

GRIP INSERTS - RANSOM GRIP INSERTS FOR LONE WOLF TWL

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR LONE WOLF TWL
- Manufacturer: RANSOM
- Product no.: 430119591
- Mfr. No.: 30-300-74-03
- Delivery weight: 0.907kg
- UPC: 810132581601

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR LONE WOLF TWL

Einleitung

Willkommen zu den Sicherheitshinweisen für die GRIP INSERTS von RANSOM. Diese Anleitung soll dir helfen, die Inserts sicher und effektiv zu verwenden, um dein Schießerlebnis zu verbessern. Bitte lies alle Informationen sorgfältig durch, um mögliche Gefahren zu vermeiden.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die GRIP INSERTS gemäß den Anweisungen verwendest.
- Verwende keine harten Grip Inserts oder 3Dgedruckten KunststoffGrip Inserts, da diese die Waffe beschädigen können.
- Achte darauf, dass die Inserts für deinen Master Series Ransom Rest geeignet sind.
- Halte die Inserts und die Waffe außerhalb der Reichweite von Kindern.
- Überprüfe regelmäßig den Zustand der Inserts auf Abnutzung oder Beschädigungen.
- Melde unsichere Produkte oder Unfälle den zuständigen Behörden.

Besondere Sicherheitsvorkehrungen für die Nutzung

- Die Inserts sind so konzipiert, dass sie die Durometrie der menschlichen Hand nachahmen.
- Sie absorbieren die ersten Millisekunden des Schusses, um Rückstoß und Vibrationen zu kontrollieren.
- Vermeide es, die Waffe mit harten Inserts zu testen, da dies zu ungenauen Testergebnissen führen kann.
- Achte darauf, dass die Inserts korrekt installiert sind, um ihre Funktionalität zu gewährleisten.
- Verwende die Inserts nur in Verbindung mit dem vorgesehenen Ransom Rest.

Anweisungen für Installation und Nutzung

1. Installation der Inserts:

- Stelle sicher, dass die Waffe sicher und entladen ist, bevor du mit der Installation beginnst.
- Entferne die alten Inserts, falls vorhanden.
- Setze die neuen GRIP INSERTS gemäß den Anweisungen des Herstellers ein.
- Überprüfe, ob die Inserts fest sitzen und keine Spielbewegung haben.

2. Nutzung der Inserts:

- Halte die Waffe in der richtigen Position, um eine präzise Schussabgabe zu gewährleisten.
- Achte darauf, dass du die Waffe nicht überlastest, da dies zu Schäden führen kann.
- Teste die Waffe zunächst mit geringer Intensität, um sicherzustellen, dass die Inserts korrekt funktionieren.
- Beobachte die Leistung der Inserts während des Schießens und achte auf Anzeichen von Verschleiß oder Beschädigung.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Inserts gemäß den örtlichen Vorschriften für die Entsorgung von Kunststoff und Metallabfällen.
- Stelle sicher, dass die Inserts nicht in die Hände von Kindern gelangen, wenn du sie entsorgst.

Kontaktinformationen für weitere Unterstützung

Für weitere Informationen oder im Falle von Fragen zu den GRIP INSERTS kannst du dich an den Hersteller wenden. Achte darauf, dass du alle Sicherheitsrichtlinien befolgst und bei Unsicherheiten Rücksprache hältst.

Diese Sicherheitshinweise sind darauf ausgelegt, dir eine sichere und effektive Nutzung der GRIP INSERTS von RANSOM zu ermöglichen. Bitte halte dich an alle Anweisungen und sei vorsichtig, um ein sicheres Schießerlebnis zu gewährleisten.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR LONE WOLF TWL

Introduction

Thank you for choosing the Ransom International Grip Inserts for your Master Series Ransom Rest. These inserts are specifically designed to enhance your shooting experience by mimicking the natural recoil absorption of the human hand. It is crucial to follow the safety guidelines and usage instructions outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the grip inserts are compatible with your Master Series Ransom Rest before use.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Avoid using hard grip inserts or 3Dprinted plastic grip inserts, as they can damage your firearm and compromise safety.
- Regularly inspect your grip inserts for signs of wear or damage before each use.
- Store the grip inserts in a cool, dry place away from direct sunlight and moisture.

