um optimale Leistung zu gewährleisten.
- Vermeide es, die Inserts bei extremen Temperaturen oder in feuchten Umgebungen zu lagern.
- Halte während des Schießens immer einen sicheren Abstand von anderen Personen ein.
- Nutze immer geeignete Schutzausrüstung, wie z.B. Ohrenschutz und Schutzbrille.

Anweisungen für Installation und Nutzung

1. Vorbereitung:

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation beginnst.
- Reinige den Bereich, in dem die Inserts installiert werden, um Schmutz und Ablagerungen zu entfernen.

2. Installation der Inserts:

- Entferne die vorhandenen Inserts, falls vorhanden.
- Setze die Ransom Grip Inserts vorsichtig in die vorgesehenen Bereiche ein.
- Achte darauf, dass die Inserts fest sitzen und keine Lücken oder Bewegungen aufweisen.

3. Nutzung der Inserts:

- Überprüfe vor jedem Schießen die Inserts auf Schäden oder Abnutzung.
- Schieße immer in einem sicheren Bereich, der für den Schussbetrieb geeignet ist.
- Achte auf die Rückstoßkontrolle und beobachte, wie die Inserts die Vibrationen und Rückstöße absorbieren.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffen.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder Unterstützung zu den Ransom Grip Inserts wende dich bitte an den Hersteller oder einen autorisierten Händler. Achte darauf, alle Sicherheitsrichtlinien zu befolgen und bei Fragen Hilfe in Anspruch zu nehmen.

Bitte beachte, dass die Sicherheit deiner Waffe und deines Schießverhaltens von größter Bedeutung ist. Halte dich an die Anweisungen und Sicherheitsrichtlinien, um eine sichere Nutzung der Ransom Grip Inserts zu gewährleisten.

GRIP INSERTS RANSOM GRIP INSERTS FOR LONE WOLF DUSK 19 Safety Instruction Guide

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Lone Wolf Dusk 19. These inserts are designed to enhance the performance of your Master Series Ransom Rest while ensuring safety during use. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product.

General Safety Guidelines

- Ensure safe use of the grip inserts by following these guidelines:
 - Always use the grip inserts as intended and according to the instructions provided.
 - Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they may damage your firearm and compromise safety.
 - Be aware that improper use of grip inserts can lead to inaccurate test results and potential harm.
 - Regularly inspect the grip inserts for signs of wear or damage before each use.
 - Store the grip inserts in a safe, dry place when not in use.

Specific Safety Precautions for Use

- To ensure your safety and the safety of others, please observe the following precautions:
 - Do not use the grip inserts if you notice any cracks, deformities, or other signs of damage.
 - Avoid using the grip inserts with firearms that are not compatible with the Ransom Rest system.
 - Always ensure that the firearm is unloaded before attaching or removing the grip inserts.
 - Use the grip inserts only in a controlled environment where you can manage potential hazards.
 - Be cautious of the recoil and vibration produced during testing; ensure you are positioned safely to avoid injury.

Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the grip inserts:

1. Preparation:

- Ensure the firearm is unloaded.
- Gather all necessary tools and ensure a clean workspace.

2. Installation:

- Align the grip insert with the designated area on the Ransom Rest.
- Securely attach the grip insert, ensuring it is firmly in place and free of movement.

3. Usage:

- Position the firearm in the Ransom Rest according to the manufacturer's instructions.
- Conduct your testing as needed, monitoring for any unusual vibrations or movements.
- After testing, carefully remove the firearm and inspect the grip insert for any signs of wear or damage.

Disposal Instructions

- When the grip inserts reach the end of their usable life, dispose of them responsibly:
 - Check local regulations for proper disposal methods for plastic and synthetic materials.
 - Do not dispose of grip inserts in regular household waste if local guidelines specify otherwise.
 - Consider recycling options if available in your area.

Contact Information for Further Support

- For any inquiries about the product or safety concerns, please reach out to your local distributor or retailer. They can provide assistance and guidance regarding the safe use of the grip inserts.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience using the Ransom International Grip Inserts for your Lone Wolf Dusk 19. Always prioritize safety and proper usage to avoid potential hazards and enhance your testing experience. Thank you for your attention to these important details.

Istruzioni di Sicurezza per l'Utilizzo degli Inserti Grip Ransom per Lone Wolf Dusk 19

Introduzione

Benvenuto! Questo documento fornisce linee guida di sicurezza importanti per l'uso degli Inserti Grip Ransom progettati per il Lone Wolf Dusk 19. È fondamentale seguire queste istruzioni per garantire un'esperienza di tiro sicura e ottimale.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo gli Inserti Grip Ransom specificamente progettati per il tuo Master Series Ransom Rest.
- Non utilizzare inserti rigidi o stampati in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Controlla regolarmente gli inserti per segni di usura o danni.
- Segui tutte le normative locali e nazionali relative all'uso delle armi da fuoco.
- Mantieni gli inserti e l'arma in un luogo sicuro e fuori dalla portata di bambini e persone non autorizzate.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza gli inserti solo in condizioni appropriate e con attrezzature adatte.
- Non tentare di modificare o riparare gli inserti. In caso di danno, sostituiscili immediatamente.
- Durante l'uso, assicurati che nessuna persona si trovi in prossimità della traiettoria del proiettile.
- Indossa sempre protezioni adeguate, come occhiali e tappi per le orecchie.
- Assicurati che l'arma sia sempre maneggiata in modo sicuro e responsabile.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti:

- Rimuovi l'inserto danneggiato (se presente) seguendo le istruzioni del produttore.
- Posiziona l'inserto Grip Ransom nell'alloggiamento del tuo Ransom Rest.
- Assicurati che l'inserto sia ben fissato e che non ci siano spazi vuoti.

2. Uso degli Inserti:

- Posiziona l'arma sul Ransom Rest con l'inserto correttamente installato.
- Controlla che l'arma sia in una posizione stabile e sicura prima di iniziare a tirare.
- Effettua il tiro seguendo tutte le pratiche di sicurezza standard.

Istruzioni per lo Smaltimento

- Gli inserti usurati o danneggiati devono essere smaltiti in conformità con le normative locali sui rifiuti.
- Non gettare gli inserti negli scarichi o nei rifiuti domestici. Consulta le linee guida locali per il corretto smaltimento.

Informazioni di Contatto per Ulteriore Supporto

Per qualsiasi domanda o preoccupazione riguardo agli Inserti Grip Ransom, ti invitiamo a contattare il tuo rivenditore o il produttore. Assicurati di avere il numero di modello e la descrizione del problema a portata di mano per ricevere assistenza più rapidamente.

Conclusione

Seguendo queste istruzioni di sicurezza, puoi garantire un'esperienza di tiro sicura e soddisfacente. Ricorda sempre di prestare attenzione e di maneggiare le armi con responsabilità. La tua sicurezza e quella degli altri sono la priorità principale.
