

GRIP INSERTS - RANSOM GRIP INSERTS FOR SIG SAUER P365X

RANSOM INTERNATIONAL GRIP INSERTS Do not use hard grip inserts or 3D-printed plastic grip inserts for your Master Series Ransom Rest. Hard inserts damage the gun by generating destructive recoil energy that travels through the frame and barrel. Not only that, most hard or 3D-printed inserts are poorly engineered and fail to replicate human-like recoil, rendering any test data invalid. Hard grip inserts will not provide repeatable test results to your hand and the end user of the firearm. The grip inserts are specifically designed to match the durometer of the human hand. The inserts absorb the first few milliseconds of shot before the machine can even mechanically recoil. Look at the photo attached here: You can see the bullet has left the barrel. The machine has not come out of a lowered battery position, and the slide has not come out of lockup. The first few milliseconds of vibration and recoil are absorbed by the insert before the machine can even respond. Why will a hard insert damage your gun? The simplest, most direct answer is that physics teaches us that every action has an equal and opposite reaction. Therefore, Chuck Ransom always said vibration and recoil cannot be stopped; they can only be repeatedly controlled. If these forces do not have somewhere to travel, they will find a way to go. Just as lightning and water will find a way to travel and move, so will vibration and recoil. The inserts are specifically designed to act like the human hand, absorbing these forces and not transferring them into the gun. The Ransom rest insert absorbs vibration and harmonics, then properly transfers the energy into the rest to recoil as a human does coaxially. This whole unit functions similarly to how your hand absorbs the recoil and vibration. The grip inserts and machine, as a pair, are specifically designed to absorb this. This damage may not be seen right away, but it accrues with each shot. A hard insert will decrease the life of the barrel and gun, and it may possibly cause injury or death if something occurs. A hard insert will not be duplicatable to the end user. Whether destructive testing or accuracy testing, you must mimic the human, or your test is flawed. If a hard or 3d printed insert worked. Then every gun manufacturer would already be using them, and there would be no need for a Ransom Rest company. Take note and caution, many have tried, and many have found out the hard way. Caution: Don't use hard or 3D-printed inserts.

Attributes

- Name: RANSOM GRIP INSERTS FOR SIG SAUER P365X
- Manufacturer: RANSOM
- Product no.: 430119593
- Mfr. No.: 30-300-75-01
- Delivery weight: 0.907kg
- UPC: 810132581762

Item details

Made in USA

US export classification: 0A501.y.1

Sicherheitshinweise für GRIP INSERTS RANSOM

GRIP INSERTS FÜR SIG SAUER P365X

Einleitung

Die RANSOM GRIP INSERTS sind speziell für den Master Series Ransom Rest konzipiert und bieten eine optimale Lösung für Deine SIG SAUER P365X. Diese Anleitung soll Dir helfen, die Sicherheit bei der Verwendung der Grip Inserts zu gewährleisten und alle relevanten Informationen zur Installation und Nutzung bereitzustellen.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass Du die Grip Inserts nur für die vorgesehenen Zwecke verwendest.
- Vermeide die Verwendung von harten Grip Inserts oder 3Dgedruckten KunststoffInserts, da diese schädliche Auswirkungen auf Deine Waffe haben können.
- Halte Dich an alle Anweisungen zur Installation und Nutzung, um das Risiko von Verletzungen oder Schäden zu minimieren.
- Informiere Dich über Rückrufaktionen und Sicherheitswarnungen über die EU Safety Gate Plattform.

Spezifische Sicherheitsvorkehrungen für die Nutzung

- Vermeide die Verwendung von harten Inserts, da sie zerstörerische Rückstoßenergie erzeugen, die die Waffe beschädigen kann.
- Achte darauf, dass die Inserts so gestaltet sind, dass sie die Durometrie der menschlichen Hand nachahmen und somit Vibrationen und Rückstoß absorbieren.
- Prüfe regelmäßig die Inserts auf Abnutzung oder Beschädigungen, um sicherzustellen, dass sie ordnungsgemäß funktionieren.
- Verwende die Inserts nur in Verbindung mit der vorgesehenen Waffe (SIG SAUER P365X).

Anweisungen zur Installation und Nutzung

1. Installation der Grip Inserts:

- Entferne alle bestehenden Inserts oder Zubehörteile von der Waffe.
- Setze die RANSOM Grip Inserts vorsichtig in die vorgesehenen Halterungen ein.
- Stelle sicher, dass die Inserts fest und sicher sitzen, bevor Du die Waffe verwendest.

2. Nutzung der Grip Inserts:

- Stelle die Waffe auf eine stabile Oberfläche, bevor Du mit dem Schießen beginnst.
- Halte die Waffe mit beiden Händen fest und achte darauf, dass die Inserts korrekt positioniert sind.
- Achte beim Schießen auf die Absorption der Vibrationen durch die Inserts und beobachte, wie sie den Rückstoß kontrollieren.

Entsorgungsanweisungen

- Entsorge beschädigte oder abgenutzte Grip Inserts gemäß den lokalen Vorschriften für die Entsorgung von Kunststoffmaterialien.
- Überprüfe, ob es spezielle Sammelstellen für Waffen oder Zubehörteile gibt, um die Umweltbelastung zu minimieren.

Kontaktinformationen für weitere Unterstützung

Bitte wende Dich bei Fragen oder Anliegen zu den RANSOM Grip Inserts an den Hersteller oder Deinen Fachhändler.

