

GRIP INSERTS - RANSOM GRIP INSERTS FOR SEECAMP LSW 32, LSW 380

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SEECAMP LSW 32, LSW 380
- Manufacturer: RANSOM
- Product no.: 430119590
- Mfr. No.: 30-300-72-01
- Delivery weight: 0.907kg
- UPC: 810132582127

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitsanleitung für GRIP INSERTS RANSOM

GRIP INSERTS FÜR SEECAMP LSW 32, LSW 380

Einleitung

Herzlich willkommen! Diese Anleitung bietet wichtige Informationen zur sicheren Nutzung der GRIP INSERTS von RANSOM für deine Seecamp LSW 32 und LSW 380. Bitte beachte die folgenden Sicherheitsrichtlinien, um eine sichere und effektive Nutzung zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS nur in der vorgesehenen Weise verwendest.
- Halte die Inserts von Kindern fern und verwende sie nur, wenn du das nötige Wissen und die Erfahrung hast.
- Überprüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen.
- Melde unsichere Produkte oder Vorfälle den zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten Kunststoffgriffen, da diese deinem Gewehr schaden können.
- Beachte, dass harte Inserts destruktive Rückstoßenergie erzeugen, die die Leistung deines Gewehrs beeinträchtigen kann.
- Verwende die Inserts nur, wenn du sicher bist, dass sie in gutem Zustand sind.
- Teste die Inserts wie ein Mensch, um valide Ergebnisse zu erzielen.

Anweisungen für Installation und Nutzung

1. Installation der GRIP INSERTS:

- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen GRIP INSERTS vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest sitzen und keine Lockerheit aufweisen.

2. Nutzung der GRIP INSERTS:

- Halte das Gewehr mit einem stabilen Griff und achte darauf, dass du die Inserts gleichmäßig belastest.
- Achte darauf, dass die Inserts die Rückstoßkräfte und Vibrationen absorbieren, um ein realistisches Schießerlebnis zu bieten.
- Überwache die Leistung deines Gewehrs während des Gebrauchs, um sicherzustellen, dass die Inserts ordnungsgemäß funktionieren.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoffabfällen.
- Achte darauf, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder bei Fragen zu den GRIP INSERTS von RANSOM, konsultiere bitte die Website des

Herstellers oder wende dich an den Kundendienst.

Schlussfolgerung

Die GRIP INSERTS von RANSOM bieten eine innovative Lösung für deine Seecamp LSW 32 und LSW 380. Indem du die oben genannten Sicherheitsrichtlinien und Anweisungen befolgst, kannst du die Lebensdauer deines Gewehrs verlängern und sicherstellen, dass du optimale Testergebnisse erzielst. Sei vorsichtig und genieße dein Schießerlebnis!

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR SEECAMP LSW 32, LSW 380

Introduction

Thank you for choosing the Ransom International Grip Inserts designed specifically for your Master Series Ransom Rest. This guide provides important safety instructions and usage guidelines to ensure safe and effective operation of your product. Please read this guide thoroughly before using the grip inserts.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Do not use hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and produce inaccurate test results.
- Be aware that improper use can lead to injury or damage to the firearm.
- Regularly check for updates regarding recalls or safety information.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use Ransom International Grip Inserts that are designed for your specific firearm model.
- Avoid using hard or 3Dprinted inserts, as they do not replicate humanlike recoil and can generate destructive forces.
- Be cautious of the vibrations and recoil generated during testing; these forces must be properly absorbed to prevent damage.
- Handle the firearm and Ransom Rest with care to avoid accidents.
- Ensure that any testing is done in a safe environment, away from bystanders.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure that the Ransom Rest is set up in a stable and secure location.
- Remove any existing grip inserts from the Ransom Rest.
- Carefully insert the Ransom International Grip Inserts into the designated slots, ensuring a snug fit.
- Verify that the inserts are properly seated and secure before proceeding.

2. Using the Ransom Rest:

- Place your firearm into the Ransom Rest, ensuring that it is properly aligned.
- Confirm that the grip inserts are absorbing the recoil as intended.
- Conduct your testing in a controlled environment, following all safety protocols.
- Monitor the performance of the inserts during use. If you notice any signs of wear or damage, discontinue use immediately.

3. PostUsage Care:

- After testing, remove the firearm from the Ransom Rest.
- Inspect the grip inserts for any signs of damage or wear.
- Store the grip inserts in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local regulations.
- Do not incinerate plastic materials, as this can release harmful substances.
- Consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding the safety and use of the Ransom International Grip Inserts, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety and the proper functioning of your firearm are our top priorities. Always prioritize safety and responsible use when handling firearms and related accessories.

Guida alla Sicurezza per l'Utilizzo dei Grip Inserts Ransom per Seecamp LSW 32 e LSW 380

Introduzione

Benvenuto nella guida alla sicurezza per i Grip Inserts Ransom progettati per le armi Seecamp LSW 32 e LSW 380. Questa guida fornisce informazioni importanti per garantire un uso sicuro e efficace del prodotto, in conformità con le normative di sicurezza dell'Unione Europea.

Linee Guida Generali di Sicurezza

- Utilizzare i Grip Inserts Ransom solo per le armi per cui sono stati progettati.
- Evitare l'uso di grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma.
- Assicurarci di seguire tutte le istruzioni fornite per l'installazione e l'uso.
- Tenere il prodotto fuori dalla portata dei bambini e di gruppi vulnerabili.
- Segnalare eventuali prodotti non sicuri o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Utilizzo

- Non utilizzare grip inserts che non siano specificamente progettati per il tuo modello di arma.
- Verificare regolarmente lo stato del grip insert per segni di usura o danni.
- Non tentare di modificare o riparare il grip insert.
- Durante l'uso, mantenere una postura corretta per ridurre il rischio di infortuni.
- Non utilizzare il grip insert in condizioni avverse, come umidità o temperature estreme.

Istruzioni per l'Installazione e l'Uso

• Installazione:

1. Assicurati che l'arma sia scarica e in sicurezza prima di iniziare.
2. Rimuovi il grip insert esistente, se presente.
3. Posiziona il grip insert Ransom in modo che si adatti perfettamente al telaio dell'arma.
4. Assicurati che il grip insert sia fissato saldamente e non presenti movimenti.

• Uso:

1. Utilizza l'arma solo in un ambiente controllato e sicuro.
2. Segui le istruzioni per il corretto utilizzo del Master Series Ransom Rest.
3. Monitora le prestazioni dell'arma durante l'uso e fai attenzione a eventuali anomalie.
4. Dopo l'uso, verifica che il grip insert non presenti segni di danni.

Istruzioni per lo Smaltimento

- Smaltire il grip insert secondo le normative locali per i rifiuti.
- Non gettare il grip insert nell'ambiente.
- Se il grip insert è danneggiato, seguire le linee guida di smaltimento per materiali potenzialmente pericolosi.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza e sull'uso dei Grip Inserts Ransom, consultare il sito web del produttore o contattare il servizio clienti. Assicurati di avere il numero di modello e altre informazioni pertinenti pronte per

ricevere assistenza.

Nota Finale

Ricorda che la sicurezza è fondamentale quando si maneggiano armi. Seguire queste linee guida ti aiuterà a garantire un uso sicuro ed efficace dei Grip Inserts Ransom. Se hai domande o dubbi, non esitare a cercare assistenza.