Specific Safety Precautions for Use

- Do not use hard grip inserts or 3Dprinted plastic grip inserts.
- Be aware that using inappropriate inserts can lead to increased recoil and vibration, potentially causing harm to both the firearm and the user.
- Ensure that the inserts are installed correctly to avoid any accidents during use.
- Always wear appropriate eye and ear protection when using firearms.
- Keep bystanders at a safe distance while conducting tests with your Ransom Rest.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Remove any existing grip inserts from the Ransom Rest.
- Clean the grip insert area to ensure a secure fit.
- Carefully insert the Ransom grip inserts, ensuring they are seated properly.
- Verify that the inserts are secure and do not wobble.

2. Usage of Grip Inserts:

- Position your firearm securely in the Ransom Rest.
- Ensure that the grip inserts align with the firearm's grip for optimal performance.
- Conduct initial tests at a safe distance from the target to ensure stability and accuracy.
- Monitor the performance of the inserts and the firearm during use. If any unusual vibrations or movements occur, stop immediately and inspect the setup.

3. PostUsage Care:

- After each use, remove the grip inserts and clean them to remove any debris or residue.
- Inspect the inserts for any signs of wear or damage.
- Store the grip inserts in a protective case to prolong their lifespan.

Disposal Instructions

- Dispose of any damaged or worn grip inserts in accordance with local waste disposal regulations.
- Do not attempt to reuse or repair damaged inserts, as this can compromise safety.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Ransom grip inserts, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective shooting experience with your Ransom International Grip Inserts. Thank you for prioritizing safety in your shooting activities.

Istruzioni di Sicurezza per l'Utilizzo dei GRIP INSERTS RANSOM

Introduzione

Grazie per aver scelto i GRIP INSERTS RANSOM per il tuo Master Series Ransom Rest. Questo prodotto è progettato per migliorare la tua esperienza di tiro, garantendo una precisione senza pari. Tuttavia, è fondamentale seguire le istruzioni di sicurezza per garantire un utilizzo sicuro ed efficace.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo i GRIP INSERTS RANSOM. Non utilizzare inserti rigidi o inserti in plastica stampati in 3D, in quanto possono danneggiare la tua arma.
- Controlla regolarmente il tuo Ransom Rest e gli inserti per segni di usura o danni.
- Segui sempre le normative locali e nazionali riguardanti l'uso delle armi e dei relativi accessori.
- Non utilizzare il prodotto in condizioni meteorologiche avverse o in ambienti non sicuri.

Precauzioni di Sicurezza Specifiche per l'Uso

- Non forzare il Ransom Rest oltre le sue specifiche. Utilizzare solo il prodotto come indicato dal produttore.
- Mantieni il Ransom Rest e gli inserti lontani da bambini e persone non autorizzate.
- Non tentare di modificare o riparare il prodotto. Qualsiasi modifica può compromettere la sicurezza e l'efficacia.
- Se noti vibrazioni o movimenti anomali durante l'uso, interrompi immediatamente l'utilizzo e verifica il prodotto.

Istruzioni per l'Installazione e l'Uso

1. Installazione degli Inserti

- Assicurati che il Ransom Rest sia posizionato su una superficie stabile e piana.
- Rimuovi gli inserti esistenti, se presenti.
- Inserisci i GRIP INSERTS RANSOM nel Ransom Rest, assicurandoti che siano ben fissati e allineati correttamente.

2. Utilizzo del Ransom Rest

- Posiziona l'arma nel Ransom Rest, assicurandoti che sia ben bilanciata.
- Controlla che il Ransom Rest sia in posizione di batteria abbassata prima di iniziare a tirare.
- Esegui il tiro seguendo le tecniche di tiro appropriate e mantenendo un controllo adeguato sull'arma.

Istruzioni per lo Smaltimento

- Non gettare i GRIP INSERTS RANSOM nell'ambiente. Segui le normative locali per lo smaltimento dei prodotti in plastica e altri materiali.
- Contatta il tuo centro di raccolta locale per informazioni su come smaltire i materiali in modo sicuro e responsabile.

Informazioni di Contatto per Ulteriori Supporto

Per domande o preoccupazioni riguardanti la sicurezza del prodotto, contatta il tuo rivenditore autorizzato o il

produttore. È importante avere sempre a disposizione un punto di contatto per eventuali domande sulla sicurezza.

Conclusione

I GRIP INSERTS RANSOM sono progettati per migliorare la tua esperienza di tiro, ma la sicurezza deve sempre essere la tua priorità. Segui queste istruzioni e linee guida per garantire un utilizzo sicuro ed efficace del prodotto. Assicurati di rimanere informato sulle normative di sicurezza e sui richiami, se applicabili.