Diese Sicherheitsanweisungen sind wichtig, um die sichere Nutzung der RANSOM Grip Inserts zu gewährleisten und mögliche Risiken zu minimieren. Achte stets auf Deine Sicherheit und die Sicherheit anderer.

Safety Instruction Guide for GRIP INSERTS

RANSOM GRIP INSERTS FOR SIG SAUER P365X

Introduction

Thank you for choosing the Ransom International Grip Inserts for your SIG Sauer P365X. These grip inserts are designed to enhance your shooting experience while ensuring the safety and integrity of your firearm. This guide provides essential safety instructions to help you use the product correctly and safely.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Always handle firearms with care, treating every gun as if it is loaded.
- Keep the grip inserts away from children and unauthorized users.
- Regularly check for any signs of wear or damage to the grip inserts and the firearm.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Hard Inserts:** Do not use hard grip inserts or 3Dprinted plastic grip inserts with your Ransom Rest. These can damage your firearm by generating harmful recoil energy.
- **Understand Recoil Dynamics:** Recognize that vibration and recoil cannot be eliminated; they must be controlled. Using the correct grip inserts is crucial for accurate testing and safety.
- **Watch for Damage:** Be aware that damage from hard inserts may not be immediately visible but can accumulate over time, potentially leading to decreased firearm lifespan or injury.
- **Follow Testing Protocols:** If conducting destructive or accuracy testing, ensure that you mimic humanlike recoil using the appropriate grip inserts for valid results.

Instructions for Installation and Usage

1. Installation of Grip Inserts:

- Ensure the firearm is unloaded before beginning installation.
- Remove any existing grip inserts carefully.
- Align the Ransom grip inserts with the grip area of the firearm.
- Firmly press the inserts into place until they are secure.

2. Usage of Grip Inserts:

- When using the Ransom Rest, ensure the grip inserts are properly installed.
- Monitor the performance of the grip inserts during use; if you notice any issues, stop using them immediately.
- After each use, inspect the grip inserts for signs of wear or damage.

3. Maintenance:

- Clean the grip inserts regularly to maintain their effectiveness.
- Store the inserts in a cool, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or worn grip inserts according to local regulations.
- Do not dispose of grip inserts in regular household waste; check with your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the Ransom Grip Inserts, please contact the manufacturer or refer to the product documentation.

By following these guidelines, you can ensure a safe and effective shooting experience with your Ransom Grip Inserts. Thank you for prioritizing safety while enjoying your firearm.

Guida alla Sicurezza per Grip Inserts RANSOM per SIG SAUER P365X

Introduzione

Benvenuto nella guida alla sicurezza per i Grip Inserts RANSOM progettati per il SIG SAUER P365X. Questa guida fornisce informazioni importanti per garantire un uso sicuro e corretto del prodotto, aiutando a prevenire danni all'arma e a garantire la sicurezza dell'utente.

Linee Guida Generali di Sicurezza

- Assicurati di utilizzare solo grip inserts RANSOM progettati specificamente per il tuo modello di arma.
- Non utilizzare grip inserts rigidi o in plastica stampata in 3D, poiché possono danneggiare l'arma e compromettere la sicurezza.
- Segui sempre le istruzioni di installazione e utilizzo fornite con il prodotto.
- Controlla regolarmente il tuo grip insert per eventuali segni di usura o danni.
- In caso di dubbi o domande, contatta un esperto o un professionista del settore.

Precauzioni di Sicurezza Specifiche per l'Uso

- I grip inserts RANSOM sono progettati per assorbire le forze di rinculo e vibrazione. Assicurati che siano installati correttamente per massimizzare questa funzionalità.
- Non tentare di modificare o riparare il grip insert. Qualsiasi modifica può compromettere la sicurezza e l'efficacia del prodotto.
- Utilizza sempre il grip insert in condizioni di prova controllate e sotto la supervisione di un professionista, se possibile.
- Non utilizzare il prodotto in situazioni pericolose o in condizioni meteorologiche avverse.

Istruzioni per l'Installazione e l'Uso

1. **Preparazione:** Assicurati di avere a disposizione tutti gli strumenti necessari per l'installazione.
2. **Installazione:**
 - Rimuovi il grip insert esistente dall'arma, se presente.
 - Pulisci l'area di contatto per garantire una buona adesione.
 - Posiziona il nuovo grip insert RANSOM nella posizione corretta.
 - Segui le istruzioni specifiche per fissare il grip insert in modo sicuro.
3. **Uso:**
 - Quando utilizzi l'arma, assicurati che il grip insert sia in buone condizioni e ben fissato.
 - Esegui test di prova per verificare il corretto funzionamento del grip insert.

Istruzioni per lo Smaltimento

- Non gettare il grip insert danneggiato negli scarichi normali. Segui le normative locali per il corretto smaltimento dei materiali plastici.
- Se il grip insert è irreparabile, contatta un centro di raccolta rifiuti per ottenere indicazioni su come smaltirlo in modo sicuro.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori informazioni sulla sicurezza del prodotto, suggerimenti sull'uso e domande generali, ti invitiamo a contattare un esperto del settore o a visitare il sito ufficiale del produttore.

Conclusione

La sicurezza è la priorità principale quando si utilizza un grip insert per armi. Seguendo queste linee guida e precauzioni, puoi garantire un uso sicuro e ottimale del tuo Grip Insert RANSOM per SIG SAUER P365X. Ricorda sempre di prestare attenzione e di adottare le misure necessarie per proteggere te stesso e gli altri.
